Statement of Directors' responsibilities in respect of the Directors' report and the financial statements

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under Company Law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period

In preparing these financial statements, the Directors are required to

- · select suitable accounting policies and then apply them consistently,
- · make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Disclosure of information to auditors

Each person who was a Director of the Company on the date that this report was approved confirms that, so far he or she is aware, there is no relevant audit information, being information needed by the Auditors in connection with preparing their report, of which the Auditors are unaware. Each Director has taken all the steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant information and to establish that the Auditors are aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Auditors

KPMG Audit LLC, being eligible, has expressed its willingness to continue in office in accordance with section 485 of the Companies Act 2006

Report of the Independent Auditors, KPMG Audit LLC, to the members of IntegraLife UK Limited

We have audited the financial statements of IntegraLife UK Limited for the year ended 30 September 2010 on pages 7 to 17 The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice)

This report is made solely to the Company's members as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of Directors and Auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www frc org uk/apb/scope/UKNP

Opinion

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 30 September 2010 and of its profit for the year then ended,
- · have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been properly prepared in accordance with the requirements of the Companies Act 2006

Report of the Independent Auditors, KPMG Audit LLC, to the members of IntegraLife UK Limited (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- · the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors' remuneration specified by law are not made, or
- · we have not received all the information and explanations we require for our audit

Notes to the Accounts for the year ended 30 September 2010

1. Accounting Policies

Basis of preparation

The accounts are prepared on the basis of the accounting policies set out below

The accounts comply with UK generally accepted accounting practice. In addition, the Company has prepared the accounts in accordance with the Statement of Recommended Practice on Accounting for Insurance Business issued by the Association of British Insurers in 2005 (updated 21 December, 2006) and the Companies Act 2006

As a wholly owned subsidiary, advantage has been taken of the exemption granted by Financial Reporting Standard 1 "Cash Flow Statements" (Revised 1996) not to prepare a cash flow statement

Premiums

Premiums are accounted for when units are created

Claims

Death claims are recognised on the basis of notifications received. Maturities and annuity payments are recognised when due for payment. Surrenders are accounted for at the earlier of the date when paid or when the policy ceases to be included within the long term business provision and/or the technical provision for linked liabilities. Claims incurred and the provision for outstanding claims includes the direct and indirect cost of settlement. Full provision is made for the estimated cost of claims notified but not settled at the balance sheet date and for claims incurred but not reported.

Investment return

Investment income and expenses include dividends, interest, gains and losses on the realisation of investments and related expenses. All investment income is included on the date of receipt Dividends are shown net of tax credits or overseas taxation where these are irrecoverable.

Realised gains and losses on investments are calculated as the difference between net sale proceeds and original cost. Movements in unrealised gains and losses on investments represent the difference between the value at the balance sheet date and original cost, or, if assets have previously been revalued, the value at the previous balance sheet date, together with the reversal of unrealised gains and losses previously recognised on asset disposals in the period. Gains and losses on investments backing the long term business provision or the technical provision for linked liabilities are reported in the technical account. Other gains and losses are reported in the non-technical account.

Notes to the Accounts (continued) for the year ended 30 September 2010

1 Accounting Policies (continued)

Investments

Assets held to cover the technical provisions for linked liabilities are valued consistently with the method of valuation of the liabilities. Depending on the individual internal linked fund, assets are valued at either bid price less selling expenses or at offer price plus buying expenses on the last pricing date of the financial year. Accrued income on fixed interest securities is excluded. Other listed investments are valued at mid market price excluding accrued income on fixed interest holdings. Unit trust holdings are valued at bid price and deposits are stated at par

Long term business provision

The mathematical reserves are determined by the Actuary following the annual investigation of the long term business

The long term business provision is determined by the Actuary and involves making modifications to the mathematical reserves calculated for solvency purposes in respect of any resilience, close-down and other contingency reserves required under the Financial Services Authority rules to demonstrate statutory solvency

Taxation

Tax is charged or credited on all taxable profits or losses arising for the accounting period. The taxation charge or credit is based on a method of assessing taxation for the long-term fund

Foreign currencies

Assets and liabilities held in foreign currencies are translated to sterling at rates of exchange ruling at the end of the year. Income and expenditure denominated in foreign currencies are translated at the appropriate rates prevailing during the year.
