1. SUMMARY OF EVENTS

Key Messages	Commentary
<p>Progress of the liquidations during the report period</p>	<ul style="list-style-type: none"> • The matters completed during the report period include mandatory liquidation tasks such as statutory advertising, filings at Companies House, notifications of the liquidations and obtaining clearances/searches from HM Land Registry and the Pension Tracing Service. In addition, a six monthly case review in respect of the Companies was also completed. • The Liquidators liaised with the internal Babcock Group Tax team, the Deloitte Tax team and HM Revenue & Customs ("HMRC") with regard to the submission of outstanding tax returns and requests for clearances from HMRC in respect of Corporation Tax, VAT and PAYE/NIC. Corporation tax clearance has been received for all the Companies; BIL Solutions Limited and INS Innovation Limited on 17 November 2020, 2019 S&H Limited and Scimco Limited on 4 January 2021. Clearance in relation to VAT and PAYE/NIC is outstanding. • The Liquidators have been notified that the Companies are joint and severally liable for VAT liabilities which had arisen due to a delay in the removal of the Companies from their respective VAT groups by the Babcock Group Tax team. Babcock International Group PLC have confirmed that it will settle any liabilities that fall due in this respect as the liabilities relate to other companies in the Babcock Group and not the Companies in liquidation included in this report. No other creditors' claims were notified to the Liquidators in respect of any of the Companies. • The Liquidators provided HMRC with notice of the closure of the above liquidations where tax clearance in respect of VAT and PAYE/NIC matters had not been received in response to requests. This notice was served on 16 December 2020 and expired on 6 January 2021. We understand the relevant department issuing clearances in respect of PAYE/NIC and VAT have been redeployed to Covid-19 related matters for a prolonged period during the liquidation. This approach was agreed with the client on the basis that the Companies had been dormant for some time and had no employees. • Due to the nature of the VAT liabilities and the lack of information or engagement from HMRC it is considered prudent to continue to attempt to engage with HMRC to release the Companies from the respective VAT groups. As such no steps have currently been taken to conclude the liquidations despite the expiry of the creditor notice referred to above. • All costs, including our remuneration, were met by Babcock Holdings Limited ("Babcock"). • There have been no receipts or payments in any of the Companies during the period.

Costs	<ul style="list-style-type: none"> • Our remuneration has been fixed by the member of each company on a time-cost basis, and, as there are no funds in any of the liquidation estates, are being met by Babcock. • As part of our agreement with Babcock, we have agreed a fee of £4,000 for each liquidation, excluding VAT and disbursements, which are being billed as part of a wider corporate simplification project by agreement with Babcock.
Outstanding matters	<ul style="list-style-type: none"> • Resolution of the VAT liability position. • Statutory closing procedures.
Distributions made during the period	<ul style="list-style-type: none"> • No distributions were made to the members of any of the Companies during the report period.
Future distributions and closure	<ul style="list-style-type: none"> • Deloitte LLP have recently been appointed as Babcock's auditors and as such the current Liquidators will be unable to continue to act in respect of the Companies. Their resignations and the appointment of alternative liquidators will be progressed before the end of January 2021. • It is anticipated that a final distribution of the remaining assets and closure of the liquidations of all Companies will occur within the next 6 months once the VAT liability position has been dealt with.

2. LIQUIDATORS' RECEIPTS AND PAYMENTS ACCOUNT

2.1 Receipts and Payments

There have been no transactions during the report period for any of the Companies from 31 December 2019 to 30 December 2020, as evidenced at Appendix 1.

2.2 Liquidators' Remuneration

Our fees were fixed by the respective member of each of the Companies on a time-cost basis, and, as there are no funds in any of the liquidation estates, the fees are being met by Babcock. As part of our agreement with Babcock, in respect of a wider entity elimination project, we agreed a fee of £4,000 plus disbursements and VAT per company for each liquidation. A final invoice will be raised prior to the transfer of the liquidations to the succeeding liquidator in respect of the entire project.

2.3 Liquidators' Costs and Disbursements

Details of all disbursements incurred during the period of the liquidations are given below, from which it can be seen that we have recovered our disbursements in full. Costs and disbursements have also been met by Babcock.

Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.
