REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 MARCH 2017

The govenors, who are also directors of the charity for the purposes of the Companies Act, submit their annual report and the financial statements for the year ended 31 March 2017. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statements of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) as applicable to companies subject to the smaller company regime.

Legal Status

The company is a Charitable Trust, limited by guarantee. The company is appointed trustee under a trust dated 12 September 1996, as amended 31 January 2006. The company formed otherwise than for profit, and is not liable to corporation tax on income and gains falling with section 505 of the Taxes Act 1988 or Section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its chargeable objects.

Objectives

The principal activity of the charity is to award travel scholarships to young people, resident within the Rugby Borough who attend educational establishments, commonly within the Rugby Borough. The charity, through seeking to facilitate wider educational horizons for Rugby's young people, offers public value within the town, and in so doing, seeks to fulfil the aspirations of:

- the late Norman Edyvean Walker and
- . the organisations who wished to commemorate the life and work of the late David Lindop, formerly Company Secretary of Rugby Portland Cement

Review of activities

The governors annually from January to April organise a process whereby young people aged 16-21, whose families and they are resident in the Rugby Borough, may apply for financial assistance to help them raise money for an educational or charitable project which commonly involves travel to all parts of the world. The process is advertised to schools in the Rugby area and also on the organisation's website.

In 2016/17 we made three Edyvean Walker Travelling Scholarship awards to Curtis Turton and Alex Barrow (Lawrence Sheriff School) for journeys to Myanmar and Japan and to Harriet Timms (Rugby College ex Harris School) for her mission to Mozambique. We gave our David Lindop Award to Daniele Whitington (Rugby High School) who travelled to the Phillipines.

Organisation

The governors determine the general policy of the organisation. The day to day management of the charity is carried out by the Secretary. The governors meet annually to consider scholarship applications, which meet specific criteria according to the trust deed.

Reserves

The governors hold no reserves. All money is held in current, deposit or investment accounts as published in this report. Although there may be potential to raise more resources there are not currently considered necessary in that demand has been fully met for near to a decade.

REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 MARCH 2017 (CONTINUED)

Investment policy and returns

The governors are responsible for selecting appropriate investments to provide income and capital growth. The charity's policy is to adopt a low risk investment strategy based upon maximising income on invested endowment and surplus unrestricted funds.

Grant making policy

Grants are awarded to young people who are aged 16-21 and who are resident in the Borough of Rugby as defined at the time of awards and who have been or are about to be engaged in full or part-time education at a recognised educational establishment or centre. The January 2006 amendment to the Trust Deed was designed flexibly to respond to the increasingly modular patterns of education and the crossover between education, youth work and training, together with the increasing mobility and choice of qualifying applicants.

Public Benefit

The governors confirm that they have considered the guidance in respect of public benefit issued by the charity commission.

Major risks

The governors have reviewed the risks facing the charity. This involved identifying the types of risks the charity faces and identifying any means of mitigating those risks. As part of this process the governors have reviewed the internal controls and systems have been established to mitigate those risks.

It has proved increasingly difficult to engage with schools which for the most part are no longer under local authority control and year on year have faced escalating administrative pressures. The time of key staff is at a premium. Also in schools, communication is commonly via email rather than noticeboard and some long-term friends of the charity have recently retired from key posts.

There is a risk to the charity in that on the retirement of one governor in 2014 it proved impossible to persuade the NatWest Bank to accept either that the governor had retired or the nomination of an alternative without amendment to the historic Trust Deed. In practice this left the governors with only two authorised signatories to the NatWest account and in the event of illness or death of either no means of accessing its bank account.

In 2015/6 the governors decided to switch their current account to another bank. The Secretary made contact with Lloyds Bank and began the process of opening a new account. However when Lloyds wrote asking for a copy of the Articles and Memoranda of Governance for the Trust it became apparent that the Bank's software and processes could not grasp or deal with the fact that the there was sole Trustee and could not distinguish Trust from Trustee. Although this was not per se a problem with the Trust's documentation and the status of the Trust was subsequently clarified by the Charity Commission, nevertheless the bank could not act. This exacerbated the risk outlined above and the Governors were obliged to fall back on their NatWest account until such time as the matter could be resolved.

REPORT OF THE GOVERNORS REPORT OF THE GOVERNORS (CONTINUED)

However in correspondence with Lloyds bank and after internal consideration the Governors hypothesised that their decision to operate Trust and Trustee under the one name 'The Edyvean Walker and David Lindop Trust' might be the source of the confusion for banks. Accordingly it was agreed that another approach be made to Lloyds Bank and also one to Companies House to change the name of the Trustee on the certificate of incorporation to 'The Edyvean Walker and David Lindop Trust Limited' i.e restoring the term 'Limited'. By the end of the 2015/16 financial year the problem had been ongoing for over two years and the risk had increased in magnitude albeit with hope that actions in 2016/17 might address it. By the end of 2016/17 despite further efforts to resolve the issue the Trustees were led in circles by Lloyds Bank and have remained with the NatWest albeit with the problem unresolved. unless and until the governors can identify a bank whose processes are sufficient to our needs this will remain a risk.

INDEPENDENT EXAMINER'S REPORT TO THE GOVERNORS OF THE EDYVEAN-WALKER AND DAVID LINDOP TRUST

We report on the accounts of the Charity for the year ended 31 March 2017 which are set out on pages 5 to 10.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's governors (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. In accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The governors consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to an audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to our attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as governors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with our examination, no matter has come to our attention:

- 1) which gives us reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met: or

2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
