A Statement of comprehensive income, a Statement of changes in equity and a Cash flow statement are not presented in these financial statements as these would show £nil amounts for the current and preceding financial year.

4. Related party transactions

The Company's immediate parent company is Lloyds Bank Leasing Limited (incorporated in England and Wales). The company regarded by the Directors as the ultimate parent company and ultimate controlling party is Lloyds Banking Group plc, a public limited company incorporated and domiciled in Scotland, which is also the parent undertaking of the largest group of undertakings for which group financial statements are drawn up and of which the Company is a member. Lloyds Bank plc is the parent company of the smallest such group of undertakings. Copies of the financial statements of both companies may be obtained from Group Secretariat, Lloyds Banking Group plc, 25 Gresham Street, London, EC2V 7HN. The Lloyds Banking Group plc financial statements may be downloaded via <https://www.lloydsbankinggroup.com/investors/financial-downloads.html>.

The Company's related parties include other companies in the Group and the Company's key management personnel. Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the Company, which is determined to be the Company's Directors, who are listed on the cover of these financial statements.

5. Contingent liabilities and capital commitments

The Group has an open matter in relation to a claim for group relief of losses incurred in its former Irish banking subsidiary, which ceased trading on 31 December 2010. In 2013, HMRC informed the Group that its interpretation of the UK rules means that the group relief is not available. In 2020, HMRC concluded their enquiry into the matter and issued a closure notice. The Group's interpretation of the rules has not changed and, following an appeal to the First Tier Tax Tribunal, a hearing was held in May 2023 with judgement awaited. If the final determination of the matter by the judicial process is that HMRC's position is correct, management estimate that this would result in an increase in current tax liabilities for the company of approximately £1,164,000 (including interest). The Group, having taken appropriate advice, does not consider that this is a case where additional tax will ultimately fall due.
