2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

The total turnover of the company for the year has been derived from its principal activity of the management of its properties, wholly undertaken in the UK.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Tangible assets

Tangible assets are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

J.C. Payne Engineering Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 December 2020

Asset class	Depreciation method and rate
Plant and machinery	20% reducing balance

Investment property

Investment properties are included at fair value. The valuation of investment properties is considered annually by the directors and revalued whenever their carrying amounts are likely to differ materially from their fair value. Changes in fair value are recognised in profit or loss. No depreciation is provided in respect of investment properties.

Defined contribution pension obligation

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
