STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board

D.R. Boyd

AUDITORS' REPORT TO THE SHAREHOLDERS OF

W. A. FARM SUPPLIES LIMITED

We have audited the financial statements on pages 5 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

Respective Responsibilities of Directors and Auditors

As described on page 3, the Company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevent to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free form material misstatement, whether caused by fraud or error or other irregularity. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 30th September 1995 and of its profit and cash flow for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30TH SEPTEMBER 1995

1. ACCOUNTING POLICIES

The Financial Statements are prepared under the historical cost convention.

The accounting policies which the directors have adopted are set out below:-

a) Depreciation of Tangible Fixed Assets -

Tangible fixed assets are depreciated at rates estimated to write off the cost of the assets over their expected useful lives.

Depreciation has been charged at the following rates per annum:

Equipment and office machinery - 15% on written down value

b) <u>Turnover -</u>

Turnover is defined as the full amounts derived from the services provided by the Company to its members.

c) <u>Mutual Trading/Taxation -</u>

As the Company continues to be a mutual trading concern no provision is required for Corporation Tax payable on the profit for the year, the only liability to Corporation Tax being in respect of Investment Income received.

d) Status

The Company is limited by guarantee.

2. ANALYSIS OF TURNOVER AND PROFIT

In the opinion of the directors the Company does not have classes of business which differ substantially from each other and analysis of turnover and profit is therefore not appropriate.

The Company made no exports.
