

Federal-Mogul Bridgwater Limited

Company Number 522423

Directors' Report for the Year Ended 31st December 2006

Administration

On 1 October 2001, the Company's ultimate parent undertaking, Federal-Mogul Corporation and its subsidiaries in the United States voluntarily filed for financial restructuring under Chapter 11 of the US Bankruptcy Code. In addition, the majority of Federal-Mogul subsidiaries in the United Kingdom, including the Company, filed jointly for Chapter 11 and Administration under the UK Insolvency Act 1986.

On 26 September 2005, the Administrators entered into a Global Settlement Agreement with Federal-Mogul Corporation, the Plan Proponents and the Pension Protection Fund. The Agreement allowed Federal-Mogul to retain the businesses and other assets of the UK Filing Group in exchange for funding specific creditor payments and reserves that will be used by the Administrators to provide distributions to creditors.

On 10 July 2006 the Administrators issued to the creditors their proposals for Company Voluntary Arrangements ("CVAs") for the Company and 50 other UK filing subsidiaries. These proposals were approved at shareholders' and creditors' meetings held on 7 September 2006 and were confirmed by the UK Court on 11 October 2006. This had the effect on the Company of a reduction in the net pre-filing payable balance to a fellow group company of 100%, therefore a write-back of £2,046 has been made in the profit and loss account.

On 1 December 2006, 64 of the UK filing companies, including the Company, exited from UK administration.

Activities

The principal activity of the Company was the manufacture and sale of non-automotive pistons as agent for T&N Limited. The activity ceased on 31 March 2004. It has written off interest receivable from other group companies. In addition to the CVA related write-back of £2,046, it has made a loss on the restatement of an overseas deposit account and has incurred bank charges on that deposit account. The profit for the year was £1,606 (2005 loss of £126). The directors do not recommend a dividend (2005 £nil).

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FEDERAL-MOGUL BRIDGWATER
LIMITED

We have audited the Company's financial statements (the "financial statements") for the year ended 31 December 2006 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 11. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether, in our opinion, the information in the Directors' Report is consistent with the financial statements.

In addition, we report to you if, in our opinion, the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FEDERAL-MOGUL BRIDGWATER
LIMITED (CONTINUED)

Adverse opinion

Included in the balance sheet is an amount of £1,055 (2005 £1,352) due from Federal-Mogul group companies which are the subject of a filing under Chapter 11 of the US Bankruptcy Code. The Company has no security for this debt. In our opinion the Company is unlikely to receive full payment and a provision of up to £1,055(2005 £1,352) should have been made, increasing net liabilities by up to that amount.

In view of the effect of the absence of this provision, in our opinion

- the financial statements do not give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the Company's affairs as at 31 December 2006 and of the Company's profit for the year then ended

In our opinion

- the financial statements have been properly prepared in accordance with the Companies Act 1985 and
- the information given in the Director's Report is consistent with the financial statements

Emphasis of matter – Going Concern

In forming our opinion we have considered the adequacy of the disclosures made in note 1 to the financial statements regarding the filing by the Company for financial restructuring under Chapter 11 of the US Bankruptcy Code. The financial statements are prepared on the going concern basis, the validity of which depends on the outcome of the proceedings. In view of the significance of this uncertainty we consider that it should be drawn to your attention but our opinion is not qualified in this respect.

1 ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards and under the historical cost convention

(b) Fundamental Uncertainty

On 1 October 2001, the Company's ultimate parent undertaking, Federal-Mogul Corporation and its subsidiaries in the United States voluntarily filed for financial restructuring under Chapter 11 of the US Bankruptcy Code. In addition, the majority of Federal-Mogul subsidiaries in the United Kingdom, including the Company, filed jointly for Chapter 11 and Administration under the UK Insolvency Act 1986

On 26 September 2005, the Administrators entered into a Global Settlement Agreement with Federal-Mogul Corporation, the Plan Proponents and the Pension Protection Fund. The Agreement allowed Federal-Mogul to retain the businesses and other assets of the UK Filing Group in exchange for funding specific creditor payments and reserves that will be used by the Administrators to provide distributions to creditors

On 10 July 2006 the Administrators issued to the creditors their proposals for Company Voluntary Arrangements for the Company and 50 other UK filing subsidiaries. These proposals were approved at shareholders' and creditors' meetings held on 7 September 2006 and were confirmed by the UK Court on 11 October 2006. This had the effect on the Company of a reduction in the net pre-filing payable balance to a fellow group company of 100%, therefore a write-back of £2,046 has been made in the profit and loss account

On 1 December 2006, 64 of the UK filing companies, including the Company, exited from UK administration

The financial statements have been prepared on the going concern basis, which assumes that the Company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the outcome of the Chapter 11 filings. The directors of Federal-Mogul Corporation have stated that the actions are intended to preserve the companies' businesses and allow a reorganisation of their assets while protecting them from actions by creditors and asbestos claimants. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis

The financial statements do not include any adjustments that would result if the outcome of the proceedings was that the Company was unable to continue as a going concern. The directors do not consider it possible to determine the effects on the financial statements with reasonable accuracy, but adjustments would have to be made to reduce the value of assets to their realisable amount, to provide for any further liabilities which might arise and to reclassify any fixed assets as current assets

1 ACCOUNTING POLICIES (continued)

(c) Cash Flow Statement

Under Financial Reporting Standard 1 (Revised 1996), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking of Federal-Mogul Corporation, a company which has prepared a consolidated cash flow statement

(d) Foreign currencies

Transactions in foreign currency are recorded at the rate ruling at the date of transaction. Any assets or liabilities denominated in foreign currency are retranslated at the year end rate. Exchange differences on transactions in foreign currencies are included in the profit and loss account.

(e) Deferred Taxation

The taxation charge is based on the result for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax with the following exceptions:

- Provision is made for gains on disposals of fixed assets that have been rolled over into replacement assets only where, at the balance sheet date, there is a commitment to dispose of the replacement assets,
- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

(f) Fundamental Accounting Concept

The directors believe it to be appropriate to prepare the financial statements on the going concern basis due to the continued financial support provided by the ultimate parent undertaking.
