REPORT OF THE DIRECTOR

YEAR ENDED 23 FEBRUARY 2003

The director presents his report and the Financial Statements for the year ended 23 February 2003.

Statement of Director's Responsibilities

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit and loss of the company for that year. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- to state whether appropriate accounting standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The company's principal activity continues to be that of Money Lenders. The results for the year are set out on page 5 and are considered by the Director to be satisfactory.

The director does not recommend the payment of a dividend.

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF

HASLEBROW FINANCE LIMITED

I have audited the financial statements of Haslebrow Finance Limited for the year ended 23 February 2003 on pages 5 to 9, which have been prepared under the historical cost convention and the accounting policies set out on pages 7 and 8.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. My audit work has been undertaken so that I might state to the company's members those matters I am required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for my audit work, for this report, or for the opinions I have formed.

Respective Responsibilities of Director and Auditor

As described in the statement of Director's responsibilities the company's director is responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

I report to you my opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. I also report to you if, in my opinion, the Director's Report is not consistent with the financial statements, if the company has not kept proper accounting records, if I have not received all the information and explanations I require for my audit, or if information specified by law regarding director's remuneration and transactions with the company is not disclosed.

I read the Director's report and consider the implications for my report if I become aware of any apparent misstatements within it.

Basis of Audit Opinion

I conducted my audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the state of the company's affairs as at 23 February 2003 and of its profit for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.
