## 1. Introduction, background and circumstances giving rise to the appointments

### Introduction

On 5 May 2011 the Companies entered Administration and S Allport, T A Jack and A M Hudson were appointed to act as Joint Administrators

This document, including its appendices, constitutes the Joint Administrators' statement of proposals to creditors pursuant to paragraph 49 of Schedule B1 to the Act and Rule 2.33 of the Insolvency Rules 1986 for Focus (DIY) Limited, Focus DIY (Investments) Limited, Do It All Limited, Do It All (Holdings) Limited, Payless DIY Limited and Payless Properties Limited (all in Administration)

Certain statutory information relating to the Companies and the appointments of the Joint Administrators is provided at Appendix A

### Background

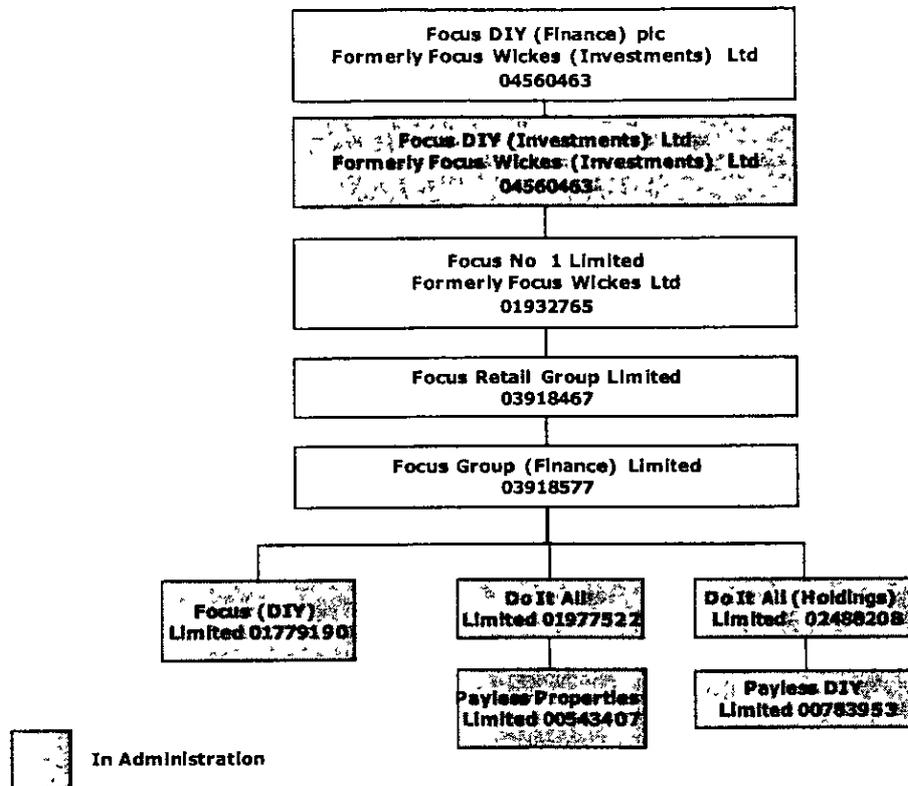

At the time of the appointments, the Group was the number four DIY and gardening retailer in the UK, trading from 177 stores nationally, and employing c 4,000 employees in total, 3,646 of whom were employed in the stores

The Group's head office and management functions were operated from leasehold premises at Gawsorth House, Westmere Drive, Crewe, Cheshire CW1 6XB, where 264 head office staff were located

The Group also had operations at a national distribution centre in Tamworth, a c 585k sqft warehouse that is managed by a third party stock management operator Wincanton and transport operator, Lloyd Fraser. There was also a dedicated IT centre in Paulton which housed the Group's retail IT systems

The original business was founded in 1983 when Focus DIY was incorporated, and has grown substantially through a number of acquisitions including Do It All Limited in 1998 and Great Mills and Wickes in 2000 (Wickes was subsequently sold in 2005 to Travis Perkins)

A summary Group structure is presented below, with a Wider Group structure included at Appendix E

In July 2007 the Group was acquired by an investment vehicle, FLP2 Limited, ultimately controlled by affiliates of Cerberus who, via a further entity named FLP3 Limited, injected capital of £160m in the form of four senior lending facilities. This debt is senior secured ranking debt with second ranking priority behind a £50m syndicated RCF facility provided to the Group by GMAC and BoS. All of the secured facilities for the benefit of the Wider Group sit within Investments as the principal borrower, supported by guarantees, security and legal charges from Focus DIY, Do it All, Holdings, Payless DIY and Payless Properties together with certain other group companies.

At the time of the credit crunch and weakened housing market, sales were materially impacted and poor trading results were experienced throughout 2008 and 2009. The difficult retail trading conditions were further impacted by underperforming stores within the Group's portfolio. Consequently, in late 2009 a CVA was approved by the creditors of the Group. This allowed a partial restructuring of the Group designed to eliminate a number of unoccupied or sub-let stores and their associated fixed overheads.

The recent financial results of the Group, together with further details of its operations, are outlined below.

### Trading history

#### *Focus (DIY) Limited*

Focus DIY is the main trading company within the Group and its principal activity is the retail operation of DIY and gardening superstores. It is the sole employer in the Group, employing all of the store and head office staff with the exception of directors who are employed by FLP2 Limited.

Focus DIY holds 167 leases of the 208 lease portfolio operated by the Group.

The table below illustrates recent trading results relating to Focus DIY

\* Directors remuneration includes those who resigned from office during the period

### **Do It All Limited**

Do It All operates as a trading entity within the Group and is a retailer of DIY and gardening products through the Do It All superstores previously acquired by the Group

Do It All holds 17 store leases of the total leasehold portfolio of 208 operated by the Group

The table below shows the recent trading results for Do It All

| 52 weeks ended                  | Audited/<br>Draft | Turnover<br>£000 | Gross<br>profit<br>£000 | Gross<br>profit<br>% | Directors'<br>remuneration<br>£000 | Net profit<br>after tax<br>£000 | Accumulated<br>reserves<br>£000 |

### **Focus DIY (Investments) Limited**

Investments' principal activity is that of a holding and finance company. It indirectly holds all the shares of Focus DIY and Do It All

Investments is not a trading company, has made no sales in recent years and only reports overhead costs such as interest and charges as a consequence of its status as principal borrower. In FY11, it reported a net loss after tax of £15.2m and in FY10 a net loss of £14.9m. It has no employees.

### **Do it All (Holdings) Limited**

Holdings is a non-trading holding company that has three leases. Abbreviated accounts have historically been produced for this entity. It is the sole shareholder of Payless DIY.

Recent accounts show no activity.

### ***Payless DIY Limited***

Payless DIY is a non-trading holding company that has 14 leases. Abbreviated accounts have historically been produced for this entity.

Recent accounts show no activity.

### ***Payless Properties Limited***

Payless Properties is a non-trading holding company, with seven leases. Abbreviated accounts have historically been produced for this entity.

Recent accounts show no activity.

### **Circumstances giving rise to the appointment of the Joint Administrators**

As stated previously, in late 2009 the Group undertook a restructuring exercise via a CVA as a consequence of declining sales and profitability, further impacted by difficult trading periods in 2008 and 2009. In the 12 months ended 22 February 2009 Focus DIY experienced a net loss after tax of £14.3m, despite generating a gross profit of £101.0m during that year. The CVA was implemented in order to eliminate some of the high fixed cost base and release the Group from unoccupied or sub-let stores which were impacting the profitability of the Group.

Following the CVA, the management team has worked hard to turn around the business and address the challenges of the struggling economy and competitive market. Despite the actions taken by the Group's management which included, introducing new store formats, restructuring the cost base and launching new marketing approaches, the financial performance of the trading entities Focus DIY and Do it All remained challenging, particularly during the Winter months when sales are seasonally at their lowest.

Whilst Do it All returned a small net profit after tax of £0.7m in the 12 months ended 22 February 2010, Focus DIY generated an annual loss of £11.7m despite the rent relief relating to 38 non-operational stores achieved as a result of the CVA, but after significant depreciation and amortisation costs.

The performance of the Group continued to deteriorate throughout 2010 and into 2011, the consolidated Group management accounts for the 12 months ended 22 February 2011 indicate net losses after tax of £39.4m during this period.

With an awareness of the deteriorating cash and financial performance of the business, management and the lenders pursued alternative strategies in order to stabilise the Group and maximise value for stakeholders, these included:

- ▶ Management worked on a plan to implement a second CVA to eliminate further underperforming stores and improve the underlying cost structure of the business.
- ▶ A sale of the Group. Advisors were instructed to conduct a sale process, which started in Autumn 2010, but resulted in no interest from competitors or trade buyers for the business as a going concern. At the time of our appointment an offer was progressing for the Group, however, insufficient time was available to progress this to a funded offer and the transaction would have resulted in the break-up of the business. It was evident from this process that the value of the business lay in the property leases.

During this time the secured lenders continued to consider their options. Ernst & Young LLP were assisting the lenders in assessing the trading and cash flow performance of the Group. As the sale process continued it became evident that a sale of the business would be unlikely. Consequently, the lenders asked Ernst & Young LLP to assist with scenario planning should it not be possible for the proposed rescue strategies to be completed before a breach of facilities.

The scenario planning continued up until the date of appointment, alongside the discussions between the secured lenders, shareholders and management regarding the options for the business. As majority shareholder and debt provider to the Group, FLP3 Limited advised management that it was no longer viable for it to continue to financially support the business, and management's CVA proposal. This was based on the high level of debt already underpinning the business, including cash injections in the past financial year, and the fact that interest payments were being accrued and covenants waived. In addition, the second proposed CVA required an extension to existing lending facilities and a likely funding requirement. In addition, the difficult retail environment and competitive landscape that currently exists posed many risks to the CVA and the Group's forecast profitability. With no additional funding available from its lenders, management requested that Ernst & Young LLP work with them in consideration of appointing Joint Administrators.

Management subsequently concluded that to protect the interest of all creditors, it was necessary to place the business into Administration immediately. Consequently, on 4 May 2011 the Directors filed at the Court a Notice of Intention to Appoint Administrators in respect of the Companies and on 5 May 2011, Simon Allport, Thomas Andrew Jack and Alan Michael Hudson were appointed Joint Administrators of the Companies under the provisions of paragraph 14 of schedule B1 to the Act.

## 2. Purpose, conduct and end of Administrations

### Purpose of the Administrations

The purpose of an administration is to achieve one of three objectives

- a To rescue the company as a going concern
- b To achieve a better result for the company's creditors as a whole than would be likely if the company were wound up (without first being in administration)
- c To realise property in order to make a distribution to one or more secured or preferential creditors

Insolvency legislation provides that objective (a) should be pursued unless it is not reasonably practicable to do so or if objective (b) would achieve a better result for the company's creditors as a whole. Objective (c) may only be pursued if it is not reasonably practicable to achieve either objective (a) or (b) and can be pursued without unnecessarily harming the interests of the creditors of the company as a whole.

It was unlikely that objective (a) could practically be achieved for the following reasons

- ▶ The significant level of debt within the business meant there were limited alternative sources of funding available to support the Group and its immediate working capital requirement, as well as making the business unattractive as a share purchase
- ▶ The Group and its advisors had already pursued a sale strategy prior to the Administrations which attracted no interest in the business as a going concern
- ▶ Given that a small number of the Group's stores were loss making and the declining revenues it was highly unlikely that an equity sale could be achieved for the Group as a whole without significant restructuring of the Group and the elimination of the loss making stores
- ▶ The Group had been loss making for a prolonged period of time prior to the appointments. Therefore it was unlikely that profitability would be returned in the short to medium term, particularly given the significant cash outflow required to trade the business following its peak trading period in the Spring / Summer months and meet the high fixed costs of the business in order to then regenerate the Group's store portfolio
- ▶ A significant proportion of the stock is subject to ROT and trade supplier support (including credit terms) was likely to be severely restricted post insolvency, significantly increasing the funding requirement of the Group in order to facilitate ongoing trade at full capacity whilst seeking a going concern sale

The Joint Administrators have therefore pursued objective (b) to achieve a better result for the Group's creditors as a whole than would be likely if the companies in the Group were wound up (without first being in Administration), rather than objective (a). The reasons for this are outlined below

- ▶ As part of the efforts to secure a sale prior to the Administration, it was apparent that interest existed from several parties for certain parts of the Group's retail portfolio. In addition, management and other parties indicated that they were interested in purchasing a large proportion of the Group's interests as a going concern. Realisations from the Group's property portfolio were therefore likely to be enhanced if they were disposed of whilst trading continued during the Administrations
- ▶ If the Group were to be wound up, realisations from stock would be severely reduced following ROT stock being returned to suppliers and recoveries from remaining stock

would have to be achieved through bulk disposals, most likely requiring significant discounts

- ▶ An Administration afforded a period of protection to the Group to allow it to continue to trade out its existing stock holdings through the stores and generate realisations from the stock and leasehold portfolio above what would likely be achieved if the Group were wound up

The Joint Administrators have therefore pursued a strategy of a short term trading period to allow stock to be realised through ongoing sales at the stores whilst pursuing a disposal of the business and assets including the Group's lease portfolio

### Conduct of the Administrations

#### Trading

Following the Joint Administrators' appointment on the morning of 5 May 2011, site visits were conducted by the Joint Administrators' staff to all stores, the distribution centre ('DC') and the Paulton IT office. A central team was also located at the head office in Crewe. Employees were addressed and procedures (including cash counts in all stores and revised customer order/returns/deposit procedures) were implemented immediately to protect Group assets and to help facilitate an ongoing trading strategy.

Measures were taken immediately to reduce the overhead base of the business including the redundancy of 102 head office employees on the date of our appointment. A further 45 head office staff have also subsequently been made redundant. The staff in the stores and regional managers were retained to allow trading to continue across the Group. Wage and salary payments for those retained were made as usual with May's gross payroll totalling £4.9m.

The Joint Administrators then continued to trade the business whilst pursuing a sale of business strategy for all or parts of the business on a going concern basis. The Joint Administrators sought to maximise recoveries through the retail store network for the c. £89m of stock on hand at the date of appointments. Retail sales totalling £75.5m (net of VAT) to 10 June 2011 have been made. Shortly after the appointment of the Joint Administrators, key suppliers were contacted to establish resupply of fast moving, seasonal stock lines in order to maintain the retail offering. Additional stock of approximately £3m has been ordered by the business.

#### Trading sales

Following the sale of a number of stores to Kingfisher, Wickes and B&M (see sale of business section later in the report), by 23 May 2011 the prospects of further going concern disposals were limited. Accordingly, on this date, the Joint Administrators engaged retail agents Gordon Brothers to assist with an orderly wind down of the remaining stock in the business. Since this date, additional marketing and stock discounting has been undertaken to enable the Group to vacate the bulk of the retail estate (122 stores) by 23 June 2011. The Joint Administrators intend to trade out the stock from the remaining stores whilst continuing to pursue further lease disposals.

Please note that whilst the statutory accounts show sales made by Do It All, it is envisaged that for the Administration trading period all sales will be made by Focus DIY. The reason for this is that all stock is purchased by Focus DIY, sales are made under the Focus trading name, and all VAT sales receipts are in the name of Focus DIY per the Group's records.

Administrators' sales (net of VAT) since appointment can be further analysed as follows

|               | 4 days<br>ending<br>8 May 2011 | W/e<br>15 May<br>2011 | W/e<br>22 May<br>2011 | W/e<br>29 May<br>2011 | W/e<br>5 June 2011 | 5 days<br>ending<br>10 June 2011 | Total  |
|---------------|--------------------------------|-----------------------|-----------------------|-----------------------|--------------------|----------------------------------|--------|
| Sales (£000s) | 6,443                          | 7,864                 | 7,198                 | 20,807                | 22,244             | 10,934                           | 75,490 |

### *Trading costs*

Undertakings have been provided to essential service providers (including utility companies, cash collection agents and leased equipment providers) to head office, the retail estate and the DC to allow trading to continue

At the outset a number of suppliers to the business, including the warehousing, distribution and haulage contractors refused to continue to support the business unless additional inducement to trade arrangements were agreed. Given their commercial leverage and ability to keep the business from trading, additional payments of £2.1m and commitments to fund potential contingent liabilities of c £1.8m were agreed with a number of key suppliers and contractors.

A further key supplier, Barclays Merchant Services, was contacted pro-actively and an early agreement was reached, this being essential for retail trading by allowing ongoing receipt of store credit/debit card takings.

Trading liabilities remain estimates based on historic costs, purchase orders and undertakings issued by the Joint Administrators. It is estimated that weekly trading costs (excluding stock shrinkage, inducement to trade payments and agents costs) during May and June are in the region of c £4.0m per week.

### ***Sale of business***

Upon appointment, a dedicated sale of business team from Ernst & Young's Transaction Advisory Services met with Focus' directors and senior management to prepare the key operational and financial information required for the sale process.

Immediately thereafter, the Joint Administrators began a marketing process for the disposal of the Group's business and assets on a going concern basis. However, it quickly became apparent that there was a significant interest in the property portfolio of the Group, which offered the potential to realise large premiums from certain leases.

Consequently, whilst pursuing potential sales for the majority of the business and assets of the Group, the Joint Administrators heavily marketed the property portfolio to mixed sectors of prospective purchasers in order to maximise the levels of interest in the business and assets of the Group.

Given the large number of properties and the potential value in the estate, the Joint Administrators retained key members of the Group's property team to support in collating and coordinating information requests. In addition we engaged the services of property agents Harvey Spack Field to review the portfolio and determine the strategy to maximise realisations.

Discussions with potential buyers progressed quickly, with a comprehensive range of financial, operational, property and legal information made available. The Joint Administrators have to date made contact with over 150 interested parties.

As at 10 June 2011, the Joint Administrators have successfully completed three transactions for the sale of options to assign the right, title and interest in specific leases operated by Focus DIY, Do It All and Payless DIY to three separate purchasers. Under the terms of two of the agreements it is envisaged that 536 employees at these stores will also be transferred to the purchasers under the Transfer of Undertakings (Protection of Employees) legislation. Details of the transactions are presented below.

| Focus Group Company       | Number of properties under option agreement | Purchaser                        | Consideration (£m) |
|---------------------------|---|----------------------------------|--------------------|
| Focus DIY and Do It All   | 31  | Kingfisher Group Limited         | 23.0               |
| Focus DIY and Do It All   | 13  | Wickes Building Supplies Limited | 8.4                |
| Focus DIY and Payless DIY | 11  | B&M Retail Limited               | 1.2                |

All consideration has been received in full and no further amounts are due in respect of these transactions. Under the terms of the agreements the Joint Administrators have granted the purchasers an option to buy certain stores, however, at this time the Joint Administrators continue to trade the remaining stock after which time the purchaser will be allowed into occupation under a licence during which the option remains valid.

The Joint Administrators continue to market the remaining portfolio for sale and are in advanced discussions with a number of parties regarding the sale of further options to assign leases and the transfer of employees. The Joint Administrators remain confident that further sales can be completed.

Prior to the date of our appointment the Group had entered into a conditional sales contract for six stores. It is anticipated that these sales will complete in the coming weeks, although the quantum of realisations remains confidential.

### **Property**

At the date of appointment the Companies held leasehold agreements on a total of 208 properties.

The leases to these properties are held by various companies within the Focus Group, as summarised in the table below.

| Focus Group Company          | Number of properties |
|------------------------------|----------------------|
| Focus (DIY) Limited          | 167                  |
| Do It All Limited            | 17                   |
| Payless DIY Limited          | 14                   |
| Payless Properties Limited   | 7                    |
| Do It All (Holdings) Limited | 3                    |

The properties can be split into three categories:

#### *Trading stores*

At the date of appointment, the Companies traded from 177 leasehold stores across the United Kingdom. As discussed in the trading section above, all stores continued to trade following our appointment.

#### *Operational properties*

In addition to the trading stores, the Companies operated central business functions from four further leasehold properties. These operational properties include the Group's head office in Crewe, a national distribution centre in Tamworth and two support centres in Paulton and Crewe.

### *Unoccupied properties*

The Companies also held the leases to a further 27 unoccupied / non-operational stores. These properties have not been occupied during the Administration as they are not required for the ongoing trading of the business.

Since the date of appointment, the lease to one of these properties has expired.

The Joint Administrators are currently in the process of investigating certain lease surrenders initiated prior to our appointment on these properties with a view to finalising them with the respective landlords. Furthermore, the Joint Administrators have offered a surrender of the remaining unoccupied properties to the landlords of these sites.

### *Cash in hand/transit*

At the date of appointment, the Companies' records indicated that there was a total of c £10.1m of cash in hand/transit, outlined below:

| Location                   | £m          |
|----------------------------|-------------|
| Barclays Merchant Services | 4.1         |
| American Express           | 0.2         |
| Cash collection agent      | 1.4         |
| Till floats / safe         | 1.1         |
| Cash at bank               | 3.3         |
| <b>Total</b>               | <b>10.1</b> |

Following the appointment of the Joint Administrators, BMS and Amex retained £4.1m and £0.2m respectively to seek to mitigate their chargeback risk relating to outstanding pre-appointment customer orders. Based on the Companies' records at the date of appointment, we anticipate that the value of reserves held by BMS and Amex are in excess of the total chargeback exposure. We are continuing to work with these parties to secure a release of surplus funds over and above the chargeback liability.

The Companies' records indicate that the cash collection agent, Loomis, held c £1.4m at the date of appointment. This amount has now been received by the Companies.

At the date of appointment the Joint Administrators' staff attended each of the Companies' trading stores and counted the till/safe floats, which together with Group records indicated a balance of c £1.1m at date of appointment. As the stores continue to trade we will only be able to accurately validate the floats once trading ceases and cash is banked.

The balance held in the Companies' Natwest bank account at the date of appointment has now been received into the Joint Administrators' bank account. A float of c £0.8m has been retained to ensure sufficient funds are maintained to service the Companies' stores with coin deliveries throughout the trading period. This reserve will be received on cessation of trade.

### *Intellectual property assets*

Discussions have been held and remain ongoing with a number of interested parties in respect of Focus DIY's intellectual property assets. These include the Focus name, other own brands and certain databases. Realisations from this source remain uncertain.

### *Debtors and prepayments collections*

The Companies' records indicated that debtors and prepayments totalled c £3.6m at the date of appointment.

To 10 June 2011 the Joint Administrators have recovered c £0.1m of this balance and further amounts of c £1.1m are estimated to be recoverable. Of the remaining balance, c £2.1m is

considered irrecoverable due to counterclaims, set offs, and non-delivered goods. Further work is ongoing in respect of the residual balance of c £0.3m.

The Joint Administrators and their staff are actively pursuing the collection of all debtors and reimbursement of prepayments where possible.

#### **Customer orders**

At the date of appointment there were c 10,000 customer orders outstanding with a retail value of c £3.0m per the Statement of Affairs. The Joint Administrators put a hold on all deliveries and collections of ordered goods pending the resolution of certain queries regarding who had title to such goods. Following legal advice regarding this matter, the Joint Administrators were able to release orders for collection subject to the goods being fully paid for, a valid receipt held by the customer and that the customer had been advised by the store that the goods were in stock and had been reserved for customer's collection.

On 7 May 2011 the Joint Administrators therefore started to release orders which met the above conditions. As at 11 June 2011 c 4,000 of these orders have been fulfilled and goods supplied to customers. As such, this has reduced potential non-preferential claims in this regard by £1.2m to an estimated £1.8m.

#### **Stock and retention of title**

At the date of appointment the Group had stock of c £87m at net book value. This was split £68m in stores and £19m at the DC.

The Group's stock was purchased and held by Focus DIY. Following the appointment of the Joint Administrators we have undertaken the process of assessing the extent, nature and validity of both ROT and other claims asserted by suppliers against Focus DIY. In doing so we have offered suppliers the opportunity to attend the Tamworth distribution centre to perform a sample stock count in order to gain comfort over the accuracy of stock records.

To date we have received information and claims from 154 suppliers who believe they may have a valid claim. The value of these claims is estimated at £54.6m. Ten claims have now been finalised at a cost of £6.8m for relinquishing a variety of rights. The remaining claims continue to be assessed.

#### **Fixtures and fittings**

Fixtures and fittings relate to store racking, IT equipment, and office furniture across the store network. The fixtures and fittings are typically more than three years old and given the recent retail environment which has resulted in many retail outlet closures, there is an influx of these items on the second hand market which is impairing value. This coupled with costs to collect, rent incurred to allow time to remove the items and agents costs to sell the items restricts the net realisable value. At this time we anticipate that the sale of fixtures and fittings will achieve net realisations of c £1.4m. This compares to the Directors' Statements of Affairs of £0.8m in Focus DIY and £0.2m in Do It All.

#### **Potential dividend**

The Joint Administrators expect that the Companies' first-ranking secured creditors, GMAC and BoS, will be paid the full amounts owed to them at the date of appointment. The second-ranking secured creditor, FLP3 Limited, is expected to face a significant shortfall in the amount owed to it at the date of appointment.

The Joint Administrators do not anticipate making any distribution to non-preferential creditors outside of the prescribed part, which is further discussed in Section 4 below.

#### **Employees**

At the date of appointment all employees (c 4,000) were employed by Focus DIY. Following the sale of the options described above to Wickes Building Supplies Limited and B&M Retail

Limited, 536 employees are expected to transfer to these purchasers under the Transfer of Undertakings (Protection of Employment) at the relevant transfer dates

During the trading period, 147 employees from the head office have been made redundant

#### ***Joint Administrators' receipts and payments***

A summary of the Joint Administrators' receipts and payments for the period from 5 May 2011 to 10 June 2011 is attached at Appendix D

#### ***Initial meeting of creditors***

The Joint Administrators are of the opinion that the Companies have insufficient property to enable a distribution to be made to non-preferential creditors other than by virtue of the prescribed part and consequently, in accordance with the provisions of paragraph 52(1) of Schedule B1 to the Act, they do not intend to call an initial creditors' meeting for any of the Companies

The Joint Administrators will be obliged to call an initial meeting of creditors if it is requested by creditors of an individual company whose debts amount to at least 10% of the total debts of that company. The request must be made within 8 business days of the date on which these proposals are sent out (or such longer period as the court may allow) and must be in the prescribed form. The creditor summoning the meeting must lodge with the Joint Administrators a deposit as security for the expenses of summoning and holding the meeting. Further information is provided in the covering letter accompanying these proposals

#### ***Future conduct of the Administrations***

The Joint Administrators will continue to deal with the Administrations in line with the objectives. Further tasks will include, but are not limited to

- ▶ Realisation of stock through continued trading of the business, including finalising all the trading liabilities
- ▶ Continuing the sale of business strategy to dispose of the remaining stores in the Group retail portfolio
- ▶ Handover of the stores to the purchasers of various options under the terms of the licences granted to occupy the stores
- ▶ Dealing with the larger property portfolio including lease assignments and landlord surrenders
- ▶ Realisation of all remaining assets where possible
- ▶ Completion of statutory requirements of the Administrations including reporting to creditors
- ▶ Preparing corporation tax returns and VAT returns
- ▶ Repayment of debts due to the secured lenders of the Group
- ▶ Dealing with the prescribed part
- ▶ Any other items which may be encountered

### **2.1.1 The end of the Administrations**

It is proposed that the end of the Administrations will be through either a creditors' voluntary liquidation or dissolution. Further details are provided below.

#### ***Creditors' Voluntary Liquidation***

It is proposed that, at the end of the Administrations, if any of the Companies have any property which might permit a distribution to its creditors, it will move straight into CVL upon the filing with the Registrar of Companies of a notice pursuant to paragraph 83 of Schedule B1 to the Act. It is proposed that the liquidators will be Simon Allport and Thomas Andrew Jack of Ernst & Young LLP and that any act required or authorised under any enactment to be done by the liquidators may be done by either or both of them. In accordance with paragraph 83(7) of Schedule B1 to the Act and Rule 2.117A(2)(b) of the Insolvency Rules 1986, creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of these proposals and before the proposals are approved. It should be noted in this regard that a person must be authorised to act as an insolvency practitioner in order to be appointed as liquidator.

#### ***Dissolution***

It is proposed that if at the end of the Administrations, the Companies have no property which might permit a distribution to their creditors, the Joint Administrators will send notices to that effect to the Registrar of Companies. On registration of the notices the Joint Administrators' appointments will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule B1 to the Act the Companies will be deemed to be dissolved three months after the registration of the notices.

### 3. Statements of Affairs

The Directors have submitted their Statements of Affairs for the Companies as at 5 May 2011. Summaries are attached at Appendix B. We would comment that a number of the asset values have yet to be determined and may be lower than indicated. Similarly, a number of creditor claims have yet to be quantified and may be higher than indicated. Additionally, the values are shown before applicable costs of realisation.

We include below a summary of our comments on the Directors' Statements of Affairs.

- ▶ The Statements of Affairs for Focus DIY and Do It All both include values for stock. However, from further investigations into the accounting treatment and discussions with management we have reason to believe that legal title may rest with Focus DIY. We are currently seeking to address this uncertainty with the assistance of our legal advisors.
- ▶ The debts due to the secured lenders (which the Directors estimate totals £246.3m before interest and charges applied) have not been apportioned between each of the six companies and have been applied in full against the fixed charge assets expected to be realised by each of the Companies. However, the debts due to the secured lenders far outweigh the estimated fixed and floating charge realisations, and therefore it is estimated that the only funds available for non-preferential creditors will be by virtue of the Prescribed Parts in Focus DIY and potentially Do It All.
- ▶ The Directors have also included in the Statements of Affairs an estimate for contingent claims in respect of landlords. These amounts serve as an estimate only and will be dependent upon the outcome of the property disposals within the retail store portfolio.
- ▶ The stock balance is shown net of estimated claims for ROT. Following the decision to continue to trade the stock will be sold in the normal course of business. It is anticipated trading will generate a profit, the quantum of which remains unknown, and is subject to ROT, utilities, salaries and all trading liabilities that will need to be finalised.
- ▶ In addition, the trade creditor balances are also shown net of the estimated ROT claims, and therefore the actual value of the trade creditor claims may increase if not all the estimated ROT claims are proven valid.
- ▶ Deposits paid in respect of customer orders of £3.0m are included within the Statements of Affairs. Following the release of stock to certain customers where their orders meet the criteria for release, the total value of these claims in the Administrations are estimated to reduce to c £1.8m.

We provide below, for information, an indication of the current position with regard to creditors' claims. The figures have been compiled by Companies' management and have not been subject to independent review or statutory audit.

#### **Secured creditors**

GMAC and BoS provided a revolving credit facility to the Group and are its first-ranking secured lenders. The total amounts owing to them across the Group as at 5 May 2011 is estimated to be c £32.4m. This is stated before the application of any relevant charges or fees.

A distribution of £28m has been made to the secured creditors and the Joint Administrators believe, based on current estimates of realisations in the Administrations, that both GMAC and BoS will be repaid in full the amounts owing to them at the date of appointment.

FLP3 Limited, the Group's second-ranking secured lender, had total amounts owing to it across the Group as at 5 May 2011 of £214.7m. This is stated before the application of any relevant charges or fees.

The Joint Administrators believe that following repayment of the secured debts owed to GMAC and BoS there will be sufficient realisations in the Administrations to allow a repayment distribution to FLP3 Limited, although the quantum remains unknown until the trading has concluded. The distribution to FLP3 Limited will be significantly less than the amounts owed to them at the date of appointment.

#### Preferential creditors

The Joint Administrators currently estimate preferential creditors of £1.7m, in respect of claims for employees' salaries, holiday pay and pension contributions. As the sole employer in the Group, these will all be against Focus DIY.

The Joint Administrators believe, based on current estimates of realisations in the Administrations, that preferential creditors will be repaid in full.

Preferential claims have been mitigated through the transfer of employees in a number of stores.

#### Non-preferential creditors

Non-preferential creditor claims continue to be submitted. The Directors' Statements of Affairs estimates that total non-preferential claims for Focus DIY Limited and Do It All Limited will be in the region of £821m.

This estimate is made up of the following:

| Non-preferential creditor claims          | £'000 (Focus DIY) | £'000 (Do It All) |
|---|-------------------|-------------------|
| Non-preferential trade creditors          | 61,423            | 0                 |
| Non-preferential non-trade accounts       | 223,133           | 102,121           |
| Non-preferential amounts due to customers | 3,026             | 0                 |
| Non-preferential employee claims          | 15,573            | n/a               |
| Intra-group creditors                     | 346,588           | 68,387            |
| <b>Total</b>                              | <b>650,043</b>    | <b>171,108</b>    |

The Directors' Statements of Affairs for the other four companies estimate that total non-preferential claims will be as follows:

| Company                         | £000s      | Details   |
|---------------------------------|------------|---|
| Focus DIY (Investments) Limited | £1,104,009 | Relating to, intercompany balances and accruals |
| Do It All Holdings Limited      | £7,027     | Landlords                                       |
| Payless DIY Limited             | £15,371    | Landlords                                       |
| Payless Properties Limited      | £3,260     | Landlords                                       |

A full breakdown of the outstanding creditor balances at the date of appointment is included in the Directors' Statements of Affairs at Appendix B.

## 4. Prescribed part

The prescribed part is a proportion of floating charge assets set aside for non-preferential creditors pursuant to section 176A of the Act. The prescribed part applies to floating charges created on or after 15 September 2003.

### **Focus DIY**

The Joint Administrators, to the best of their knowledge and belief, estimate that the value of the prescribed part set aside in Focus DIY will be the maximum of £600,000, before the costs of dealing with the prescribed part.

### **Do It All**

The value of the prescribed part in Do It All is currently uncertain whilst the matter of the ownership of stock between Focus DIY and Do It All is clarified. The result of this may materially increase the floating charge realisations in Do It All, and therefore the value of the prescribed part.

### **Investments**

The value of the prescribed part in Investments is estimated to be £nil.

### **Holdings**

The value of the prescribed part in Holdings is estimated to be £nil.

### **Payless DIY**

The value of the prescribed part in Payless DIY is estimated to be £nil.

### **Payless Properties**

The value of the prescribed part in Payless Properties is estimated to be £nil.

The Joint Administrators intend to make an application to the Court, under section 176A(5) of the Act for an order not to distribute the prescribed part in Focus DIY on the grounds that the cost of making a distribution to non-preferential creditors would be disproportionate to the benefits. This is due to the number and amount of non-preferential claims against Focus DIY, estimated at approximately c 14,000 claims with a value of £650m, giving a potential distribution of less than one pence in the pound.

## 5. Joint Administrators' remuneration and disbursements and payments to other professionals

### Remuneration

The statutory provisions relating to remuneration are set out in Rule 2.106 of the Insolvency Rules 1986. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Insolvency Practitioners Association at <http://www.insolvency-practitioners.org.uk> (follow 'Regulation and Guidance' then 'Creditors' Guides to Fees'), or is available in hard copy upon written request to the Joint Administrators.

In the event that creditors' meetings are not requisitioned and creditors' committees are not formed, the Joint Administrators will seek to have their remuneration fixed by the secured creditor(s) and if the Joint Administrators have made or intend to make a distribution to preferential creditors, the preferential creditors in accordance with Rule 2.106(5A) of the Rules. The Joint Administrators will ask for their remuneration to be fixed on the basis of time properly given by them and their staff in dealing with matters arising in the Administration.

Attached at Appendix C is a detailed analysis of time spent and charge out rates, for each grade of staff for the various areas of work carried out to 10 June 2011, as required by the Association of Business Recovery Professionals' Statement of Insolvency Practice No. 9.

### Disbursements

Appendix C also includes a statement of the Joint Administrators' policy for charging disbursements. In the event that creditors' meetings are not requisitioned and creditors' committees are not formed, the Joint Administrators will seek the approval of the secured creditor(s) and preferential creditors to charge Category 2 disbursements.

### Payments to other professionals

The Joint Administrators have engaged the following other professionals to assist them. They were chosen on the basis of their experience in similar assignments and due to their extensive retained knowledge relating to the Group.

| Name of firm        | Nature of service | How contracted to be paid  |
|---------------------|-------------------|----------------------------|
| DLA Piper LLP       | Legal advice      | Time cost basis            |
| Ashurst LLP         | Legal advice      | Time cost basis            |
| Knight Frank        | Asset valuations  | Time cost basis            |
| Gordon Brothers     | Trading agents    | Percentage of realisations |
| King Sturge         | Business Rates    | Percentage of realisations |
| Harvey Spack Fields | Property          | Percentage of realisations |

Details of the fees paid to date are included in the receipts and payments account attached at Appendix D. As at 10 June 2011, £45,000 has been paid in fees to our property advisors.

## Appendix A Statutory information

### Company Information

|                           |  |
|---------------------------|--|
| Company name              | Focus (DIY) Limited (In Administration)  |
| Registered office address | 100 Barbirolli Square<br>Manchester<br>M2 3EY  |
| Registered number         | 01779190   |
| Previous name(s)          | Focus Do It All Limited<br>Focus DIY Limited<br>Choice DIY Limited<br>Finesmooth Limited |
| Trading address(es)       | Gasworth House<br>Westmere Drive<br>Crewe<br>Cheshire<br>CW1 6XB                         |

### Details of the Joint Administrators and of their appointment:

|                      |  |
|----------------------|--|
| Joint Administrators | S Allport, T A Jack and A M Hudson   |
| Date of appointment  | 5 May 2011   |
| By whom appointed    | The appointment was made by GMAC Commercial Finance Limited, a qualifying floating charge holder |
| Court reference      | High Court of Justice 642 of 2011  |

Any of the functions to be performed or powers exercisable by the Joint Administrators may be carried out/exercised by any one of them acting alone or by any or all of them acting jointly

### Statement concerning the EC Regulation

The EC Council Regulation on Insolvency Proceedings does apply to this Administration and the proceedings are main proceedings. This means that this Administration is conducted according to UK insolvency legislation and is not governed by the insolvency law of any other European Union Member State

### Share capital

| Class    | Number      | Authorised |   | Issued and fully paid |            |
|----------|-------------|------------|---|-----------------------|------------|
|          |             | £          | £ | Number                | £          |
| Ordinary | 287,425 000 | 28,742,500 |   | 287 425,000           | 28,742,500 |

### Directors and secretary and their shareholdings

| Name                      | Director or Secretary | Date appointed    | Date resigned | Current shareholding |
|---------------------------|-----------------------|-------------------|---------------|----------------------|
| Dawn Michelle Wilkinson   | Secretary             | 17 September 2008 | n/a           | n/a                  |

**Notes to accompany Focus DIY Limited – Statement of Affairs**

The Statement of Affairs for Focus DIY Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

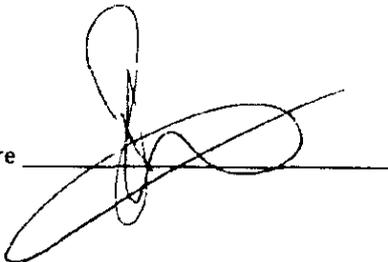

At the date of appointment it was estimated that lease premiums had a total value of £22.4 million based upon historic appraisals and negotiations with third parties, however it is understood that following the appointment of the administrators this class of asset has been realised in part for a further £27.7 million.

Trade creditors as per the Statement of Affairs are shown net of estimated claims for Retention of Title which has also been adjusted in the stock figure.

Landlord claims have been estimated based upon annual rent, service charges, insurance and provision for dilapidations over the remaining term of the lease.

Pension scheme liability as per the Statement of Affairs is estimated on the basis set out in s75 Pension Act 1995 as at 31 May 2009.

**Notes to accompany Focus DIY Investments Limited – Statement of Affairs**

The Statement of Affairs for Focus DIY Investments Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

**Notes to accompany Do it All Limited – Statement of Affairs**

The Statement of Affairs for Do It All Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

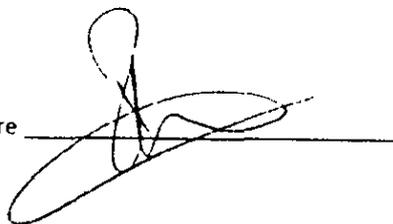

At the date of appointment it was estimated that lease premiums had a total value of £2.8 million based upon historic appraisals and negotiations with third parties, however it is understood that following the appointment of the administrators this class of asset has been realised in part for a further £2.5 million.

Trade creditors as per the Statement of Affairs are shown net of estimated claims for Retention of Title which has also been adjusted in the stock figure.

Landlord claims have been estimated based upon annual rent, service charges, insurance and provision for dilapidations over the remaining term of the lease.

Pension scheme liability as per the Statement of Affairs is estimated on the basis set out in s75 Pension Act 1995 as at 31 May 2009.

**Notes to accompany Do It All Holdings Limited – Statement of Affairs**

The Statement of Affairs for Do It All Holdings Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

**Notes to accompany Payless DIY Limited – Statement of Affairs**

The Statement of Affairs for Payless DIY Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

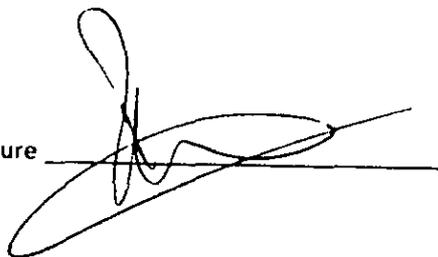

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

It is estimated that the lease premiums have a value of £36,000 based upon historic appraisals.

Landlord claims have been estimated based upon annual rent, service charges, insurance and provision for dilapidations over the remaining term of the lease.

**Notes to accompany Payless Properties Limited – Statement of Affairs**

The Statement of Affairs for Payless Properties Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

## Appendix C Statement on Joint Administrators' charging policy for remuneration and disbursements pursuant to Statement of Insolvency Practice No. 9

### Charging and disbursement policy

#### *Joint Administrator's charging policy for remuneration*

The Joint Administrators have engaged managers and other staff to work on the Administrations. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by accounting and treasury executives dealing with the Companies' bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Administrators.

All time spent by staff working directly on case-related matters is charged to a time code established for the cases. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown below, as are the current hourly rates used.

A table of current charge out rates is included below.

| Current charge out rates                   | Grade              | Effective from 1 July 2010 |

### Joint Administrators' charging policy for disbursements

Statement of Insolvency Practice No. 9 divides disbursements into two categories

Category 1 disbursements are defined as specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. Such disbursements can be paid from the insolvent's assets without approval from the Creditors' Committee or the general body of creditors. In line with Statement of Insolvency Practice No. 9, it is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn.

To 10 June 2011 £9,914 has been incurred with regards to Category 1 expenses and £nil has been drawn.

Category 2 disbursements are charges made by the office holder's firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such disbursements are subject to approval as if they were remuneration.

It is our policy, in line with the Statement, to seek approval for Category 2 disbursements before they are drawn. To date, the following Category 2 expenses have been incurred. It is proposed that Joint Administrators be permitted to draw these expenses.

| Nature of expense    | Amount – £ | Basis of charge  |
|----------------------|------------|--|
| Mileage – firm's car | 842.07     | Mileage is charged at 14p per mile                                       |
| Mileage – own car    | 8,223.00   | Mileage is charged at 40p per mile                                       |
| Photocopying         | 6,231.75   | At 2.8p per sheet for bulk copying (such as circulars to creditors) only |
