Other Information

On 5 March 2003 we reported as auditors to the shareholders of the company on the full statutory accounts prepared under section 226 of the Companies Act 1985 and our audit report was qualified arising from omission of revaluation of investment properties and included the following paragraphs:-

"As explained in note 1(b) the financial statements do not include revaluation of investment properties as requested by Statement of Accounting Practice No 19 and we concur the properties are worth substantially in excess of cost.

Except for the failure to revalue investment properties, in our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 May 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985."
