Who Benefits from Our Activities

In the 12-month period ending 31st March 2023, approximately 3,719 people attended residential courses and non-residential events and activities at Halsway Manor. We continue to look to develop new audiences and over recent times have managed to focus our learning courses to ensure we are offering the very best experiences. We are focussed on working with our hirers and on our own courses to make sure content and quality are excellent.

·We continue to work with young people and communities and over the year have extended our creative learning opportunities with the help of the Hinkley community fund. This has allowed us to work with many local schools on folk related projects in an area which is severely culturally deprived.

Halsway Manor continues to support professional and early career artists offering free use of the library and often free bed and board for those researching a project or just needing a space to work.

The charity now works with several other organisations on collaborative projects to extend folk learning in community and education settings. It is a provider of skills workshops for the local authority, literacy projects for under resourced schools and a supporter of other charities in the region.

Governance

Halsway Manor Society is registered as a charity (number 247230) and is a company limited by guarantee (number 849615). It is governed by the terms of its Articles of Association which are available on its website www.halswaymanor.org.uk

The Society operates a 100% owned trading company called Halsway Manor Limited for the purpose of generating commercial income to benefit the Society – for example, from hiring the premises for meetings, training, etc. From 1 April 2020 the above operations were handled by the Society, with the trading company becoming dormant.

Members of the Society

There were 287 Members of the Society at March 2023. We encourage anyone who supports the aims of the Society to become a member. The Company Secretary on the Board of Trustees provides advice and support for anyone wishing to do so. Applicants are required to pay an annual subscription which for a standard membership is £35.

Trustee induction and training

New Trustees are briefed on their role by the Chair of the Trustees and provided with supporting documentation including the Articles and Memorandum of Association, minutes of meetings, the previous year's Annual Report and Accounts and a copy of the Charity Commission's publication "Responsibilities of Charity Trustees". The Trustees have regular development workshops throughout the year, for example, on the objectives of the Society and priorities for achieving them. There is also a skills audit carried out to assess strengths and weaknesses.

Consideration of major risks

The Trustees have considered the major risks to the Society. These include:

- risks to visitors, staff and contractors and risks to the buildings (including fire risk) which are currently identified and monitored through specific risk assessments
- risks to income generated through our activities which are addressed in our priorities to broaden the range of courses we offer, attracting new customers and in our capital development plans to improve and add to our facilities.

Fundraising

Our staff

The Trustees delegate the day to day running of the Society to the Chief Executive Officer, Crispian Cook. The Chief Executive Officer manages the staff team who are employed by the Society, (full and part-time). Staff are responsible for developing the annual programme of courses, events and activities, financial, business and operational management and delivery. Some maintenance services are provided by external contractors.

Our volunteers

The Society benefits from the support of volunteers who undertake a variety of tasks including managing the library collection, running the 200 Club and helping to maintain the gardens. Volunteers also helped run the shop until September 2019, when the shop setup was revised and is now organised by Halsway staff. Funds raised by the 200 Club are donated to the Society to support its charitable aims. Many supporters from folk clubs, dance groups and organisations also raise funds through their activities which they donate to the Society.

Fundraising

Halsway Manor Society Ltd raises funds from grant giving bodies (charitable trusts and foundations and government bodies) and from individuals and members (clubs and individuals). Halsway Manor Society Ltd applies for funding to support a range of activities including youth education, artists' development, library and capital developments.

DIRECTORS' AND TRUSTEES' REPORT (continued)

YEAR ENDED 31 MARCH 2023

Fundraising

Halsway Manor Society Ltd abides by the requirements of the grant giving body in terms of use of the funds, record keeping, reporting and evaluation. All restricted income from grants is recorded separately in our accounts.

Donations from individuals and members are sought to support general running costs and for specific projects and developments. Communications for this are through letter and email; no unsolicited contact with individuals for fundraising purposes is undertaken, to ensure vulnerable people and the wider public are free from undue pressure to provide donations. Donations given for specific activities are recorded separately from general donations to ensure they are used for the specified activity.

Halsway Manor Society Ltd does not use external fundraisers or fundraising companies, all fundraising activities are delivered by its staff. Any complaints about our methods of fundraising and use of donated funds would be dealt with in the first instance by the Chief Executive and if required by the Chair of the Board on behalf of the Trustees/Directors. To date there have been no complaints relating to our fundraising activities.

Activities and achievements

This has been the first full year of training since covid and we continue to operate at a high level with good attendance and a consistent 20-25% new audience quarter on quarter. We continue to invest in and upgrade the facilities and ensure the property is well maintained and customers are comfortable. In this year we submitted and achieved full planning for, four new accommodation cabins in the water gardens to increase our capacity on courses. This was necessary to address the continuing demand for places and the fact we have to turn away so many customers when we are fully booked. We also received full planning permission to rebuild the pavilion and turn it into a large, airy and usable space for courses. Both of these projects will be completed by the end of 2023.

The double garages in the mews were converted into a full workshop. This has enabled us to accommodate craft and making courses in a better environment and offer more appropriate facilities for courses. This new facility allows us to experiment with new making courses whilst offering a much better experience for our current users.

Our young folk and family orientated courses continue to be successful and participant numbers remain high. We have a very good pool of experienced tutors and are able to offer folk learning for young people aged 8 and above in a nurturing and affordable way. We also offer a number of bursaries and reduced rates for younger people and participants to which finance is a barrier to participation.

We continue to support many folk artists from around the world, offering retreat and development time, free workspace and advice. Halsway employs around three hundred professional artists per year making it the single largest employer in the folk industry in the UK.

DIRECTORS' AND TRUSTEES' REPORT (continued)

YEAR ENDED 31 MARCH 2023

Customer feedback

Feedback from participants is sought and collected after each event and reviewed monthly by the staff management team. Matters arising are discussed with the management team. Feedback during the year was restricted due to the covid related closures. The small amount of feedback that was obtained, showed a mostly positive stance on the events held and the manors additional covid safety measures put in place.

Measuring performance

In January 2013 the Board of Trustees agreed a performance measurement framework which was implemented in April 2013. These are designed to collect data so that the Board has a clear picture of progress in meeting our aims. This includes data on the quality of our activities and what people learn as a result of participating; the health of the organisation including finance, staff and governance; and health and safety issues. This is to be full review of these measures in the new business plan 2020 – 2024

Financial Review

Halsway Manor Society Limited is a company limited by guarantee (number 849615) and not having share capital. It is controlled by its members and governed by the terms of its articles of association. It is also a registered Charity (number 247230).

During the financial year total income generated was £1,208,113 (2022: £868,943). Of this amount income generated from folk courses and other charitable activities was £996,500 (2022: £702,956).

Unrestricted expenditure was £914,199 in the year(2022: £782,240).

Net unrestricted surplus is shown as £269,904 at the yearend (2022: £71,704). The 2021/22 net unrestricted surplus was affected by the lost income due to the closure of the manor due to Covid-19 at the start of the 2021 year.

DIRECTORS' AND TRUSTEES' REPORT (continued)

YEAR ENDED 31 MARCH 2023

Reserves policy

The Board review their reserves policy annually and this took place at the September Board meeting.

Consideration is given to maintaining a sufficient level of reserves for the year ahead in the budget planning process. This includes the adoption of any recommendations made in the previous year by the Society's appointed Auditors. The Board of Trustees of the Halsway Manor Society have identified the need to retain a level of reserves of £120,000 to fund:

- · Any unexpected shortfalls in income from its activities
- Any other unexpected expenditure, for example when projects overrun or unplanned events occur
- Ongoing overheads due to business interruption

The board has an aspiration to increase the level of reserves to £200,000 over the next three years, which would look to cover 6 months of costs in the event of closure.

Unrestricted free reserves at 31 March 2023 were £568,646 (2022: £322,240). Surplus funds held above the stated reserves are for continued redevelopment work and future capital projects, should this be required.

Donations policy

Donations given are for the general purpose of the charity unless otherwise specified. We will attempt to assign donated funds as requested, however any specification will be taken without imposing any trust. Donations given will always be used for the charitable activities of the Company.

Company Law requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the incoming resources and application of resources including the income and expenditure of the charitable company for the year. In preparing these financial statements the Trustees are required to:

- a) select suitable accounting policies and then apply them consistently,
- b) observe the methods and principles in the Charities SORP,
- c) make judgments and estimates that are reasonable and prudent;

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HALSWAY MANOR SOCIETY LIMITED

YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of Halsway Manor Society Limited (the 'charitable company') for the year ended 31 March 2023, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HALSWAY MANOR SOCIETY LIMITED (continued)

YEAR ENDED 31 MARCH 2023

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report prepared for the purposes of company law for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report included within the Trustees' Report

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 10, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HALSWAY MANOR SOCIETY LIMITED (continued)

YEAR ENDED 31 MARCH 2023

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The extent to which the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with management, and from our commercial knowledge and experience of the charity sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, Charity Act 2011, employment, data protection, Food hygiene, health and safety legislation and Water Supply Regulations 2018;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries
 of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge
 of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative
 of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- · reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation, claims and breaches of relevant legislation; and
- reviewing correspondence with the Charity Commission and other relevant regulators including the company's legal advisors and insurers.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HALSWAY MANOR SOCIETY LIMITED (continued)

YEAR ENDED 31 MARCH 2023

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2023 1. ACCOUNTING POLICIES

Basis of preparation

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

- a) Basis of preparation. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) (Charities SORP (FRS 102), and the Companies Act 2006. Halsway Manor Society Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.
- b) The accounts are prepared for the company alone. The company has a dormant subsidiary and consolidated accounts are not presented as the charity has taken advantage of the exemption provided by S405(2) of the Companies Act 2006 on the grounds of immateriality

Incoming Resources

All incoming resources are included in the SOFA when the Company is legally entitled to the income and the amount can be quantified with reasonable accuracy. Where amounts are received in advance the income is deferred until the date of the event held. For material legacies, entitlement is the earlier of the Company being notified of an impending distribution or the legacy being received.

Donations and gifts are accounted for when received, as are members' subscriptions. Income tax reclaimed in relation to amounts received under gift aid is included in the same period as the income to which it relates.

Gifts in kind are included at their value to the Company and are recognised as income when received. No amounts are included in the financial statements for services donated by volunteers.

Resources expended

All resources expended are accounted for on an accruals basis and are classified under headings that aggregate all costs related to the category. Costs not attributable directly to any of the principal expenditure headings are apportioned on an appropriate basis.

Fixed Assets

All fixed assets are stated at purchase cost plus incidental expenses of acquisition. Expenditure on capital items is capitalised for all items costing in excess of £1,500. Fixtures, fittings and equipment are depreciated at the rate of 10% on cost per annum on additions on a straight-line basis. Expenditure on computer equipment is written off over three years.

The Directors are of the opinion that the value of the freehold land and buildings is far in excess of its book value and that as such provision for depreciation between book value and estimated residual value is immaterial and no provision is made.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES (CONTINUED)

Debtors
