Wise Music Group Limited

Strategic report Year ended 31 December 2021

The directors present their strategic report for the year ended 31 December 2021.

This strategic report has been prepared for the Group as a whole and therefore gives greater emphasis to those matters which are significant to Wise Music Group Limited and its subsidiary undertakings when viewed as a whole.

Principal activities

The Wise Music Group of companies (the "Group") is a publisher of standard and classical music copyrights.

Review of the business

In order to better aid understanding of the underlying performance of the Group, the commentary in this review includes reference to Headline EBITDA, which represents the earnings of the Group before finance costs, taxation, depreciation, amortisation, impairment charges, acquisition integration/restructuring costs and certain other non-recurring items. A reconciliation between Headline EBITDA and the statutory result before finance charges is set out on the face of the profit and loss account on page 11.

As shown in the consolidated profit and loss account, Group turnover amounted to £27,108,965 (2020: £26,368,501), Group loss for the financial year was £2,166,242 (2020: £7,998,848) and headline EBITDA was £4,305,075 (2020: £3,162,908).

The balance sheet on page 13 shows that the shareholders' funds at 31 December 2021 are £44,298,661 (2020: £47,084,290). The Group's cash level at 31 December 2021 was £13,573,976 (2020: £17,597,361).

The year under review has seen growth in the Music Publishing businesses, with sales up £195,012 to £23,536,217. There has been continued growth in the Digital Education business where turnover was up £402,514 at £2,679,371.

The directors do not consider presentation of any further financial or non-financial key performance indicators are necessary to understand the development of the Group during the financial period.

The Group takes care to minimise the impact of its operation on the environment.

Principal risks and uncertainties

The market in which the Group operates continues to be competitive. This may give rise to the risk of sales being lost to key competitors. The Group manages this risk by providing high quality services to its customers, having fast response times to customer queries and maintaining strong relationships with its customers.

The Group is well placed to manage its business risks successfully. The Group makes sales to customers in a number of territories and therefore is exposed to movements in exchange rates. The Group sources some of its products in local territories and minimises the risk of exchange rate fluctuations by operating local currency bank accounts.

While susceptible to challenges from broader economic uncertainties, management do not consider the continuing impact of Brexit to pose a specific threat affecting the Group's business model or to be a direct risk to the Group's assets and liabilities.

Wise Music Group Limited

Strategic report (continued) Year ended 31 December 2021

Financial risk management objectives and policies

The Group's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk.

Credit risk

The Group's principal financial assets are bank balances and cash, trade and other receivables and investments.

The Group's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables.

The Group has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

Cash flow risk

The Group's activities expose it primarily to the financial risks of changes in foreign currency exchange rates. The Group aims to match assets and liabilities in the same currency to minimise this risk.

The Group has used floating to fixed rate swaps to mitigate interest rate exposures, on loans amounting to £7,200,000. The Group does not use derivative financial instruments for speculative purposes.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company uses a mixture of short, medium and long-term debt finance. During the year the Company entered into new loan arrangements with its bankers thereby securing the majority of its debt financing over the short and medium term. The Group also has certain long-term committed loan facilities, the majority of which are at fixed interest rates as summarised in note 22.

Going concern

The Group made a loss in the year of £2,166,242, but the level of underlying business is satisfactory with the Group generating Headline EBITDA of £4,305,075 in the year. The Group retains a strong balance sheet position with net assets of £44,847,673 and a positive cash balance of £13,573,976 as at 31 December 2021.

Due to the COVID-19 pandemic the economic environment for 2021 has been challenging. The Pandemic primarily impacted our live performance and rental income. To counter this revenue decline, significant cost savings were made, and headline EBITDA is above pre pandemic levels. There has been a meaningful recovery in 2022 where actual trading is expected to be in line with management forecasts. Looking forward to 2023, the Directors acknowledge that there remain number of macro-economic uncertainties. They continue to be optimistic however, expecting further recovery and growth, and consider the group to be well positioned to meet its business objectives.

Management have prepared projected cash flows and have undertaken a risk assessment to assess the Group and parent company's liquidity position given certain downside scenarios. This exercise included sensitivity analysis focusing on reduced sales. It covers a period of at least 12 months from the date of approval of the accounts. The sensitivity analysis shows that the group and parent company has sufficient funding to finance its operations, with cash headroom to weather any likely prospective further downturn during the foreseeable future.

Based on the above the directors have a reasonable expectation that the Group and parent company have adequate resources to continue in operational existence for a period of at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Wise Music Group Limited

Strategic report (continued) Year ended 31 December 2021

Research and Development

Charanga Limited, a subsidiary of Wise Music Group Limited, provides educational subscription programs to schools and those working in the music teaching profession. This involves design and development of cloud-based computer software and websites.

Future developments

Attention continues to be focused on developing the Music Publishing side of the business. The Directors continue to seek investment opportunities into growing the Music Publishing Division. They look to the future with confidence.

The level of underlying business was considered satisfactory with the Group generating Headline EBITDA of £4,305,075 in the year (2020: £3,162,908).

This report was approved by the Board of Directors on February 9 2023 and signed on behalf of the Board

J A B Smith
Chief Financial Officer

Wise Music Group Limited

Directors' report Year ended 31 December 2021

The directors present their annual report on the affairs of the Group and the audited financial statements for the year ended 31 December 2021.

The directors have included in the strategic report the following matters that are otherwise required by regulations made under s416(4) to be disclosed in the directors' report as the directors consider those matters to be of strategic importance to the company:

- Financial risk management objectives and policies;
- Research and Development;
- Future developments;
- Business review; and
- Going concern.

Directors

The directors who served during the year and to the date of this report, except as noted, were as follows:

R Wise
M B Wise
T Wise
M D Wise
D B Rockberger
C M Butler
D Holley
I N Gilroy
C Duvivier (resigned 3 January 2023)
J A B Smith
J Castaldo

Directors' indemnities

The Group and Company have made qualifying third-party indemnity provisions for the benefit of all of its directors which were made during the year and remain in force at the date of this report.

Dividends

The directors recommend a dividend of £nil for 2021 (2020: £nil).

Charitable donations

Donations to charitable organisations amounted to £102,400 (2020: £105,000).

Employee consultation

The Group places considerable value on the involvement of its employees and has continued to keep them informed on matters affecting them as employees and on the various factors affecting the performance of the Group and the Company. This is achieved through formal and informal meetings. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests.

Wise Music Group Limited

Directors' report (continued) Year ended 31 December 2021

Disabled employees

Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities.

In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Group may continue.

It is the policy of the group that training, career development and promotion opportunities should be made available to all employees.

Disclosure of information to auditor

The directors confirm that:

- so far as each of the directors are aware, there is no relevant audit information of which the company and the group's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the company and the group's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Auditor

Subsequent to the year end, SRLV Audit Limited were appointed auditor. Under section 487(2) of the Companies Act 2006, SRLV Audit Limited will be deemed to have been appointed as auditor 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing the accounts with the registrar, whichever is earlier.

Wise Music Group Limited

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the company and group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company and group will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Wise Music Group Limited

Opinion

We have audited the financial statements of Wise Music Group Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 December 2021, which comprise the consolidated profit and loss account, the consolidated statement of comprehensive income, the consolidated and company balance sheets, the consolidated and company statements of changes in equity, the consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 December 2021 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the group strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the group strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Independent auditor's report to the members of Wise Music Group Limited (continued)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the group strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 7, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the entity's industry and sector, control environment, business performance and management incentives;
- the results of our specific enquiries of management and those charged with governance about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the group's documentation of their policies and procedures relating to;
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
 - the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

Independent auditor's report to the members of Wise Music Group Limited (continued)

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following area: the recognition of revenue and impairment of copyrights and other intangible assets. In response to these risks we undertook detailed cut-off testing, as well as considering the appropriateness and rationale for the impairment of copyrights and other intangible fixed assets. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override of controls.

We also obtained an understanding of the legal and regulatory frameworks in which the group operates, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the group's ability to operate or to avoid a material penalty.

Audit response to risks identified

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance; and
- in addressing the risk of fraud through management override of controls: testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Whilst the procedures above describe the extent to which our procedures are capable of detecting irregularities, including fraud, there are inherent limitations in these audit procedures. The further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, misrepresentation or through collusion. We are not responsible for preventing irregularities, including fraud, or non-compliance with laws and regulations and cannot be expected to detect all irregularities or non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the year and the preceding year.

General information and basis of accounting

Wise Music Group Limited is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and registered in England and Wales. The address of the registered office is given on page 1. The nature of the Group's operations and its principal activities are set out in the Strategic report on pages 2, 3 and 4.

The financial statements have been prepared on a going concern basis, under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of Wise Music Group Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates. The consolidated financial statements are also presented in pounds sterling. Foreign operations are included in accordance with the policies set out below.

Wise Music Group Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements, which are presented alongside the consolidated financial statements. Exemptions have been taken in relation to share-based payments, financial instruments, presentation of a cash flow statement and remuneration of key management personnel.

Basis of consolidation

The Group financial statements consolidate the financial statements of the Company and its subsidiary undertakings drawn up to 31 December each year. The results of subsidiaries acquired or sold are consolidated for the periods from or to the date on which control passed.

Business combinations are accounted for under the purchase method. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by the Group. All intra-group transactions, balances, income and expenses are eliminated on consolidation. In accordance with Section 35 of FRS 102, Section 19 of FRS 102 has not been applied in these financial statements in respect of business combinations effected prior to the date of transition.

Going concern

The Group made a loss in the year of £2,166,242, but the level of underlying business is satisfactory with the Group generating Headline EBITDA of £4,305,075 in the year. The Group retains a strong balance sheet position with net assets of £44,847,673 and a positive cash balance of £13,573,976 as at 31 December 2021.

Due to the COVID-19 pandemic the economic environment for 2021 has been challenging. The Pandemic primarily impacted our live performance and rental income. To counter this revenue decline, significant cost savings were made, and headline EBITDA is above pre pandemic levels. There has been a meaningful recovery in 2022 where actual trading is expected to be in line with management forecasts. Looking forward to 2023, the Directors acknowledge that there remain number of macro-economic uncertainties. They continue to be optimistic however, expecting further recovery and growth, and consider the group to be well positioned to meet its business objectives.

Management have prepared projected cash flows and have undertaken a risk assessment to assess the Group and parent company's liquidity position given certain downside scenarios. This exercise included sensitivity analysis focusing on reduced sales. It covers a period of at least 12 months from the date of approval of the accounts. The sensitivity analysis shows that the group and parent company has sufficient funding to finance its operations, with cash headroom to weather any likely prospective further downturn during the foreseeable future.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Going concern (continued)

Based on the above the directors have a reasonable expectation that the Group and parent company have adequate resources to continue in operational existence for a period of at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Joint ventures

Entities in which the Group holds an interest on a long-term basis, and which are jointly controlled by the Group and other parties, are treated as joint ventures and accounted for using the equity method. The Group's share of the profit or loss of joint ventures is included in the Group profit and loss account. The Group balance sheet includes the investment in joint ventures as the Group's share of net assets. Goodwill arising on the acquisition of joint ventures is accounted for in accordance with the policy as set out above.

Turnover

Turnover is measured at fair value of the consideration received or recoverable and represents the sale of goods, hire fees, performing rights, royalties receivable and other income received by the Group in the ordinary course of business with outside customers for goods supplied as a principal and for services provided, excluding VAT and trade discounts. The group recognises turnover when (a) the significant risks and rewards of ownership have been transferred to the buyer; (b) the Group retains no continuing involvement or controls over the goods; (c) the amount of turnover can be measured reliably; (d) it is probable that future economic benefits will flow to the entity and (e) when the specific criteria relating to each of the Group's sales channels have been met. Hire fees and performing rights income is recognised upon the fulfilment of contractual obligations to a customer. Royalty income is recognised once the amount can be reliably measured. Turnover from the sale of goods is recognised at a point of sale or when the goods are delivered to the customer.

Intangible fixed assets

Intangible fixed assets comprise software development, copyrights stated at cost and goodwill arising on the acquisition of subsidiary undertakings representing the excess of the fair value of the consideration over the fair value of the identifiable assets and liabilities acquired.

Intangible assets are amortised on a straight-line basis over their estimated useful lives. Amortisation of software development commences when the software is implemented for use by the business.

Software and software development	2-10 years
Copyrights	10-20 years
Goodwill	20 years

Amortisation charge is presented within administration expenses. Some software development costs have been capitalised in accordance with FRS102, section 18 and are therefore not expensed.

Tangible fixed assets

Tangible assets are stated at historical cost, net of accumulated depreciation and provision for impairment. Depreciation is calculated to write down the cost of an asset, less its estimated residual value, of all tangible fixed assets other than freehold land on a straight-line basis over the useful economic life of the asset as follows:

Freehold buildings	50 years
Freehold improvements	10 years
Leasehold improvements	Over term of lease
Office equipment, fixtures and fittings	3-5 years
Motor vehicles	4 years

No depreciation is provided for on freehold land.

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Investment property

Investment properties are carried at fair value. Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the cost expenditures which are capitalised as and when activities that are necessary to get the investment properties ready for use for the purpose they are intended. The carrying amount excludes the costs of day-to-day servicing of investment properties. Subsequent to initial recognition, investment properties are stated at fair value which reflects market conditions at the reporting date.

Fair value is based on active market prices, adjusted, if necessary, for differences in the nature, location or condition of the specific asset. If this information is not available, the Group uses alternative valuation methods, such as discounted cash flow projections. Valuations are performed by independent professional valuers who hold recognised and relevant professional qualifications and have recent experience in the location and category of the investment property being valued. These valuations form the basis for the carrying amounts in the financial statements. The fair value of investment properties reflect, among other things, income from similar assets at their current highest and best use and assumptions about income from future operations in the light of current market conditions. Gains or losses arising from changes in the fair values of investment properties are included in the Consolidated Profit and Loss Account in the year they arise. Investment properties are derecognised when either they have been disposed of or when the investment properties are permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised within the Consolidated Profit and Loss Account in the period of derecognition.

Investments

Investments are included at cost less amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities. Investment income comprises dividends received from unlisted investments.

Impairment of non-financial assets

At each balance sheet date non-financial assets not carried at fair value are assessed to determine whether there is an indication that the asset (or asset's cash generating unit) may be impaired. If there is such an indication the recoverable amount of the asset (or asset's cash generating unit) is compared to the carrying amount of the asset (or asset's cash generating unit).

The recoverable amount of the asset (or asset's cash generating unit) is the higher of the fair value less costs to sell and value in use. Value in use is defined as the present value of the future cash flows before interest and tax obtainable as a result of the asset's (or asset's cash generating unit's) continued use. These cash flows are discounted using a pre-tax discount rate that represents the current market risk-free rate and the risks inherent in the asset.

If the recoverable amount of the asset (or asset's cash generating unit) is estimated to be lower than the carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss account, unless the asset has been revalued when the amount is recognised in other comprehensive income to the extent of any previously recognised revaluation. Thereafter any excess is recognised in profit or loss.

If an impairment loss is subsequently reversed, the carrying amount of the asset (or asset's cash generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the revised carrying amount does not exceed the carrying amount that would have been determined (net of depreciation or amortisation) had no impairment loss been recognised in prior periods. A reversal of an impairment loss is recognised in the profit and loss account.

Goodwill is allocated on acquisition to the cash generating unit expected to benefit from the synergies of the combination. Goodwill is included in the carrying value of cash generating units for impairment testing.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities.

(i) Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Group intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.

The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.

The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).

There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.

Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.

Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that have no stated interest rate (and do not constitute financing transactions) and are classified as payable or receivable within one year are initially measured at an undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

With the exception of some hedging instruments, other debt instruments not meeting these conditions are measured at fair value through profit or loss.

Commitments to make and receive loans which meet the conditions mentioned above are measured at cost (which may be nil) less impairment.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Financial instruments (continued)

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Group transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Group, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

(ii) Investments

Investments in subsidiaries and associates are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

(iii) Equity instruments

Equity instruments issued by the Group are recorded at the fair value of cash or other resources received or receivable, net of direct issue costs.

(iv) Derivative financial instruments

The Group uses derivative financial instruments to reduce exposure to interest rate movements. The Group does not hold or issue derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship. The Group currently does not designate any derivatives as hedging instruments and does not apply hedge accounting.

(v) Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

Stocks and work in progress

Stocks are stated at the lower of cost, valued on a first in first out (FIFO) basis, and net realisable value, after making due allowance for obsolete and slow-moving items. FIFO cost is calculated using the purchase or production price of goods.

Work in progress is valued on the basis of direct costs based on normal levels of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

Writers' advances

The Group pays advances to its writers which are recoverable from their future royalty earnings. All advance payments are capitalised and reviewed on a regular basis as to their recoverability.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Provisions

Provisions are made where an event has taken place that gives the Group a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to the Consolidated profit and loss account in the year that the Group become aware of the obligation, and are measured at the best estimate at the balance sheet date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the balance sheet.

Leases

Operating lease rentals are charged to the profit and loss account on a straight-line basis. Rental income received under operating leases are recognised in the profit and loss account on a straight-line basis over the lease term, even if the payments are not made on such a basis.

Assets held under finance leases and other similar contracts, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over the shorter of the lease terms and their useful lives. The capital elements of future lease obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the leases to produce a constant rate of charge on the balance of capital repayments outstanding.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Foreign exchange

Transactions denominated in foreign currencies are translated into sterling at the rates ruling at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rates ruling at that date. Translation differences arising on the opening net assets and the results of overseas subsidiaries are dealt with in the statement of comprehensive income. All other translation differences are included in the profit and loss account.

Pension schemes

The Group operates a defined contribution pension scheme for the benefit of employees and directors. The assets of the scheme are administered by trustees in a fund independent from those of the Group.

The pension costs charged against profits represent the amount of the contributions payable to the defined contributions pension scheme in respect of the accounting period.

Interest payable and similar expenses

Interest payable and similar expenses are charged to the profit and loss account over the term of the debt using the effective interest method so that the amounts charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

1. Accounting policies (continued)

Related party transactions

The Group discloses transactions with related parties which are not wholly owned within the same Group. Where appropriate, transactions of a similar nature are aggregated, unless, in the opinion of the directors, separate disclosure is necessary to understand the effect of the transaction in the Group financial statements.

2. Critical accounting judgements and key sources of estimating uncertainty

In the application of the Group's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Group's accounting policies

Other than the judgements made in estimating the items identified below, no further critical judgements were made in the application of the Group's accounting policies.

Key source of estimation uncertainty - impairment of goodwill

Goodwill is reviewed annually for indicators of impairment in accordance with the accounting policy set out above. The recoverable amount is determined based on the recoverable amount being the higher of net realisable value and value in use. The recoverable amount calculations require the use of estimates including earnings multiple valuations.

Key source of estimation uncertainty – impairment of copyrights

Copyrights are reviewed annually for indicators of impairment in accordance with the accounting policy set out above. The recoverable amount is determined based on the recoverable amount being the higher of net realisable value and value in use. The recoverable amount calculations require the use of estimates including earnings multiple valuations.

Key source of estimation uncertainty – valuation of investment property

Investment property is stated at fair value based on the valuation performed by an independent professional valuer Eddisons, Chartered Surveyors with recent experience in the location and category of property valued. The valuer used observable market prices adjusted as necessary for any difference in the future, location or condition of the specific asset. However, the Covid-19 pandemic has caused significant disruption and uncertainty in the property market which has inevitably increased the degree of judgement involved in the property valuation at 31 December 2021.

Key source of estimation uncertainty – impairment of investments

Investments are reviewed annually for indicators of impairment in accordance with the accounting policy set out above. The recoverable amount is determined based on the recoverable amount being the higher of net realisable value and value in use. The recoverable amount calculations require the use of estimates including projected future discounted cash flows.

Key source of estimation uncertainty – carrying value of advances

The carrying value of advances is estimated by the directors based on best judgements of future recoverability based on average annual recoupment of the advance and the remaining term of the contract. The provision charge in the accounts for the year ended 31 December 2021 was £63k (2020: £44k); refer to note 6.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

3. Turnover

Turnover is attributable to the main activities being the income from royalties, publishing, wholesale and retail distribution of printed music, music software, book and music publishing. The Group also generates revenues within the digital education sector.

	2021 £	2020 £
Turnover by class of business		
Printed Music	1,271,566	1,152,244
Music Publishing – including joint ventures	23,536,217	23,341,205
Digital Education	2,679,371	2,276,857
	<u>27,487,154</u>	<u>26,770,306</u>

	2021 £	2020 £
Turnover by geographical market		
United Kingdom	3,487,314	2,949,026
Other European Countries	48,143	70,962
USA and Canada	400,112	390,317
Australia and New Zealand	14,906	15,222

Total deferred tax	<u>355,356</u>	<u>(252,364)</u>
Total tax on loss	<u>708,306</u>	<u>(249,611)</u>

The standard rate of tax applied to reported profit is 19 per cent (2020: 19 per cent).

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

9. Tax on loss (continued)

The actual tax charge for the current year and the previous year differs from the standard tax rate for the reasons set out in the following reconciliation:

	2021 £	2020 £
Group loss before tax	(1,272,203)	(8,053,989)
Tax on Group loss at standard UK corporation tax rate of 19 per cent (2020: 19 per cent)	(241,719)	(1,530,258)
Effects of:		
Expenses not deductible for tax purposes	481,817	817,868
Income not taxable in determining taxable profit	(379)	191,704
Other permanent differences	(601)	(45)
Fixed asset differences	(157,266)	803,481
Other timing differences	(106,979)	(46,212)
Utilisation of tax losses not previously recognised	(119,644)	(32,775)
Change in unrecognised deferred tax assets	(152,822)	(232,115)
Higher tax rates on overseas earnings	66,965	(42,193)
Deferred tax not recognised	961,488	93,546
Adjustments to tax charge in respect of previous periods	(22,554)	(272,612)
Group total tax charge for year	708,306	(249,611)

Factors that may affect future tax charges

In the Spring Budget 2021, the Government announced that from 1 April 2023 the corporation tax rate will increase to 25%, with substantive enactment on 24 May 2021. Therefore, deferred tax has been recognised at the 25% tax rate.

10. Profit of parent company

As permitted by Section 408 of the Companies Act 2006 no separate profit and loss account or statement of comprehensive income is presented in respect of the parent company. The loss attributed to the Company is disclosed in the footnote to the Company's balance sheet.

11. Dividends on equity shares

A dividend of £nil was declared and paid during the year (2020: £nil).

22. Borrowings

Group

The borrowings comprise bank loans and loan notes as follows:

Bank loan of €10,700,000 repayable in annual instalments expiring in December 2025. Interest is charged at a ECB Rate + 3.00%. The loan is secured on the assets of the UK companies including Copyrights and Property.

Bank loan of £7,200,000 repayable in quarterly instalments, expiring in May 2029. A swap agreement has been entered into converting the variable interest to a fixed rate of 5.48%.

Bank loan of £8,000,000 repayable in annual instalments, expiring in October 2025. Interest is charged at SONIA + 3.00%.

Bank loan of €1,425,000 repayable in annual instalments expiring in June 2028. Interest is charged at 3.50%.

Bank loan of €1,000,000 repayable in annual instalments expiring in November 2025. Interest is charged at 5.25%.

Bank loan of £1,300,000 repayable in quarterly instalments, expiring in July 2029. Interest is charged at SONIA + 1.15%.

Bank loan of £2,700,000 repayable in quarterly instalments expiring in May 2029. Interest is charged at SONIA + 1.15%.

Bank loan of £740,000 repayable in quarterly instalments expiring in May 2029. Interest is charged at SONIA + 1.15%.

Bank loan of €720,000 repayable in annual instalments expiring in December 2024. Interest is charged at a EURIBOR + 3.50%.

Bank loan of €500,000 repayable in annual instalments expiring in March 2026. Interest is charged at a EURIBOR + 3.50%.

Bank loan of €800,000 repayable in annual instalments expiring in March 2031. Interest is charged at 1%.

Bank loan of 25,000,000 kr. repayable in annual instalments expiring in March 2027. Interest is charged at 2.98%.

Bank loan of 3,500,000 kr. repayable in annual instalments expiring in April 2027. Interest is charged at 2.25%.

Six private loan notes totalling £368,000 (2020: six loan notes totalling £368,000) are repayable in full on or before 30 June 2022. Interest is charged on a quarterly basis at SONIA +4% subject to a minimum rate of 5% and a maximum rate of 10%. The loan notes are unsecured.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

22. Borrowings (continued)

The Group has provided a first legal charge over certain freehold properties and a last ranking floating debenture as security in connection with the liability for the bank loans.

Borrowings are repayable as follows:

	2021 £	2020 £
Bank loans and loan notes		
Within one year	2,246,282	17,438,210
After one and within two years	2,046,109	1,520,592

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

26. Derivative financial instruments

Interest rate swap contracts

The following table details the notional principal amounts and remaining terms of interest rate swap contracts outstanding as at the reporting date:

Outstanding receive floating pay fixed contracts	Notional principal value		Fair value	
	2021	2020	2021	2020
	£	£	£	£
5 years or more	7,200,000	3,825,064	(622,170)	(979,842)

The interest rate swaps settle on a quarterly basis. The valuations have been made by our financial institution at market rates.

A swap agreement has been entered into converting the variable interest to a fixed rate of 5.48%. This swap agreement expires in May 2029.

The interest rate swaps are currently not designated as hedging instruments within an effective hedging relationship.

Gains of £357,672 (2020: £26,994) on derivative financial liabilities measured at fair value through profit or loss were recognised in profit or loss.

27. Called-up share capital and reserves

	2021 £	2020 £
Authorised		
110,000 ordinary shares of £1 each	110,000	110,000
Called-up, allotted and fully paid		
109,983 ordinary shares of £1 each	109,983	109,983

The shares have attached to them full voting, dividend and capital distribution (including on winding up) rights.

The group and company's other reserves are as follows:

The merger relief reserve has been credited in place of a share premium account when merger relief is applied.

The share capital redemption reserve of £12,500 relates to the purchase of own shares in 2010.

The other reserves consist of the following reserves across the Group:

Statutory and legal reserves of £19k (2020: £19k)

The profit and loss reserve represents profits or losses, net of dividends paid and other adjustments.

32. Capital commitments

At 31 December 2021 the Group had capital commitments that are not recognised on the balance sheet, falling due as follows:

	2021	2020
	£	£
In one year or less	1,000,000	1,312,500
Between one and five years	1,000,000	2,000,000
	<u>2,000,000</u>	<u>3,312,500</u>

33. Contingent liabilities

A number of subsidiary companies are included in Group registrations for VAT purposes and are therefore jointly and severally liable for all other Wise Music Group companies' unpaid debts in this connection.

Certain of the Wise Music Group companies have provided cross-guarantees to a bank under which such companies guarantee to the bank on a joint and several bases, all present and future Group indebtedness in respect to the Group overdraft and revolving credit facilities.

Wise Music Group Limited

Notes to the financial statements Year ended 31 December 2021

34. Related party transactions

Wise Music Group Limited has taken advantage of the exemption within Financial Reporting Standard 102 Section 33 'Related party disclosures' with respect to the disclosure of transactions in the year with related parties which are part of the Wise Music Group. Any transactions with other wholly owned subsidiaries within Wise Music Group, previously outside of the Group and disclosed as prior year comparatives, have not been reported for the current financial year.
