WELLFIELD PRECISION TOOLING COMPANY LIMITED

**ABBREVIATED BALANCE SHEET (continued)
AS AT 31 DECEMBER 2015**

The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of section 477 of the Companies Act 2006 ("the Act") and members have not required the company to obtain an audit for the year in question in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and for preparing financial statements which give a true and fair view of the state of affairs of the company as at 31 December 2015 and of its profit for the year in accordance with the requirements of sections 394 and 395 of the Act and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts, which have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, were approved and authorised for issue by the board and were signed on its behalf on 14 September 2016.

A handwritten signature in black ink, appearing to read 'Derek Brooks', is written over a horizontal line.

Derek Brooks
Director

The notes on pages 4 to 6 form part of these financial statements.

**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2015**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention as modified by the revaluation of long term leasehold property and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

1.2 Going concern

The financial statements have been prepared on a going concern basis. At 31 December 2015 the company's current liabilities exceeded its current assets by £67,627. The company has traded profitably in 2016 to date & based on current and future expectations, the directors consider that the company will continue trading within its bank overdraft facility and will be able to meet its liabilities as they fall due. On the basis of these factors the directors believe that it is appropriate to prepare the financial statements on a going concern basis.

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

L/Term Leasehold Property	-	2% on cost
Plant & machinery	-	10 - 20% on cost
Motor vehicles	-	25% on cost

1.5 Revaluation of tangible fixed assets

Individual freehold and leasehold properties are carried at current year value at the balance sheet date. A full valuation is obtained from a qualified valuer for each property every five years, with an interim valuation three years after the previous full valuation, and in any year where it is likely that there has been a material change in value.

Revaluation gains and losses are recognised in the statement of total recognised gains and losses unless losses exceed the previously recognised gains or reflect a clear consumption of economic benefits, in which case the losses are recognised in the Profit and loss account.

**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2015**

1. ACCOUNTING POLICIES (continued)

1.6 Leasing and hire purchase

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the Profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.7 Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Profit and loss account over the expected useful lives of the assets concerned. Other grants are credited to the Profit and loss account as the related expenditure is incurred.

1.9 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.
