Appendix C

1 Introduction

- 1.1 I refer to my annual report dated 28 November 2008 and am pleased to advise that this report constitutes my final report on the CVAs in accordance with Rules 1.26 and 1.29 of the Insolvency Rules 1986.
- Please note that with effect from 1 January 2009, Anne O'Keefe, James Gleave and Stuart Mackellar are now licensed by the Insolvency Practitioners Association.
- 1.3 I should also advise that following the recent completion of a Management Buy-Out (MBO) by the partner group of Kroll's UK Corporate Advisory and Business Recovery practice from Kroll Inc., we will be operating under the Zolfo Cooper brand name going forward. Zolfo Cooper Europe will continue to be headquartered at 10 Fleet Place, London EC4M 7RB with our existing network of UK offices remaining in their current location.

2 Overview of the CVA

As detailed in my recent report, the only matter that was outstanding at that time was the transfer of the final surpluses of CVA funds to T&N Limited and The T&N Asbestos Trustee Company Limited (the Trust), in accordance with the terms of the CVA. Details of which can be found on the individual Receipts and Payments Accounts attached at Appendix A. I am pleased to advise that these transfers have now been completed and as such, I attach a copy of my Receipts and Payments Accounts for the period 11 October 2008 to 31 December 2008, together with cumulative accounts since my appointment. Since my last report, the only movements have been the transfer of the surplus funds, receipt of accrued bank interest and the reimbursement of asbestos fixed sum payments from The Washington Chemical Company Limited and Newalls Insulation Company Limited to the Trust.

3 Creditors' Claims

Preferential Creditors

3.1 As advised in my previous report, there are no preferential claims in any of these arrangements.

Unsecured Creditors

3.2 There were no claims from unsecured creditors in any of the CVAs, and therefore no payments have been made to unsecured creditors.

4 Supervisors' Remuneration

- 4.1 The terms of the CVAs provided that my remuneration would be based upon the time costs of the Supervisors and their staff in executing the CVAs.
- 4.2 As previously advised, all time incurred in executing the CVAs has been charged to one time code, in order to simplify time recording and billing procedures. In addition, time relating to the execution of the other dormant CVAs has also been included within this time code.
- Attached at Appendix B is a summary of the Joint Supervisors' time costs for the duration of the CVA. This represents 334.20 hours at an average rate of £201 per hour. To date, £67,167.50 plus VAT has been drawn on account from a separate remuneration reserve.
- In order to keep costs to a minimum, I have not enclosed a further copy of the additional information relating to our policy on staffing, the use of subcontractors and the recharging of disbursements as this has not changed from my recent report. However, should you wish to be sent a copy, I will be happy to provide a copy upon request.

5 Closure of the CVA

Finally, at Appendix C I attach a Notice of Completion of the Voluntary Arrangement, Form 1.4.

Should you require further information at any time, please do not hesitate to contact Melissa Doherty on the number provided above.

Yours faithfully

Anne O'Keefe Joint Supervisor
