Directors' report

The Directors present their annual report and the unaudited financial statements of Thames Water Products Overseas Limited ("the Company") for the year ended 31 March 2017. The Directors consider that the annual report and financial statements, taken as a whole, is fair, balanced and understandable, and provides the information necessary for shareholders to assess the Company's performance and strategy.

The Directors have exercised exemption under section 414B(b) of the Companies Act 2006 from the requirements to prepare a strategic report on the grounds that, other than being part of an ineligible group, the Company is otherwise entitled to apply the small companies' regime.

The registered number of the Company is 00724065.

Directors

The Directors who held office during the year ended 31 March 2017 and to the date of this report were:

D Hughes
Thames Water Nominees Limited

Review of business

The Company has not traded during the current or preceding financial year. During these years the Company has received no income and incurred no expenditure, and consequently has made neither profit nor loss in either year. Consequently the Directors have determined that the net assets or liabilities are the most appropriate key performance indicator of an understanding of the development and position of the Company. As at 31 March 2017 the Company had net liabilities of £22,198,802 (2016: £22,198,802) which is in line with expectations. The carrying value of the Company's investment in its direct subsidiary has been reviewed and the Directors have concluded that no impairment of the carrying value is required. On this basis, the Directors have no concerns regarding the performance or position of the Company.

Future outlook

The Company has been dormant, as defined in section 480 of the Companies Act 2006, throughout the current and preceding financial year. It is not currently anticipated that the Company will trade in the future.

Dividends

The Company has paid no dividends during either the current or preceding financial year and the Directors do not recommend the payment of a final dividend (2016: £nil).

Financial risk management

Based on the nature of the Company and its lack of any trading or financing operations, the Company is not deemed to be exposed to any significant risks or uncertainties other than credit risk. Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's intercompany receivable balances. Credit control policies and procedures are in place to minimise the risk of bad debt arising from intercompany receivables including, where appropriate, a review of the credit ratings of counterparty intercompany entities and any letters of support they may receive from companies within the Group.

From the perspective of the Company all other principal risks and uncertainties not disclosed above are integrated with the principal risks of the Group and are not managed separately. The principal risks of the Group are disclosed in the financial statements of the ultimate controlling parent Kemble Water Holdings Limited ("KWH") Group. Accordingly, the principal risks and uncertainties of the Group, which include those of the Company, are discussed in the Group's annual report which does not form part of this report. The Group's annual report is available from the address shown in the notes to the financial statements.

Directors' report (continued)

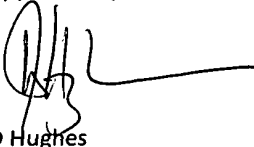

Political and charitable donations

No political or charitable donations were made by the Company during the year (2016: £nil).

Directors' indemnities

The Company has made qualifying third party indemnity provisions for the benefit of its Directors (which extend to the performance of any duties as Director of any associated company) and these remain in force at the date of this report.

Approved by the Board of Directors on 14 December 2017 and signed on its behalf by

Statement of Directors' responsibilities in respect of the annual report and financial statements

The Directors are responsible for preparing the Directors Report and the financial statements in accordance with applicable UK law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 *The Financial Standard Applicable in the UK and Republic of Ireland* ("FRS 102").

Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable United Kingdom Accounting Standards, including FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Income statement

For the year ended 31 March 2017

During the current and preceding financial year, the Company did not trade, received no income and incurred no expenditure. Consequently, during these years the Company made neither a profit nor a loss, therefore, no income statement has been presented.

The Company has no recognised gains or losses in either year and therefore no separate statement of comprehensive income has been presented.

The accounting policies and notes on pages 10 to 14 are an integral part of these financial statements.

Accounting policies

The following accounting policies have been adopted in the preparation of these financial statements. They have been applied consistently in dealing with items which are considered material, except as noted below:

General information

Thames Water Products Overseas Limited ("the Company") is a company incorporated in England & Wales and domiciled in the United Kingdom under the Companies Act 2006. The address of the registered office is Clearwater Court, Vastern Road, Reading, RG1 8DB.

The Company's principal activity is that of an intermediate holding company in the Kemble Water Holdings Limited Group of companies ("the Group"), and remains unchanged from the previous year.

Basis of Preparation

These financial statements have been prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* ("FRS 102") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied. The financial statements have been prepared under the historical cost convention in accordance with the Companies Act 2006 and on a going concern basis. The presentation currency of these financial statements is sterling.

The Company's ultimate parent undertaking, Kemble Water Holdings Limited ("KWH") includes the Company in its consolidated financial statements. The consolidated financial statements of KWH are prepared in accordance with EU adopted IFRSs and are available to the public and may be obtained from the Company Secretarial Department, Thames Water Group, Clearwater Court, Vastern Road, Reading, Berkshire, RG1 8DB. In these financial statements the Company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash flow statement and related notes; and
- Key management personnel compensation.

As the consolidated financial statements of KWH include the equivalent disclosures, the Company has also taken exemptions under FRS 102 available in respect of the disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Going Concern

The Directors have adopted the going concern basis in preparing these financial statements based upon a review of the Company's budget, the Group's budget and strategic plan, together with the cash and committed borrowing facilities available to both the Company and Group.

Accounting policies (continued)

Investment in subsidiaries

Investments in subsidiary undertakings are stated at cost, less any provision for impairment. Reviews for impairment are performed annually.

Non-derivative financial instruments

A financial instrument is any contract that gives rise to a financial asset in one entity and a financial liability or equity instrument in another entity. Non-derivative financial instruments comprise trade and other receivables, cash and cash equivalents, and interest bearing borrowings.

Trade and other receivables

Trade and other receivables are measured at fair value on initial recognition. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If there is objective evidence that the asset is impaired it is written down to its recoverable amount and the irrecoverable amount is recognised as an expense within operating costs. Debt is only written off after all available economic options for collecting the debt have been exhausted and the debt has been deemed to be uncollectable. This may be because the debt is considered to be impossible, impractical, inefficient or uneconomic to collect, and is assessed by management on a case-by-case basis.

Interest bearing borrowings

Interest bearing borrowings are financial liabilities recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition these are stated at amortised cost using the effective interest method. The amortisation is included within finance costs in the income statement and is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

Impairment of financial assets (including receivables)

A financial asset not carried at fair value through profit or loss is assessed at each financial reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset and can be measured reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment is reversed through the income statement.

Trade receivables that are assessed not to be impaired individually are assessed collectively for impairment by reference to the Company's historical collection experience.

De-recognition of financial instruments

A financial asset is de-recognised when the rights to receive cash flows from the asset have expired.

A financial liability is de-recognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the income statement.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Accounting policies (continued)

Dividends

Dividends unpaid at the financial reporting date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the Company. This occurs when the shareholders right to receive the payment has been established. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

Dividend income is recognised when there is a legal right to receive payment.

Significant accounting judgements and key sources of estimation uncertainty

The Directors do not consider there to be any critical judgements in applying accounting policies that have a significant effect on the amounts recognised in the current and future financial statements of the Company.
