### Directors' report period ended 31 March 2020

The directors present their report with the financial statements of the company for the period ended 31 March 2020

### Principal activities of the company

The principal activities of the MacIntyre group are providing services in education, residential and day activities for adults and children with learning disabilities.

#### Political and charitable donations

We are most grateful to all those who are so generous in supporting the group, both financially and with their time. We know that donors and providers of funds want to be assured that their monies are being spent wisely and as fully as possible on charitable activities. The response to our Trustee Covid-19 appeal for iPads, puzzles and toys for those whom we support was particularly appreciated, given the very difficult circumstances.

#### Company policy on disabled employees

MacIntyre is a 'Disability Confident Employer' which helps to positively change attitudes, behaviours and cultures whilst making the most of the talents people with disabilities can bring to our organisation. When working with employees who have a disability, we join together with our occupational health provider and Access to Work in order to implement reasonable adjustments, thereby ensuring staff are not disadvantaged in undertaking their role.

### 1. Accounting policies

### Basis of measurement and preparation

These financial statements have been prepared in accordance with the provisions of Financial Reporting Standard 101

### **Turnover policy**

IncomeAll income is recognised when there is entitlement to the funds, the receipt is probable and the amount can be measured reliably. Fee income is recognised in the period in which services are provided and the related fee income is receivable. Fees received in advance of care services provided are held within deferred income until the period to which they relate. Donations and grants, including grants in respect of major items of refurbishment, improvements or the purchase of fixed assets and government grants, are recognised in the Statement of Financial Activities when receivable. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met.

### Tangible fixed assets depreciation policy

Please refer to note 1 within the year end accounts.
