NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2006

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Freehold	- Over 50 years
Land and buildings Leasehold	- Over 50 years
Plant and machinery	- Over 6 years
Fixtures, fittings & equipment	- 10% pa Reducing balance
Motor vehicles	- 25% pa Reducing balance

1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value

1.6 Stock

Stock is valued at the lower of cost and net realisable value

1.7 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable

1.8 Deferred taxation

The accounting policy in respect of deferred tax has been changed to reflect the requirements of FRS19 - Deferred tax. Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted

The above amounts to a change in accounting policy. The previous policy was to provide deferred tax only to the extent that it was probable that liabilities would crystallise in the foreseeable future. The adoption of the standard requires a prior period adjustment to be made to recognise the adjusted liability which existed at the start of the financial year and to exclude the deferred tax liability of the subsidiary which is recognised in the subsidiary's accounts. This has decreased the deferred tax liability and increased the retained profits by £ 96,506

1.9 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a medium-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.
