The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed a debt totalling £750,000 due from Townfrost Limited, the Company's immediate parent. The debt has been distributed by set off (see "Distributions" below).

The Company had no known creditors. A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette on 28 November 2019. No creditors were forthcoming as a result of this advertisement.

Tax

The Company's tax advisors advised that the Company had dormant corporation tax status. Following their appointment, the Joint Liquidators sought and received confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the Liquidators proceeding to finalise the liquidation.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.

Distributions

On 18 September 2019, the Joint Liquidators declared a first and final distribution of the assets of the Company to Townfrost Limited, as the sole beneficial shareholder of the Company.

The distribution was at the rate of £1 per £1 Ordinary share and was effected by set off against the debt totalling £750,000 due to the Company by Townfrost Limited.

Joint Liquidators' remuneration and expenses

A written resolution was passed on 8 November 2018 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

In the event, the Liquidators' remuneration was fixed at £2,000 plus expenses and has been paid by another group company. Accordingly no detailed analysis is included in this report.
