Med-Lab Limited

Report of the Auditors to

Med-Lab Limited

Pursuant to Paragraph 24 of Schedule 8 to the Companies Act 1985

We have examined the abbreviated financial statements on pages five to eight together with the full financial statements of Med-Lab Limited prepared under Section 226 of the Companies Act 1985 for the year ended 30 September 1995.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with Schedule 8 to the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to the exemptions claimed in the directors' statement on page five and whether the abbreviated financial statements have been properly prepared in accordance with that Schedule.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the audited financial statements, that the company is entitled to the exemptions and that the abbreviated financial statements have been properly prepared from those financial statements. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled under Sections 246 and 247 of the Companies Act 1985 to the exemptions conferred by Section A of Part III of Schedule 8 to that Act, in respect of the year ended 30 September 1995, and the abbreviated financial statements on pages five to eight have been properly prepared in accordance with that Schedule.

Other information

On 3 January 1996 we reported, as auditors of Med-Lab Limited, to the shareholders on the financial statements prepared under Section 226 of the Companies Act 1985 for the year ended 30 September 1995, and our audit report was as follows:

"We have audited the financial statements on pages five to thirteen which have been prepared under the historical cost convention and the accounting policies set out on page seven.

Respective responsibilities of directors and auditors

As described on page two the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Financial Reporting Standard Number 1

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents sales invoiced excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Leasehold property	- 5%-9% on cost
Fixtures & Fittings	- 10% on cost
Motor vehicles	- 10%-35% on cost

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Pension costs

The company operates a defined contribution pension scheme for all eligible employees whose assets are independent of the company's finances. The cost to the company of operating this scheme is disclosed in the notes to the accounts.

Group accounts

The company has taken advantage of the exemption provided by Section 248 of the Companies Act 1985 not to prepare group accounts as the company and its subsidiary undertaking comprise a small group. The financial statements therefore represent information about the company as an individual undertaking and not about its group.
