1 Basis of accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102"). As the company has met the Companies Act 2006 definition of a dormant company as at and since the date of transition the accounting policies applied at the date of transition under previous GAAP have been retained as permitted by paragraph 10(m) of chapter 35 of FRS 102. As a result there will be no change to amounts reported at 03 March 2018 until there is any change to those balances or the company undertakes any new transactions.

The directors have considered the company's working capital requirements for the next 12 months from the date of approval of these financial statements and consider that there are no material uncertainties. On this basis the directors consider the going concern basis of preparation to be appropriate.

2 Profit and loss account

No profit and loss account is presented with these financial statements because the company has not received income, incurred expenditure or recognised any gains or losses during either the year under review or the preceding financial year. There have been no movements in shareholders' funds during the year under review or the preceding financial year. The cost of the annual return fee was borne by the Company's parent company without any right of reimbursement. The cost of the annual return fee was borne by the Company's parent company without any right of reimbursement.
