Directors' responsibilities statement

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- *make judgments and accounting estimates that are reasonable and prudent;*
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Melwood Investments Limited

Notes to the financial statements (continued) For the 52 weeks ended 31 July 2021

1. Accounting policies

Basis of accounting

Melwood Investments Limited is a company incorporated in the United Kingdom under the Companies Act 2006. The Company is a private company limited by shares and is registered in England and Wales. The address of the Company's registered office is shown on page 1 and the nature of the Company's operations and its principal activities are set out in the directors' report.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102) issued by the Financial Reporting Council.

The functional currency of the Company is considered to be pounds sterling, because that is the currency of the primary economic environment in which the Company operates. These financial statements are also presented in pounds sterling.

Going concern

The Company has no external debt and is a net asset position. The directors have considered the future activities of the Company and have concluded that the Company is a going concern. The financial statements have therefore been prepared on a going concern basis.

Financial instruments

All amounts due from, or owed to Group undertakings are repayable on demand and held at amortised cost.

Equity instruments

Equity instruments issued by the Company are recorded at the fair value of cash or other resources received, net of direct issue costs.

Critical accounting judgements and key sources of estimation uncertainty

The directors have assessed that there are no critical accounting judgements or sources of estimation uncertainty in these financial statements.
