**Directors' statements required by Section 249B(4) for the year ended 31 August 2008**

The directors are satisfied that the company is entitled to exemption under Section 249A(1) of the Companies Act 1985 and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with Section 221 of the Companies Act 1985; and
- (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226 of the Companies Act 1985, and which otherwise comply with the requirements of this Act relating to accounts, so far as

The accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985.

**1 Accounting policies**

**Accounting convention**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

**Turnover**

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts. Turnover in respect of contracts for uninvoiced services is recognised by reference to the stage of completion at the year end.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Land and Buildings	Straight line over fifty years
Plant and machinery	20% straight line
Motor vehicles	25% straight line

**Stocks**

Stock is valued at the lower of cost and net realisable value.

**Deferred taxation**

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

**Leasing and hire purchase commitments**

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives.

The interest element of the rental obligations is charged to the profit and loss account on a straight line basis over the period of the lease.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
