#### **DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **CLOSE COMPANY**

The company is a close company as defined by the Income and Corporation Taxes Act 1988.

#### **AUDITORS**

The auditors, Morison Stoneham, are willing to be reappointed in accordance with section 385 of the Companies Act 1985.

## AUDITORS' REPORT TO THE SHAREHOLDERS OF BRONTE PROPERTIES LIMITED

We have audited the financial statements on pages 4 to 11 which have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and the accounting policies set out in note 1 to the financial statements.

#### Respective responsibilities of directors and auditors

As described in the Directors' Report the company's directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 1997 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 1997

#### 1.1 BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention modified to include the revaluation of freehold land and buildings.

#### 1.2 INVESTMENT PROPERTIES

The directors consider that this accounting policy results in the financial statements giving a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

#### 1.3 DEFERRED TAXATION

Deferred taxation is provided where there is a reasonable probability of the amount becoming payable in the foreseeable future.
