NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2015

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the company and available sources of finance.

Turnover

Turnover represents income from listed investments.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
