## NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2012

### 1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements

#### Basis of accounting

The financial statements are prepared under the historical cost convention

#### Cash flow statement

The company takes advantage of the exemptions under Financial Reporting Standard No 1 from the requirement to prepare a cashflow statement

#### Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted

### 2. PROFIT AND LOSS ACCOUNT

The company has not traded during the year or preceeding year and has made neither a profit or loss nor any other recognised gains or losses in the year or preceding year
