## Directors' report for the year ended 31 December 1995

The directors present their report and the audited financial statements for the year ended 31 December 1995.

#### Principal activities

The principal activities of the company are temperature controlled storage and distribution and dry goods warehousing.

#### **Review of business**

The profit and loss account for the year is set out on page 6.

The directors are pleased to report a satisfactory year's trading. The company's year end financial position was satisfactory and the directors expect that the present level of activity will be sustained for the foreseeable future.

#### Dividends and transfers to reserves

The directors recommend a final ordinary dividend of £1,389,000 for the year ended 31 December 1995.

After payment of the above dividend the retained profit for the financial year of £694,961 will be transferred to reserves.

### Changes in fixed assets

Significant changes in fixed assets during the year are set out in notes 10 and 11 to the financial statements.

#### **Directors**

The directors of the company at 31 December 1995, all of whom have been directors for the whole of the year ended on that date, except as detailed below, are listed on page 1.

Mr D M Nurse retired from his position as a director on 31 March 1995.

Mr A P J Dodd was appointed as a director on 1 January 1995.

#### **Directors' interests**

Mr D Bowley is a director of Linton Park plc and his interest in shares and loan stock of other group companies is shown in the Directors' Report of that company. None of the other directors who held office at the end of the year had any interest in the shares of the company, or other group companies as recorded in the Registrar of Directors' Interests.

#### **Insurance of directors**

The company maintains insurance for the directors in respect of their duties as directors of the company.

#### **Employees**

The company's policy is to consult and discuss with employees matters likely to affect their interests.

The company's policy is to recruit disabled workers for those vacancies that they are able to fill and to give them such training as is appropriate.

#### **Taxation status**

The company was not a close company within the provisions of the Income and Corporation Taxes Act 1988 and this position has not changed since the end of the financial year.

#### **Auditors**

A resolution to reappoint the auditors, Coopers & Lybrand, will be proposed at the annual general meeting.

By order of the board

G S G Brown

**Company Secretary**

## Statement of directors' responsibilities

The directors are required by UK company law to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period.

The directors confirm that suitable accounting policies have been used and applied consistently and reasonable and prudent judgements and estimates have been made in the preparation of the financial statements for the year ended 31 December 1995. The directors also confirm that applicable accounting standards have been followed and that the statements have been prepared on the going concern basis.

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board

G S G Brown Company Secretary

24 April 1996

## Report of the auditors to the members of Associated Cold Stores and Transport Limited

We have audited the financial statements on pages 6 to 18.

#### Respective responsibilities of directors and auditors

As described on page 4 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

# Notes to the financial statements for the year ended 31 December 1995

#### 1 Principal accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

#### Basis of accounting

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain freehold and leasehold properties.

#### Cash flow statement

During the year the company was a wholly owned sub-subsidiary of Linton Park plc which publishes consolidated financial statements. Consequently, the company is exempt under the terms of Financial Reporting Standard Number 1 from publishing its own cash flow statement.

#### Turnover

Turnover represents amounts received and receivable for goods and services supplied to customers during the year, excluding value added tax.

#### Tangible fixed assets

Depreciation of tangible fixed assets is charged on a straight line basis so as to write off the cost or valuation of the assets, less any residual value, over their expected useful lives, which are as follows:

| Freehold buildings        | 10 - 35 years   |
|---------------------------|-----------------|
| Long leasehold buildings  | period of lease |
| Short leasehold buildings | period of lease |
| Plant and equipment       | 4 - 30 years    |
| Motor vehicles            | 4 - 10 years    |

Freehold land is not depreciated.

#### Finance and operating leases

Costs in respect of operating leases are charged on a straight line basis over the lease term.

Leasing agreements which transfer to the company substantially all the benefits and risks of ownership of an asset are treated as if the asset had been purchased outright. The assets are included in fixed assets and the capital element of the leasing commitments is shown as obligations under hire purchase contracts. The lease rentals are treated as consisting of capital and interest elements. The capital element is applied to reduce the outstanding obligations and the interest element is charged against profit in proportion to the reducing capital element outstanding. Assets held under hire purchase contracts are depreciated over the useful lives of equivalent owned assets.

## 1 Principal accounting policies (continued)

#### **Stocks**

Stocks are stated at the lower of cost and net realisable value. Where necessary, provision has been made for obsolete and slow moving items.

#### Foreign currency

Assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the year end. Profits and losses on exchange are credited or charged directly to the profit and loss account.

#### **Deferred taxation**

Deferred taxation is provided, using the liability method, on all timing differences arising from the treatment of certain items for accounting and taxation purposes. Provision is only made where these differences are expected to reverse in the foreseeable future.

#### **Pension costs**

The cost of providing pensions is charged to the profit and loss account systematically over the periods benefitting from the employees' services in accordance with Statement of Standard Accounting Practice Number 24. Pension arrangements are detailed in note 17.

#### 5 Exceptional items

An exceptional profit of £176,313 arose during 1995, following the disposal of two of the company's properties. The exceptional profit had no impact on the 1995 taxation charge. In addition, a provision has been made of £200,000 which it is anticipated will be required on the disposal of a leasehold property. The taxation charge for the year was reduced by £66,000 as a consequence of this provision.

#### 17 Pensions

The company participates in the group pension schemes operated by Associated Fisheries plc and funded by contributions from members and from the company. One scheme is of the defined benefit type and its assets are held in a separate trustee administered fund. The fund is valued every three years by a professionally qualified independent actuary, the rates of contribution payable being determined by the actuary. In the intervening years the actuary reviews the continuing appropriateness of the rates. The latest actuarial assessment of the scheme was at 30 June 1994. Particulars of the valuation are contained in the financial statements of Linton Park plc.

The other scheme is a defined contribution scheme. This scheme has an independently administered fund and contributions are charged to the profit and loss account when payable.

The total cost for the company in the year ended 31 December 1995 was £227, 149 (1994: £231, 731).

There were no outstanding or prepaid contributions at either the beginning or end of the financial year in respect of either scheme.
