Notes to the financial statements for the year ended 31 December 2012

1. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. The financial statements have been prepared under the historical cost convention, in compliance with the requirements of the Companies Act 2006 and in accordance with applicable International Financial Reporting Standards (IFRS). There are no accounting policies where the use of assumptions and estimates are determined to be significant to the financial statements.

The Company has net liabilities and is reliant on funding ultimately provided by Lloyds Banking Group plc. Owing to uncertainty in financial markets, Lloyds Banking Group plc participates in government sponsored measures to improve funding and liquidity. The directors are satisfied that it is the intention of Lloyds Banking Group plc that its subsidiaries including the Company will continue to receive funding in the future and, accordingly, the financial statements have been prepared on a going concern basis.

A Statement of comprehensive income, a Statement of changes in equity and a Cash flow statement are not presented in these financial statements as these would show £nil amounts for the current and preceding financial years.
