NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2013

1 ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, in accordance with the Companies Act 2006 and United Kingdom Generally Accepted Accounting Practice and accounting policies which have been consistently applied

Break-up basis

The financial statements have been prepared on a break-up basis as the company sold its trade, assets and liabilities on 13 July 2009 to a fellow group subsidiary and ceased trading. The company has not traded since and has no plans to become active in the future. This did not require the company to remeasure or reclassify any assets or liabilities and, accordingly, all assets and liabilities are shown at the amounts recoverable/payable.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at the balance sheet date that will result in an obligation to pay more, or a right to pay less tax, in the future.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Cash flow statement

The directors have taken advantage of the exemption in FRS 1 "Cash Flow Statements (Revised 1996)" from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its parent publishes a consolidated cash flow statement.

2 STAFF COSTS

There were no staff costs for the year ended 31 August 2013 nor for the year ended 31 August 2012.

The average monthly number of employees during the year was as follows

The directors during the year were remunerated by Giles Insurance Brokers Limited, a fellow subsidiary undertaking. Details of their emoluments are given in the financial statements of Giles Insurance Brokers Limited. The directors do not consider it practical to allocate the percentage of their remuneration to LRG Insurance Services Limited.
