## AUDITORS' REPORT

TO THE MEMBERS OF GEC-MARCONI AVIONICS OVERSEAS LIMITED

We have audited the financial statements on pages 5 to 9 which have been prepared under the accounting policies set out on page 9.

### Respective responsibilities of Directors and auditors

The Directors are required by the Companies Act 1985 to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss for the financial year and to state whether the accounts have been prepared in accordance with applicable accounting standards.

The Directors are responsible for ensuring that the Company keeps accounting records which disclose with reasonable accuracy the financial position of the Company and which enable them to ensure that the financial statements comply with the Companies Act 1985.

The Directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

It is our responsibility as auditors to form an independent opinion, based on our audit, on the financial statements and to report our opinion to you.

### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 31 March 1995 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
