The Directors are responsible for preparing the Directors' Report and the Company financial statements ("the financial statements") in accordance with applicable United Kingdom law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. - make judgements and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;

Actual results may differ from these estimates.

Critical accounting estimates are those which involve the most complex or subjective judgements or assessments. No significant judgements or estimates have been made in determining the financial results or financial position of the Company.
