Notes forming part of the financial statements for the year ended 31 December 2017

1 Accounting policies

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost convention.

The company has taken advantage of the transition exemption conferred by Financial Reporting Standard 102 Section 35 'Transition to FRS 102' to continue to prepare its financial statements under United Kingdom Generally Accepted Accounting Practices and not to prepare financial statements under the new Financial Reporting Standard 102, on the grounds that dormant companies may retain their accounting policies for measurement of assets, liabilities and equity until the balances change or the company undertakes any new transactions.

Going concern

The ultimate parent company, Carter Thermal Industries Limited, has undertaken to provide such financial support as is required for the period of one year from the signing of the financial statements. The company shares common directors and are satisfied that this company has the financial resources to provide the required support.

Accordingly, the directors have adopted the going concern basis in preparing the annual report and accounts.
