Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the unaudited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. - state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.3 Going concern

After making due enquiries the directors have a reasonable expectation that the Company has adequate resources to continue operational existence for the foreseeable future, and therefore continue to adopt the going concern basis in preparing the accounts.

2.4 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment.

3. Judgments in applying accounting policies and key sources of estimation uncertainty

The Company makes certain estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. In the future, actual experience may differ from these estimates and assumptions. The only estimate and assumptions that has a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is discussed below.

(a) Impairment of investments

The Company is required to test for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. The recoverable amount is determined based on value in use calculations. The use of this method requires the estimation of future cash flows and the choice of a discount rate in order to calculate the present value of the cash flows. An impairment test was carried out in 2022 and no investments were found to be impaired.

4. Employees and directors

The company has no employees (2021: NIL). The directors received no emoluments or fees in respect of qualifying services to the Company, nor did they have any retirement benefits accruing to them under defined benefit pension schemes (2021: £NIL).
