## Directors' report for the year ended 31 December 2000

### **Business of the Federation**

During the year the Federation has continued to represent its members' interests to the Government and to other bodies. A full review of the Federation's work is contained in the Annual Review and should be read in conjunction with this report.

## Review of business and future developments

The Federation has, in order to improve communications with its members, and provide more members with the opportunity to contribute to its affairs, redesigned its website to include a 'members only' section. This will go live in the spring of 2001.

The Annual Luncheon and the Annual Conference, which are under the umbrella of BPF Commercial Ltd, continue to be well supported. Its publication sales have been disappointing and the company is considering its future publications policy.

### Results for the year

The results are set out in the income and expenditure account on page 6. The surplus for the year after deducting taxation was £179,950 (1999: £176,875).

## Tangible fixed assets

Movements in the tangible fixed assets held by the Federation are shown in note 7.

### **Health and Safety**

The Federation attach great importance to health and safety. Health and Safety Specialists undertake annual inspections to ensure that correct standards are maintained.

## Membership of the Council

The Federation wishes to thank all Council members for their contribution to the affairs of the Federation during the year.

The members of the Council and directors of the Federation on 31 December 2000 are listed on page 1.

## Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the result of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Auditors' report to the members of British Property Federation (Limited by Guarantee)

We have audited the financial statements on pages 6 - 13, which have been prepared under the historical cost convention and the accounting policies set out on page 8.

### Respective responsibilities of directors and auditors

The directors are responsible for preparing the Annual Report. As described on page 4, this includes responsibility for preparing the financial statements, in accordance with applicable United Kingdom accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the United Kingdom Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

### Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company and the group as at 31 December 2000 and of the surplus of the group for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

# Notes to the Consolidated Financial Statements For year ended 31 December 2000

### 1 Accounting policies

The financial statements of the Federation have been prepared under the historical cost convention and in accordance with applicable accounting standards. The following principal accounting policies have been applied:

### **Subscription income**

Income comprises subscriptions from members which are treated as income in the year to which they relate. Income received in the current year relating to future years is credited to deferred income.

### **Pension costs**

Contributions to the Federation's defined contribution pension scheme are charged to the profit and loss account on an accruals basis.

#### Tangible fixed assets

Tangible fixed assets are stated at cost and depreciated on a straight line basis at the following rates

Computer equipment 33.33% Furniture, fittings and office equipment 23.33% Leasehold improvements 20.00%

A full year's depreciation is charged in the year of acquisition.

### Cash flow statement

The company has taken advantage of the exemption under Financial Reporting Standard 1 (revised 1996) not to prepare a cash flow statement, as the directors believe the company is a small entity under section 246 to 249 Companies Act 1985.

#### Fixed asset investments

Fixed interest investments are carried at amortised cost, less provision for any permanent diminution in value. The premium or discount is taken to the income and expenditure account over the life of the investment. Equity investments are carried at cost less provision for any permanent diminution in value.

### Stocks

Stocks are stated at the lower of cost and net realisable value.

### Taxation

The charge for taxation is based on taxable trading profits, investment income and capital gains.

### Basis of consolidation

The group accounts consolidate the accounts of the British Property Federation and its subsidiary undertakings.
