Date: 21/12

**Liaison Life Insurance And Investment  
Services Of Nottingham Plc**

**Report of the Directors  
for the Year Ended 31 August 2021**

The directors present their report with the financial statements of the company for the year ended 31 August 2021.

**DIVIDENDS**

No dividends will be distributed for the year ended 31 August 2021.

**DIRECTORS**

The directors shown below have held office during the whole of the period from 1 September 2020 to the date of this report.

M Betts  
H Singh

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**AUDITORS**

The auditors, Haines Watts, will be proposed for re-appointment at the forthcoming Annual General Meeting.

**ON BEHALF OF THE BOARD:**

  
.....  
M Betts - Director

Date:  .....

**Report of the Independent Auditors to the Members of**  
**Liaison Life Insurance And Investment**  
**Services Of Nottingham Plc**

**Opinion**

We have audited the financial statements of Liaison Life Insurance And Investment Services Of Nottingham Plc (the 'company') for the year ended 31 August 2021 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 August 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Report of the Independent Auditors to the Members of**  
**Liaison Life Insurance And Investment**  
**Services Of Nottingham Plc**

**Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements. Specifically reviewing documents ensuring no instances of non-compliance noted in respect of other UK company, employment and taxation laws and regulations.

Enquiring of management of any known or suspected instances of fraud, as well as considering management's assessment of the susceptibility of the financial statements to fraud.

Performing analytical procedures to identify any unusual or unexpected relationships that may indicate an increased risk of material misstatement as a result of fraud.

Ensuring amounts recorded as owed to and receivable from other group companies materially reconcile back to the intercompany matrix schedule.

Performing substantive testing over a selection of journal entries made in the period, to address the risk of fraud due to management override of controls.

Assessing accounting estimates which have a material impact of the year end accounts, to determine if there is indication of management bias. We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Despite the audit being planned and conducted in accordance with ISAs (UK) there remains an unavoidable risk that material misstatements in the financial statements may not be detected owing to inherent limitations of the audit, and that by their very nature, any such instances of fraud or irregularity likely involve collusion, forgery, intentional misrepresentations, or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Auditors.

Report of the Independent Auditors to the Members of  
Liaison Life Insurance And Investment  
Services Of Nottingham Plc

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Liaison Life Insurance And Investment  
Services Of Nottingham Plc**

**Notes to the Financial Statements  
for the Year Ended 31 August 2021**

**1. STATUTORY INFORMATION**

Liaison Life Insurance And Investment Services Of Nottingham Plc is a private company, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Significant judgements and estimates**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The directors have considered the fair value of the investments through a review of average terms provided by the market for similar levels of finance/borrowings and accordingly applied a discount rate and repayment profile based on these market rate.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 15% on reducing balance
-----------------------	---------------------------

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

**Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at their transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Loans and Borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment. If an arrangement constitutes a financial transaction it is measured at present value.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Liaison Life Insurance And Investment  
Services Of Nottingham Plc**

**Notes to the Financial Statements - continued  
for the Year Ended 31 August 2021**

**2. ACCOUNTING POLICIES - continued**

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Investments**

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses. Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

**3. EMPLOYEES AND DIRECTORS**

There were no staff costs for the year ended 31 August 2021 nor for the year ended 31 August 2020.

The average number of employees during the year was as follows:

	31.8.21	31.8.20
Directors	<u>2</u>	<u>2</u>

	31.8.21 £	31.8.20 £
Directors' remuneration	<u>-</u>	<u>-</u>

**4. OPERATING PROFIT**

The operating profit is stated after charging:

	31.8.21 £	31.8.20 £
Depreciation - owned assets	14	16
Auditors' remuneration	<u>1,300</u>	<u>1,300</u>

**5. TAXATION**

**Analysis of the tax charge**

The tax charge on the profit for the year was as follows:

	31.8.21 £	31.8.20 £
Current tax:		
UK corporation tax	<u>6,280</u>	<u>6,002</u>
Tax on profit	<u>6,280</u>	<u>6,002</u>

**Liaison Life Insurance And Investment  
Services Of Nottingham Plc**

**Notes to the Financial Statements - continued  
for the Year Ended 31 August 2021**

**5. TAXATION - continued**

**Reconciliation of total tax charge included in profit and loss**

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below:

	31.8.21 £	31.8.20 £
Profit before tax	<u>35,202</u>	<u>33,632</u>
Profit multiplied by the standard rate of corporation tax in the UK of 19% (2020 - 19%)	6,688	6,390
Effects of:		
Expenses not deductible for tax purposes	2	3
Income not taxable for tax purposes	<u>(410)</u>	<u>(391)</u>
Total tax charge	<u>6,280</u>	<u>6,002</u>

**6. TANGIBLE FIXED ASSETS**

	Fixtures and fittings £
<b>COST</b>	
At 1 September 2020 and 31 August 2021	<u>42,024</u>
<b>DEPRECIATION</b>	
At 1 September 2020	41,931
Charge for year	<u>14</u>
At 31 August 2021	<u>41,945</u>
<b>NET BOOK VALUE</b>	
At 31 August 2021	<u>79</u>
At 31 August 2020	<u>93</u>
