The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2022, relating to small companies. The directors confirm the company qualifies for this exemption on the grounds that it is below the limits for turnover and balance sheet total mentioned in Section 477(2) of the Act and therefore also qualifies as small in accordance with Section 382(1) to (6) of the Act.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2022 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year
- (b) in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

J. P. R. (1994) LIMITED
BALANCE SHEET (continued)
AS AT 31 DECEMBER 2022

Company registration number 00734683

These financial statements have been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 relating to and subject to the small companies regime.

The financial statements were approved and authorised for issue by the Board of Directors on **17 May 2023** and were signed on its behalf by:

A J Ruhleman - Director

Company registration number 00734683

J. P. R. (1994) LIMITED
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 DECEMBER 2022

(1) STATUTORY INFORMATION

J. P. R. (1994) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number is 00734683 and the registered office address is Pitt Arches, Raleigh Road, Barnstaple, Devon EX31 4HY.

The presentation currency of the financial statements is the Pound Sterling (£).

(2) STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the Financial Reporting Standard 102 (FRS 102) "The Financial Reporting Standard applicable in the U K and Republic of Ireland" including the provisions of Section 1A 'Small Entities' and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of FRS 102 (S 1A) have been applied except where additional disclosure is needed to show a true and fair view.

(3) ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets to fair value.

Going concern

The financial statements cover this company as an individual entity. Rounding is to the nearest Pound (£).

The financial statements have been prepared on a going concern basis. The directors have considered the financial position of the company for the twelve months from the date of approving these financial statements and consider the going concern basis is appropriate.

Significant judgements and estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amount reported for assets and liabilities at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The judgements and estimates having had the most significant effect on any amounts, such as the revalued investment properties by the directors, the depreciation of fixed assets, bad debts on debtors, and accruals in creditors; are recognised in the financial statements in the year they are discovered.

Turnover and revenue recognition

Turnover represents the net invoiced sales of goods and services, excluding value added tax, and is derived from the ordinary activities. Revenue is recognised when an invoice has been raised for the fuel sold or for the period the rent is due.

J. P. R. (1994) LIMITED
NOTES TO THE FINANCIAL STATEMENTS (continued)
YEAR ENDED 31 DECEMBER 2022

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its expected useful life:

Plant and machinery	20% on reducing balance
Fixtures and fittings	20% on reducing balance
Motor vehicles	25% on reducing balance

Computer equipment included in plant and machinery is depreciated over 3 years on cost. Any gain or loss arising on the disposal of an asset is credited or charged to the profit and loss account. At the balance sheet date the directors review the assets for any impairment losses and provide for these losses where necessary in the profit and loss account.

Investment property

No depreciation is charged on investment properties as they are held at fair value in accordance with FRS 102 (Section 1A).

This represents a departure from the requirements of the Companies Act 2006, however this method of valuation is deemed to be appropriate as:

- a) management has concluded that the financial statements present fairly the entity's financial position, financial performance and cash flows.
- b) it has complied with applicable legislation, except that it has departed from a particular requirement of applicable legislation to achieve fair presentation.
- c) to comply with the Companies Act 2006 a depreciation charge would be required against investment properties which would conflict with the objective of the financial statements set out in FRS 102 (Section 1A).

Any changes to the fair value is transferred to the Profit and Loss Reserve. Depreciation or Amortisation is only one of the many factors reflected in the valuation and the amount of depreciation which might have been charged cannot be separately identified or quantified.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Financial instruments

Financial instruments are defined as a contract which gives rise to a financial asset in one entity and a financial liability or equity instrument in another entity.

Basic financial instruments are classified under section 11 of FRS 102 and are held at amortised cost. These include bank and cash in hand, all creditors, all debtors, and other non-complicated loans when applicable.

J. P. R. (1994) LIMITED
NOTES TO THE FINANCIAL STATEMENTS (continued)
YEAR ENDED 31 DECEMBER 2022

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Taxable profit differs from the net profit as reported in the profit and loss account because this includes items of expenditure which are not tax deductible.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash at bank, deposits held at the bank and other short term investments.

If the bank were overdrawn at the year end this would be shown separately within current liabilities.

Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which these are taken or paid.

Equity instruments

Equity instruments of share capital and share premium are recorded at the proceeds when they were received by the company. When dividends are declared by the company they are recognised as liabilities of the company until paid to the shareholders.

J. P. R. (1994) LIMITED
NOTES TO THE FINANCIAL STATEMENTS (continued)
YEAR ENDED 31 DECEMBER 2022

(4) EMPLOYEES AND DIRECTORS

The average number of employees during the year was 5 (2021 - 5) Directors remuneration for the year is £8,400 (2021 £8,400)
