Strategic Report for the Year Ended 29 February 2020

The directors present their strategic report for the year ended 29 February 2020.

#### **REVIEW OF BUSINESS**

We aim to present a balanced and comprehensive review of the development and performance of our business during the year and its position at the year end. Our review is consistent with the size and non-complex nature of our business and is written in the context of the risks and uncertainties we face.

As a farming business largely based in poultry, the company continues to provide hatching eggs. This along with the company's other main activities are organized in the the following three enterprises:-

Poultry Cereals and Crops Apples and Blackeurrants

We consider that our key financial performance indicators are those that communicate the financial performance and strength of the company as a whole, these being turnover, gross margin and return on capital employed.

The turnover of the company by departments was as follows:

	2020	2019
	£ 's	£ 's
Poultry	7,622	7,050
Cereals and Crops	314	266
Apples and Blackcurrants	380	317
Miscellaneous sales	38	22
	8,354	7,655

Overall operating profit has increased to £1,080,508 (13%) from £748,323 (9.8% 2019) and profit before tax to £1,126,565 (£793,733 - 2019). Return on capital employed has increased to 9.8% (9% 2019).

#### PRINCIPAL RISKS AND UNCERTAINTIES

With the prospect of Brexit and the ongoing consequences of the global pandemic together with the current economy uncertainties and risks in mind, we are aware that any plans for the future development of the business may be subject to unforeseen future events outside our control.

#### ON BEHALF OF THE BOARD:

R G U Corbett - Director

14 January 2021

Report of the Directors for the Year Ended 29 February 2020

The directors present their report with the financial statements of the company for the year ended 29 February 2020.

#### DIVIDENDS

Dividends totalling £300,000 were paid during the year ended 29th February 2020 in relation to the previous financial year.

The directors recommended dividends per share as follows to be paid during the year ended 28th February 2021 in relation to the year ended 29th February 2020:-

'A' Ordinary £1 shares NIL
'B' Ordinary £1 shares £7.40

The total dividends for the year ended 29th February 2020 payable in the following financial year, are £300,000.

#### DIRECTORS

The directors shown below have held office during the whole of the period from 1 March 2019 to the date of this report.

Mrs P Corbett R G U Corbett Mrs P A Corbett Mrs S C Hudson R S Gwilliam

## STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Report of the Directors for the Year Ended 29 February 2020

# **AUDITORS**

The auditors, A D Accounts Limited (Registered Auditors), will be proposed for re-appointment at the forthcoming Annual General Meeting.

# ON BEHALF OF THE BOARD:

R G U Corbett - Director

14 January 2021

#### **Opinion**

We have audited the financial statements of Corbett Farms Limited (the 'company') for the year ended 29 February 2020 which comprise the Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 29 February 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Allan James Davies F.C.C.A. (Senior Statutory Auditor) for and on behalf of A D Accounts Limited (Registered Auditors) Rural Enterprise Centre Vincent Carey Road Rotherwas Hereford Herefordshire HR2 6FE

The notes form part of these financial statements

Notes to the Financial Statements for the Year Ended 29 February 2020

#### 1. STATUTORY INFORMATION

Corbett Farms Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods.

Turnover from the sale of eggs and other goods is recognised when the significant risks and rewards of the ownership of them has transferred to the buyer. For the sale of eggs, this is usually at the point of hatching. For the sale of other goods, this is usually at the point that the customer has signed for the delivery of the goods.

### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property - 4% on cost

Improvements to property - 16.67% per annum of net book value

Plant and machinery - 10% on cost

#### Stocks

Stock is valued using various methods that are intended to estimate the value at the lower of cost or net realisable value, after making due allowances for obsolete and slow moving items. In respect of livestock an estimate of the current cost less provision for reduction in market value is used.

#### Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Page 12 continued...

### 2. ACCOUNTING POLICIES - continued

#### Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

# Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

#### Financial instruments

Financial instruments are classified and accounted for according to the substance of the contractual arrangement. They are classified as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### 3. TURNOVER

	The analysis of turnover by activity is as follows:	-0-0	2010
		2020 £	2019 £
	Sale of goods	8,353,774	7,655,097
