SUMMER FIELDS SCHOOL TRUST LIMITED**REPORT OF THE BOARD OF GOVERNORS**

The board of governors present their annual report and the audited accounts for the year ended 31 August 2000.

Status and administration

The school is a company incorporated on 12 August 1955 registration number 553243, and is a registered charity number 309683.

The company is limited by guarantee having no share capital, and in the event of the company being wound up the liability of each governor is limited to one pound.

Objects

The object is the education of boys up to 13. The school is principally a boarding school, for boys from 7 to 13, educating them to a high standard so preparing them to move to a senior school.

Organisation

The governors determine the general policy of the school. The day to day management of the school is delegated to the Headmaster and the Bursar.

Policy

The school's policy is to attain high academic levels whilst allowing pupils to benefit from a broad extra-curricular programme. This aims to develop a variety of interests and prepare them for the senior school of their own and their parents' choice.

Review

There are currently 255 pupils in the School, of whom 246 are boarders and 9 day boys

There is a full range of extra curricular activities, with particular emphasis on sports, music, art and drama.

There are future plans for the redevelopment of boarding facilities at the school.

Financial Results

The school continued to operate successfully and recorded a surplus for the year of £221,138 (1999 £225,500) after including donations of £15,681 (1999: £20,019), on fee income of £2.9m (1999 £2.7m). The governors consider that the results are satisfactory and anticipate similar results in the current year.

SUMMER FIELDS SCHOOL TRUST LIMITED**REPORT OF THE BOARD OF GOVERNORS
(CONTINUED)****Investment Powers**

The school's investment powers are governed by the Memorandum of Association of the company. These permit funds to be invested in or upon such investments, securities or property as may be thought appropriate.

Fixed assets

The movements in fixed assets are shown in note 6 to the accounts. In the opinion of the governors the market value of the school's freehold land and buildings is considerably in excess of book value. All the fixed assets owned by the company are held for the purposes of the school.

Reserves

The governors review the endowment, restricted and designated reserves regularly. The movements in reserves are shown in note 12 to the accounts. The governors are satisfied that the assets attributable to each reserve are sufficient to meet their obligations.

Trading company

The company owns the whole of a trading subsidiary, Summertown Sport Enterprises Limited, whose principal activity is the construction and management of sports facilities. The taxable profits of Summertown Sport Enterprises Limited are covenanted to the school.

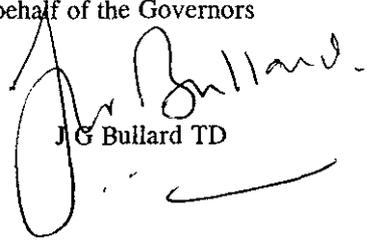

Associated charity

The school has an associated charity, The Maclaren Trust, whose ultimate objective is the advancement of education generally in schools. The trustees are fund-raising to achieve a level where bursaries and remissions can be provided to the school.

Auditors

A resolution to re-appoint Critchleys as auditors will be proposed at the Annual General Meeting.

SUMMER FIELDS SCHOOL TRUST LIMITED**STATEMENT OF GOVERNORS' RESPONSIBILITIES**

Company law requires the governors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the results of the company for that year. In preparing those accounts, the governors are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; and prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The governors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT
TO THE MEMBERS OF SUMMER FIELDS SCHOOL TRUST LIMITED

We have audited the accounts on pages 5 to 16.

Respective responsibilities of governors and auditors

As described on page 3, the company's governors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

Basis of opinion

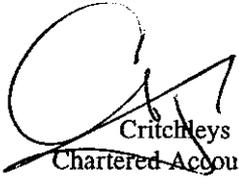

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the governors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the charitable company at 31 August 2000 and of its incoming resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

SUMMER FIELDS SCHOOL TRUST LIMITED

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2000

1 ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the company's accounts:

a) Basis of accounting

The accounts are prepared under the historical cost convention and in compliance with applicable accounting standards. The accounts comply with the Statement of Recommended Practice "Accounting by Charities".

b) Turnover

Turnover comprises the value of goods supplied and services provided to third parties and is exclusive of value added tax.

c) Tangible fixed assets and depreciation

Tangible fixed assets are stated at historical cost less depreciation. Depreciation is provided using the straight line basis at rates which reflect the anticipated useful lives of the assets and their estimated residual values.

Freehold land	NIL
Freehold buildings	2.5%
Plant and machinery	20-25%
Fixtures and fittings	10%
Motor vehicles	25%

d) Stocks

Stocks are valued at the lower of cost and net realisable value.

e) Pension costs

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company, in an independently administered fund. The pension cost charge represents contributions by the company to the fund, which are recognised when they become payable.

f) Investments

The Statement of Recommended Practice "Accounting by Charities" requires charities to re-value investments to market value. However the company holds investments to match prepaid fees liabilities, and makes provision to ensure that on redemption their carrying value is equal to the market value.

Income deriving from investments is accounted for on a receivable basis and is recognised through the statement of financial activities.

g) Donations

Donations are reflected in the statement of financial activities on a receipts basis.
