Corlands Minerals Limited

Directors' Report

Year ended 31 December 2019

The directors present their report and the financial statements of the company for the year ended 31 December 2019.

Principal activities

The principal activities of the company during the period were the sale of minerals, both directly and under license, and the letting of land for prospecting and sporting activities.

Directors

The directors who served the company during the year were as follows:

P J Guthrie
R Guthrie
J M Hill

Directors' responsibilities statement

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Year ended 31 December 2019

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

The appointed auditor, Scott-Moncrieff, tendered their resignation during 2019 and were replaced by Scott-Moncrieff Audit Services. Scott-Moncrieff Audit Services have expressed their willingness to continue in office as auditor.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

This report was approved by the board of directors on 16 June 2020 and signed on behalf of the board by:

B P Swiers
Company Secretary

Corlands Minerals Limited

Independent Auditor's Report to the Members of Corlands Minerals Limited

Year ended 31 December 2019

Opinion

We have audited the financial statements of Corlands Minerals Limited (the 'company') for the year ended 31 December 2019 which comprise the income statement, statement of financial position, statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent Auditor's Report to the Members of Corlands Minerals Limited *(continued)*

Year ended 31 December 2019

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Corlands Minerals Limited

Independent Auditor's Report to the Members of Corlands Minerals Limited *(continued)*

Year ended 31 December 2019

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Corlands Minerals Limited
Notes to the Financial Statements
Year ended 31 December 2019

1. General information

The company is a United Kingdom company limited by shares. It is both incorporated and domiciled in the United Kingdom. The registered office is 137 Scalby Road, Scarborough, North Yorkshire, YO12 6TB.

The continuing activities of the company are the sale of minerals, both directly and under license, and the letting of land for prospecting and sporting activities.

2. Statement of compliance

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ('FRS 102') and with the Companies Act 2006.

3. Accounting policies

3.1 Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

3.2 Going concern

The company has a net asset position and a healthy bank position and the directors are satisfied that there are sufficient resources in place to continue operating for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

3.3 Investment property

Investment property, which is property held to earn rentals and/ or for capital appreciation, is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is stated at its fair value at each reporting date. Gains or losses arising from changes in the fair value of investment property are included in profit or loss for the period in which they arise.

3.4 Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of Broadland Properties Limited which can be obtained from Companies House. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) Disclosures in respect of each class of share capital have not been presented.
- (b) No cash flow statement has been presented for the company.
- (c) Disclosures in respect of financial instruments have not been presented.
- (e) No disclosure has been given for the aggregate remuneration of key management personnel.

3. Accounting policies *(continued)*

3.5 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

The judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements are as follows:

The company includes investment property at fair value, this is calculated by reference to market evidence of transaction values of similar property.

Key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. The key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are as follows:

No critical accounting estimates or assumptions have been made by management in preparing these financial statements.

3.6 Revenue recognition

The turnover shown in the profit and loss account represents amounts receivable during the year.

3.7 Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

3.8 Intangible assets

Intangible assets relate to fishing and mineral rights whose useful economic life cannot be reliably estimated, however as their residual value exceeds cost, no amortisation is provided.

Corlands Minerals Limited

Notes to the Financial Statements *(continued)*

Year ended 31 December 2019

3. Accounting policies *(continued)*

3.9 Debtors

Short term debtors are measured at transaction price, less any impairment.

3.10 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value. Bank overdrafts, when applicable, are shown within current liabilities.

3.11 Creditors

Short term creditors are measured at the transaction price.

4. Turnover

The whole of the turnover is attributable to the principal activity of the company wholly undertaken in the United Kingdom.

5. Operating profit

Operating profit or loss is stated after charging:

	2019	2018
	£	£
Fees payable for the audit of the financial statements	<u>3,360</u>	<u>3,360</u>

6. Particulars of employees

There were no employees during the year apart from the directors, who are the key management personnel. The directors received no remuneration for their services.

The above details do not include directors' emoluments paid by the holding company which are partially recharged to the company as part of management charges made. It is not practicable to separately identify the amount of the directors' emoluments included in the management charge. Full details are given in the holding company's financial statements.
