Arnold Waste Disposal Limited

Directors' report

The Directors present their annual report and the audited financial statements of Arnold Waste Disposal Limited ("the Company") for the year ended 31 December 2015.

Principal activity

The principal activity of the Company during the year ended 31 December 2015 was the decommissioning and aftercare of its landfill site.

Directors

The Directors who served during the year ended 31 December 2015 and up to the date of this report were as follows:

P Taylor

V F Orts-Llopis

A Serrano Minchan

Results and dividends

The results for the Company for the year ended 31 December 2015 are set out on page 6. The loss for the financial year amounted to £256,000 (2014: £806,000 profit). The Company did not pay an interim dividend during the year (2014: £nil) and furthermore, the Directors do not recommend the payment of a final dividend (2014: £nil). The loss (2014: profit) for the financial year has been withdrawn from (2014: transferred to) reserves, resulting in a corresponding increase (2014: decrease) in total shareholder's deficit in the year.

The company's immediate parent company, FCC Environment (UK) Limited ("FCC E UK") manages its operations on a divisional basis and information regarding key performance indicators is included within the FCC E UK annual report. For this reason, the Company's Directors believe that the disclosure of further financial and non-financial key performance indicators for the Company is not appropriate for an understanding of the development, performance or position of the business.

At 1 January 2014, the Company transitioned to FRS 101 from previously extant UK Generally Accepted Accounting Practice. The effects of the change on financial position and financial performance are considered in note 2 to the financial statements.

Going concern

The Directors continue to adopt the going concern basis in preparing the Directors' report and financial statements. Full details of the going concern considerations can be found in note 2 of the notes to the financial statements.

Directors' indemnities

During the financial year, qualifying third party indemnity provisions for the benefit of all Directors of the Company were in force and continue to be in force at the date of this report. Such provisions were made by the Company's ultimate parent undertaking, Fomento de Construcciones y Contratas, S.A. ("FCC").

Financial risk management

The Company is exposed to financial risk through its financial assets and liabilities. The most important components of financial risk are interest rate risk, credit risk and liquidity risk. Due to the nature of the Company's activities and the assets contained within the Company's balance sheet, the only financial risks the Directors consider relevant to the Company are liquidity and credit risk.

Liquidity and credit risk

The Company's exposure to credit and liquidity risk is reduced as it is a wholly owned subsidiary of FCC E UK and participates in a cash-pooling agreement with FCC E UK and FCC E UK's subsidiary undertakings (together the "Group"). Credit risk arises from the risk of having credit exposures to customers, including outstanding receivables. The Company reviews the credit ratings of all significant customers regularly and continues to monitor the quality of debtor balances on an ongoing basis. Liquidity risk is the risk that the Company does not have sufficient cash resources to meet its commitments. The Company prepares and reviews cash flow forecasts frequently to ensure that it has sufficient resources to meet its cash flow commitments.

Arnold Waste Disposal Limited

Directors' report

Directors' responsibilities statement

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Pursuant to section 487 of the Act, the auditor will be deemed to be reappointed annually by the Company and Deloitte LLP will therefore continue in office until further notice.

Small companies exemption

This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Approved by the Board and signed on its behalf by:

C Nunn
Company Secretary

7 September 2016

Independent auditor's report to the members of Arnold Waste Disposal Limited

We have audited the financial statements of Arnold Waste Disposal Limited for the year ended 31 December 2015 which comprise of the statement of comprehensive income, the balance sheet, the statement of changes in equity and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report to the members of Arnold Waste Disposal Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption from preparing a Strategic report or in preparing the Directors' report.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

1. Corporate information

Arnold Waste Disposal Limited is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Directors' report.

2. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

General information and basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) issued by the Financial Reporting Council.

The Company has transitioned to FRS 101 from previously extant UK Generally Accepted Accounting Practice for all periods presented. There were no adjustments to the financial statements arising from the transition.

The functional and presentational currency of Arnold Waste Disposal Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

Exemptions for qualifying entities under FRS 101

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) The requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 *Share-based Payment*
- (b) The requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(q)(ii), B66 and B67 of IFRS 3 *Business Combinations*
- (c) The requirements of IFRS 7 *Financial Instruments: Disclosures*
- (d) The requirements of paragraphs 91 to 99 of IFRS 13 *Fair Value Measurement*
- (e) The requirement in paragraph 38 of IAS 1 *Presentation of Financial Statements* to present comparative information in respect of:
 - i. paragraph 79(a)(iv) of IAS 1;
 - ii. paragraph 73(e) of IAS 16 *Property, Plant and Equipment*;
 - iii. paragraph 118(e) of IAS 38 *Intangible Assets*;
- (f) The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 *Presentation of Financial Statements*
- (g) The requirements of IAS 7 *Statement of Cash Flows*
- (h) The requirements of paragraphs 30 and 31 of IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*
- (i) The requirements of paragraph 17 of IAS 24 *Related Party Disclosures*
- (j) The requirements in IAS 24 *Related Party Disclosures* to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member
- (k) The requirements of paragraphs 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 *Impairment of Assets*

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

2. Accounting policies (continued)

Amendments to IFRSs that are mandatorily effective for the current year

In the current year, the Company has applied a number of amendments to IFRSs issued by the International Accounting Standards Board (IASB) that are mandatorily effective for an accounting period that begins on or after 1 January 2015 (except as noted below). Their adoption has not had any material impact on the disclosures or on the amounts reported in these financial statements.

- Amendments to IAS 19 Defined Benefit Plans: Employee Contributions
- Annual Improvements to IFRSs 2010 - 2012 Cycle
- Annual Improvements to IFRSs 2011 - 2013 Cycle

New international accounting standards and interpretations not yet adopted

At the date of authorisation of these financial statements, the following new or amended IFRS accounting standards and interpretations, which have not yet been adopted by the Company, were in issue but not yet effective (and in some cases had not yet been adopted by the EU):

- IFRS 9 – Financial instruments
- IFRS 15 – Revenue from Contracts with Customers
- IFRS 11 (amendments) – Accounting for Acquisitions of Interests in Joint Operations
- IAS 1 (amendments) – Disclosure Initiative
- IAS 16 and IAS 38 amendments – Clarification of Acceptable Methods of Depreciation and Amortisation
- IAS 27 (amended) – Equity Method in Separate Financial Statements
- IFRS 10 and IAS 28 amendments – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- IFRS 10, IFRS 12 and IAS 28 (amendments) – Investment Entities: Applying the Consolidation Exemption
- Annual Improvements to IFRSs 2012 - 2014 Cycle

The Directors do not expect that the adoption of the aforementioned standards and interpretations will have a material impact on the financial statements of the Company in future periods.

Beyond the information above, it is not practicable to provide a reasonable estimate of the effect of these standards until a detailed review has been completed.

Going concern

The Directors, having assessed the responses of their enquiries to the immediate parent company, FCC E UK, have reviewed projected cash flows and carefully considered the risks to the Company's trading performance and cash flows, and continue to adopt the going concern basis in preparing the Annual report and financial statements.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

2. Accounting policies (continued)

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Landfill sites	-	based on the void used in the period as a proportion of total void
Plant and equipment	-	over 3 to 20 years

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of the age and in the condition expected at the end of its useful life.

Decommissioning assets (and provisions) are created on commencement of operation at a site and depreciated as for landfill sites above. Capping assets (and provisions) are created in a similar way when new cell construction commences and capping assets are depreciated based on expected cell life.

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the income statement net of any reimbursement. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Decommissioning and aftercare costs

Full provision is made for the net present value ("NPV") of the Company's projected costs, in respect of decommissioning liabilities at the Company's landfill sites, which have been capitalised in tangible fixed assets. The Company provides for all projected aftercare costs over the life of its landfill sites, based on the volumes of waste deposited in the year, since liabilities in relation to these costs arise as waste is deposited.

All long term provisions for decommissioning and aftercare costs are calculated based on the NPV of estimated future costs. Current cost estimates are inflated at 2.5% and discounted at 5.0% to calculate the NPV.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

2. Accounting policies (continued)

Taxation

Turnover, expenses and assets are recognised net of the amount of sales tax except:

- where the sales tax incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- debtors and creditors are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of debtors or creditors in the balance sheet. Tax on the profit or loss for the year comprises current and deferred tax.

Current tax is the expected tax payable on the taxable surplus for the year using average tax rates in place during the financial year, and any adjustments in respect of previous periods. Income tax relating to items recognised directly in equity is recognised in equity and not in the income statement.

Deferred income tax is provided, using the liability method, on all temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred income tax is recognised for all temporary differences:

- except where the deferred income tax liability arises from the initial recognition of goodwill, non-tax deductible goodwill amortisation or the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit or loss nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries except where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred income tax assets are recognised for all deductible temporary differences and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry-forward of unused tax assets and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 2, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Provisions – Under environmental legislation and through regulation and planning consents, the Company is obliged to decommission and restore landfill sites to a prescribed standard. The elements included in the decommissioning provision are those projected costs which will be required to close down any given site in compliance with its environmental permit, planning conditions, and contractual and lease requirements. The provision is limited to costs incurred in the immediate closure and decommissioning period.

As well as decommissioning a site, the Company is obliged under its environmental permits and planning permission to manage a site for a period of up to 60 years or until it becomes inactive. As a result, in addition to provisions for decommissioning, the Company also establishes provisions for aftercare. Elements included in the provision are those projected costs which are required to ensure that a landfill site is properly managed in compliance with its environmental permit, planning conditions and lease terms during its closed phase.

In addition to the decommissioning and aftercare provisions, the Company makes provision for other costs relating to regulatory and environmental compliance to be incurred on items such as capping and leachate disposal.

These provisions are based principally on measurement and survey data and some engineering estimates, including cost assumptions. Estimating provisions over long time periods requires a number of assumptions and judgements to be made. Significant reductions in the estimates of the remaining site lives of the landfill sites or significant increases in estimates of decommissioning costs or aftercare costs due to changes in regulatory requirements or estimates could have a substantial impact on the value of the provisions.

An annual inflation rate of 2.5% has been assumed over the period of cost relating to the provisions and the provisions have been discounted at 5.0%.

Taxation - Estimates may be required in determining the level of current and deferred income tax assets and liabilities which the Directors believe are reasonable and adequately recognise any income tax related uncertainties. Various factors may have favourable or adverse effects on the income tax assets or liabilities. These include changes in legislation, tax rates and allowances, future levels of spending and the Company's future earnings.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

4. (Loss)/profit on ordinary activities before taxation

(Loss)/profit on ordinary activities before taxation is stated after charging/(crediting):

	2015 £'000	2014 £'000
Increase/(Decrease) in environmental provisions on revision of estimate of future costs (included within provisions charge)	151	(954)

Auditor's remuneration in respect of audit fees totalling £1,000 (2014: £1,000) has been met by FCC Recycling (UK) Limited, a fellow subsidiary undertaking of FCC E UK.

In accordance with SI 2008/489 the Company has not disclosed the fees payable to the Company's auditor for 'Other services' as this information is included in the consolidated financial statements of FCC E UK.

5. Directors' remuneration and transactions

None of the Directors received any remuneration or other benefits through the Company during the year ended 31 December 2015 or the previous financial year.

They are all remunerated as directors or employees of FCC E UK for services to the Group as a whole and as such it is not possible to directly attribute any element of their remuneration to services as a director of this Company. The Company had no employees during the current or previous financial year.

6. Interest payable

	2015 £'000	2014 £'000
Unwinding of discount (note 11)	105	152

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

7. Tax on (loss)/profit on ordinary activities

The tax position comprises:

	2015 £'000	2014 £'000
Current tax		
United Kingdom corporation tax at 20.25% (2014: 21.5%) based on (loss)/profit for the year	-	-
Total current tax	-	-
Deferred tax		
Origination and reversal of timing differences	-	-
Total deferred tax (see note 11)	-	-
Tax on (loss)/profit on ordinary activities	-	-

Finance Act 2015 (No.2), which was substantively enacted in October 2015, included provisions to reduce the rate of corporation tax to 19% with effect from 1 April 2017 and 18% from 1 April 2020.

The total tax position for both the current and previous year differs from the average standard rate of 20.25% (2014: 21.5%) for the reasons set out in the following reconciliation:

	2015 £'000	2014 £'000
(Loss)/profit on ordinary activities before tax	(256)	806
Tax on (loss)/profit on ordinary activities at average standard rate	(52)	173
Effects of:		
Group relief surrendered/(claimed)	52	(173)
Total tax position	-	-

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

8. Tangible fixed assets

	Landfill sites £'000	Plant and equipment £'000	Total £'000
Cost			
At 1 January 2015 and 31 December 2015	2,964	66	3,030
Depreciation			
At 1 January 2015 and 31 December 2015	2,964	66	3,030
Net book value			
At 31 December 2015 and 31 December 2014	-	-	-

9. Debtors

	2015 £'000	2014 £'000
<i>Amounts falling due within one year:</i>		
Amounts owed by fellow subsidiary undertakings	2,355	2,462
Prepayments and accrued income	-	2
	<u>2,355</u>	<u>2,464</u>
<i>Amounts falling due after more than one year:</i>		
Amounts prepaid to fellow subsidiary undertaking	8	8
	<u>8</u>	<u>8</u>
	<u>2,363</u>	<u>2,472</u>

Amounts due from fellow subsidiary undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

10. Creditors: amounts falling due within one year

	2015 £'000	2014 £'000
Amounts owed to fellow subsidiary undertakings	821	821
Accruals and deferred income	3	3
	<u>824</u>	<u>824</u>

Amounts owed to fellow subsidiary undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

11. Provisions for liabilities

	Decommiss ioning £'000	Landfill aftercare £'000	Other £'000	Total £'000
At 1 January 2015	8	2,068	5	2,081
Charged to profit and loss account	-	151	-	151
Unwinding of discount (note 6)	-	105	-	105
Expended in year	-	(109)	-	(109)
At 31 December 2015	8	2,215	5	2,228

Decommissioning and landfill aftercare

The Group provides for the estimated cost of decommissioning its landfill sites at the end of their operational life and for their subsequent aftercare. The aftercare period is generally expected to be 60 years and expenditure will be incurred throughout this 60 year period. These provisions are discounted at a rate of 5% from the date on which the expenditure is expected to occur. These provisions by their nature require a significant degree of estimation and hence there is a degree of uncertainty with regards to the timing and amount of outflows of economic benefit.

Other provisions

Other provisions include the estimated cost of discharging environmental liabilities, including current capping of open landfill areas and the disposal of leachate, which arise during the operational phase of its landfill sites. Capping expenditure occurs as landfill cells are completed, whilst expenditure on the disposal of leachate occurs throughout the lifecycle of a landfill site.

Deferred tax

Deferred tax is provided as follows:

	Provided		Unprovided	
	2015	2014	2015	2014

Arnold Waste Disposal Limited

Notes to the financial statements For the year ended 31 December 2015

13. Contingent liabilities

- (a) The Company is a member of a group VAT registration and as such has contingent liabilities for VAT in respect of other members of the Group.
- (b) On 22 January 2014, the Company was a party to the refinancing of Azincourt Investment S.L. ("Azincourt") and its subsidiary companies. Azincourt was the company used by Fomento de Construcciones y Contratas, S.A. for the acquisition of the Group and its subsidiary undertakings including the Company. Under the re-financing, the Group has granted legal mortgages (or the relevant Scottish equivalent) over specified real property, fixed charges over certain assets, fixed charges or share pledges over investments in addition to assigning certain of its insurance policies and interests in hedging arrangements. The Group has granted floating charges over all present and future undertakings not already charged pursuant to any of the above. Additionally, the Group has granted fixed and floating charges over certain assets as security under an Asset Backed Lending Facility.

14. Related party transactions

The Directors regard all subsidiaries of FCC as related parties. In the ordinary course of business, the Company has traded with fellow subsidiaries of FCC.

Under FRS 101, the Company is exempt from disclosing related party transactions with other wholly owned subsidiaries of FCC.

15. Controlling party

The immediate parent of the Company is FCC Environment (UK) Limited, a company registered in England and Wales.

The Directors regard Fomento de Construcciones y Contratas, S.A., a company registered in Spain, as the ultimate parent company and controlling party.

Fomento de Construcciones y Contratas, S.A. is the parent company of the largest group of which the Company is a member and for which group financial statements are drawn up. FCC Environment (UK) Limited is the parent company of the smallest group of which the Company is a member and for which group financial statements are drawn up. Copies of the financial statements of both FCC Environment (UK) Limited and Fomento de Construcciones y Contratas, S.A. are available from the Company Secretary, Ground Floor West, 900 Pavilion Drive, Northampton Business Park, Northampton, NN4 7RG.
