Independent auditor's report to the members of BE International Foods Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or in to whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 2003 and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2003

1 ACCOUNTING POLICIES

(1) Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Companies Act 1985 and applicable accounting standards. The principal accounting policies are set out below.

(2) Investments

Investments are stated at the lower of cost and, if permanently lower, directors' valuation.

(3) Cash flow statement and related party disclosures

The company is a wholly owned subsidiary of Groupe Danone SA and is included in the consolidated financial statements of Groupe Danone SA that are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (Revised 1996).

The company is also exempt under the terms of Financial Reporting Standard 8 from disclosing related party transactions (but not balances) with entities that are part of the Groupe Danone SA group or investees of the Groupe Danone SA group. (See note 10)

(4) Consolidated financial statements

In accordance with section 228 of the Companies Act 1985, the company has not prepared consolidated financial statements as its results are included in the consolidated financial statements of its ultimate parent company, Groupe Danone, a company incorporated in France (See note 10). (5) Accounting for investment income

Foreign dividend income is reported as the amount receivable gross of withholding tax but net of underlying tax.

BE INTERNATIONAL FOODS LIMITED

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2003 (CONTINUED)

(6) Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

(7) Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future, or a right to pay less tax in the future have occurred at the balance sheet date.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rate that is expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets and liabilities recognised have not been discounted.
