## NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 JULY 2015

---

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	50 years straight line
Plant and machinery	20% reducing balance
Fixtures, fittings & equipment	10% reducing balance
Motor vehicles	25% reducing balance

#### 1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

#### 1.6 Stock

Stock is valued at the lower of cost and net realisable value.

#### 1.7 Pensions

The company operates a defined contribution scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The charge to the profit and loss account represents the total contributions payable to the scheme in respect of the current accounting period.

#### 1.8 Deferred taxation

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes.

#### 1.9 Sale of fixed assets

Plant and equipment purchased as a fixed asset is sometimes sold for more than cost, whether or not it has been previously renovated. In those circumstances the sale proceeds are included in turnover, the cost transferred from fixed assets to cost of sales and the accumulated depreciation is transferred to profit on sale of fixed assets.
