A VIEW FROM THE CHAIR

2022/23 was definitely not "just another year" for Polka! Rather it was a year which marked the beginning of a new and crucial chapter in the developing story of this very special place. I feel very proud to have taken the Chair at the AGM last November.

We are immensely grateful to Sarah King who oversaw the last chapter and served as our Chair for a hugely successful decade. It was a period which required her expert leadership as it culminated in the twin challenges of Polka's excellent refurbishment and the overlapping devastation of the pandemic. A tenacious team, dedicated Board and Sarah's strong leadership have given us a strong foundation on which to build, albeit in a rather creaky and uncertain environment.

This has been our first full financial year since reopening, and we are gradually getting back on the positive financial track outlined in our strategy. The entertainment sector was hit very hard by Covid, as audiences were slow to resume their old habits and box office revenues were further hobbled by high inflation and general uncertainty in household and school budgets. However, we were acutely aware of the urgent need to support children's learning and development, in line with our mission. We made the decision to invest in our team and services to make sure this happened, using strong reserves and designated funds for the purpose for which they were designed. So, our own 22/23 budgets were very challenging, and we are grateful to those who managed them so expertly. We are also immensely grateful for the continued support of Arts Council England and our many loyal and new funders, without whom we simply could not do what we do.

The new chapter has seen us appoint Helen Matravers as Artistic Director/Joint CEO to replace Pete Glanville who served us superbly for 9 years. Helen has already made an excellent start and I know she will be a massive influence in our future success alongside Executive Director/Joint CEO Lynette Shanbury. They have a formidable leadership team and very talented and hard-working staff and volunteers, so we are very well set for the challenges ahead. We have also appointed an excellent group of new Trustees and named officers, including Fiona McLaren (becoming Deputy Chair), Vince O'Brien (joining as Treasurer) and Helen Clark Bell, hugely experienced in our community. All very high performers joining a high performing Board.

Polka is a resilient, innovative and important institution. Ultimately our growth will be determined by the quality and diversity of the work seen on our stages and in our classrooms and workshops. This is all underpinned by a joyful, safe and learning-inspired environment and a strategy which delivers for all. I am very confident that this chapter will be another excellent one!

Chair, Board of Trustees

REPORT OF THE TRUSTEES

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Polka Children's Theatre Limited is a company incorporated in England and Wales, limited by guarantee, and governed by its Memorandum and Articles of Association dated 10th September 1968 and amended to allow for current governance arrangements on 16th October 1987, 14th October 1993 and 8th February 2012. It is registered as a charity with the Charity Commission.

Appointment of Trustees

As set out in the Articles of Association, the Trustees have the power at any time to appoint any person to be a member of the Board, either to fill a casual vacancy or as an additional member of the Board. Any person so appointed holds office only until the next Annual General Meeting and is then eligible for re-election. At each Annual General Meeting, one-third of the members of the Board retire from office.

Trustee Induction and Training

New Trustees receive briefings on the history of the company, their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the Board and decision-making processes, the company plan and recent financial performance of the company.

Organisation

The Board of Trustees determines the long-term objectives of the company. It meets quarterly and detailed oversight is further assured through a structure of Board Working Groups covering finance, development, operations, artistic and creative learning programming, and marketing and commercial activities. The Board appoints executive officers, not being members of the Board, to discharge the artistic, administrative and other duties necessary for the proper functioning of the company.

The remuneration of the Executive Officers is recommended to the Board of Trustees by the Finance Working Group with reference to comparable salary levels within the subsidised theatre sector.

Executive Officers:

Peter Glanville, Joint Chief Executive and Artistic Director (resigned

January 2023)

Helen Matravers, Joint Chief Executive and Artistic Director (appointed

January 2023)

Lynette Alston, Joint Chief Executive and Company Secretary

The Executive Officers represent Key Management Personnel and their cost of employment for the year totalled £120,800

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

Public Benefit

In shaping Polka's objectives for the year and planning our activities, the Trustees considered the Charity Commission's guidance on public benefit and fee charging. The Theatre relies on grants and the income from sales, fees and charges to cover its operating costs. In setting the charity's programme of work and the level of fees, charges and concessions, the Trustees gave particular consideration to the accessibility of the theatre for those on low incomes and those with least opportunity to participate in cultural activities.

Objectives and Activities

The charitable objects of the company are to promote, maintain, improve and advance education, particularly by the production of plays for children and the encouragement of the arts, including the arts of drama, mime, puppetry, dance, singing and music.

The overarching mission of the organisation is *to empower children to navigate their world through inspirational theatre and creative experiences.* Polka wants to give as many children as possible, from all backgrounds, the opportunity to experience thrilling, innovative, world-class theatre, and creative learning opportunities, in a welcoming space that they can call their own.

Strategic Objectives

- 1. Provide inspiring, diverse and inclusive world-class theatre and creative learning opportunities for children aged 0-12
- 2. Enable as many children as possible, from all backgrounds, to access the enriching theatre experiences Polka offers
- 3. Maintain a welcoming and inclusive space dedicated to the playful inspiration of children, where families, schools and communities come together
- 4. Support children's learning, personal development and enjoyment
- 5. Be a locally, nationally and internationally valued organisation
- 6. Drive pioneering practice within children's theatre
- 7. Provide a respectful, inclusive and supportive environment for everyone at Polka, to achieve their best for our beneficiaries
- 8. Be a financially sustainable and environmentally responsible organisation

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

Our Values

- Child-centred placing children at the heart of everything Polka does
- Community engaging our diverse communities of children, families, educationalists and artists
- Excellent pioneering, adventurous, offering the highest quality
- Memorable creating magical, meaningful experiences
- Inclusive welcoming, accessible, nurturing, supportive, representative.

Overview

This was the first full year of venue-based operations after a 2.5 year closure for our major capital redevelopment, extended by the impact of the Covid-19 pandemic.

By the end of the year over 115,000 people had experienced our work, including over 98,000 who visited our theatre venue and 20,000 who took part in Creative Learning activities. We produced 9 in-house productions and co-productions, received 15 visiting companies at our Wimbledon venue (including 2 international companies), and had 5 productions on tour.

In January 2023 Peter Glanville stepped down from the role of Artistic Director and Joint CEO after 9 years. Helen Matravers took over the role after an extensive and wide-reaching recruitment process led by the Chair and involving Trustees and industry specialists. We employed over 200 staff, including over 110 freelancers. Over 140 volunteers signed up during the year, and over 5,050 volunteer hours were contributed through our formal volunteering programme, with many more contributed by informal volunteers.

Finance

As we continued to re-establish our operations and audiences, the Board agreed to run a planned deficit budget for the year, utilising designated funds alongside some free reserves. We continued to feel the challenges of growing overhead costs, particularly on energy prices which rose by nearly 300% in autumn 2022 at the expiry of our fixed contract. We continued to work with a group purchasing provider to seek the best deals on energy, and in June 2022 we installed a further 30 solar panels on our main roof. However energy price rises, and other general increases in cost of overheads such as cleaning, IT and building management services, are continuing to be hugely challenging and we are grateful for those supportive funders who have recognised this. We fully repaid our CBILS loan, to ensure that rising interest rates did not drag on our precious resources.

In November 2022 we appointed a new Treasurer, Vincent O'Brien, as Nigel Halkes stepped down as a Trustee.

Finance (continued)

Revenue

Polka operates a mixed funding model, with both earned and funded income vital to enable the company to operate effectively. Our box office and in-house operations continued to grow and new processes were embedded into the company's new operational model. However, the pandemic impact continued to be felt across theatres everywhere, as audiences fell out of the habit of theatregoing and concern for gathering in groups continued. It continued to cause cancellations of some performances, as staff and artists fell ill, and demonstrated the impact the pandemic has had on general physical and mental resilience of workers in all fields.

Our school audiences also continued to be affected by both the legacy of Covid-19, and particularly tightening school budgets. Thanks to generous support from funders we were able to triple our Curtain Up! programme (free tickets to schools who otherwise were unable to afford to visit the theatre), giving away 6,000 tickets during the academic year (previously 2,000), which we are continuing to do as long as we are able to sufficiently fundraise. Alongside strong cost control, support from funders, both public and private, proved fundamental in sustaining the core function of the organisation during this challenging year, with only 51% of our income coming from earned sources during the year (19% in YE 2022).

Support from Arts Council England continued to be vital, accounting for 22% of our income (38% in YE 2022). We were confirmed as a continuing Arts Council England National Portfolio Organisation for the 2023-26 period, which demonstrates Polka's ongoing importance in the English theatre ecology. However the standstill nature of the funding (essentially representing a real-terms cut) presents a significant challenge to ongoing operations. Our EU funding through Culture Europe will also come to an end in 2023/4, due to Brexit, after over a decade of successful Creative Europe project support. As our agreement came to an end, 2022 was also the final year we receive revenue funding from Merton Council. Receiving real-terms funding cuts at local, national and international level places significant pressure on our operations and breadth of reach.

Looking ahead, delivering quality work at a time of declining public funding and growing overhead costs remains an on-going challenge. Polka is well placed to meet the priorities of public funders in such areas as creative education for children, health and wellbeing, community engagement and community cohesion, representation and diversity. These priorities will continue to be pressing over the next few years as we respond to the long-term impacts of the pandemic on children, the needs of schools facing increasing budgetary and timetable/curriculum pressures, and the rising poverty and cost-of-living crisis for many families.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

Risk Management

The Board of Trustees has a risk management strategy which comprises:

- A regular review of the risks that the company may face, reviewed at each quarterly Board meeting
- The establishment of strategies and procedures to mitigate those risks
- The implementation of procedures designed to minimise any potential impact on the company should those risks materialise.

The principal risks and mitigations identified at 31st March 2023 were:

- High workload and stress on staff arising from general challenging sector environment –
 additional temporary staffing and outsourcing is used to support key periods of high activity;
 mental health resources, alongside social activities, have also helped support staff.
- Loss of key staff, especially at senior level, with salary inflation and inability to fill key staff
 roles, plus a sector skills drain particularly in key areas such as technical addressed by robust
 recruitment processes and focus on team wellbeing and positive organisational culture to
 ensure Polka is an inclusive and happy place in order to attract and retain staff; salary
 benchmarking to ensure competitiveness; where practicable, we recruit for aptitude and
 provide training.
- Pressure on finances with rising costs of overheads and materials, increasing inflation and
 energy prices, greater competition on funding, real-term funding cuts at local, national and
 international level, and challenges in raising box office and other earned income addressed
 by reducing borrowing costs where possible and being responsive to opportunities for
 development; focus on core aims of the charity to prioritise areas of delivery; continue to build
 understanding of our position and strong relationships with funders.

Attention has also been given to non-financial risks arising from the health and safety of staff and child protection, which are standing items on the risk register. These risks are managed by having robust policies and procedures in place, providing regular training for staff working in these operational areas and monitoring by staff safety and safeguarding teams, with oversight by the Board. Polka's Working Group structure enables a wider range of stakeholders to input to and influence decision making within the organisation, focusing on key areas including Artistic, Operations, Finance, Community, Teachers/Schools and Young Voices.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

Reserves Policy

The Trustees have reviewed the company's reserves policy in line with the guidance issued by the Charity Commission and recognise the need to safeguard the organisation against potential reductions in grant-aided income, fluctuations in earned income and unplanned expenditure, particularly emergency repairs and maintenance to the theatre premises going forward. They also note the particular situation caused by the legacy of the Covid-19 pandemic, and the potential impact on the company's operations in future years. They consider that unrestricted general reserves should be maintained at a level at least equal to three months' "core" revenue operating expenditure, which, at normal operating levels equates to approximately £325,000.

In compliance with this policy, the unrestricted general reserves at 31st March 2023 amounted to £657,862.

The Trustees recognise that unrestricted reserves may need to be utilised to support operations in this unprecedented environment (any such use will be agreed through the usual governance structure of the organisation). Nevertheless, Trustees consider that the current reserve levels remain appropriate for the organisation. In addition, the Board designates reserves for specific purposes out of unrestricted funds each year as required when approving the annual accounts. Expenditure out of designated reserves is then approved in accordance with normal authorisation policies. Designated reserves at 31st March 2023 amounted to £439,896 (see Note 16 to the Accounts).

YEAR IN REVIEW

Polka, based in Wimbledon, South West London, is a pioneering national theatre for children. The first UK venue to be created exclusively for young audiences, we specialise in work for children aged 0-12 years and remain one of very few theatres in the UK that regularly commissions and produces new work for children in this age range. Since 1979, we have built a local, national and international reputation and are recognised for the quality of our productions through which children explore the world and their relationship to it. We are at the forefront of developments in work for Early Years audiences and we champion 'Young Voices', providing children with a platform for their ideas and opinions by developing productions derived from their ideas and involving them in the creative process. We provide enabling, nurturing and safe environments to stimulate young minds and imaginations, and fuel a sense of discovery and open play.

Productions, Touring and Professional Development

In total just over 85,000 children and adults attended performances of shows, across 653 performances in house and 99 performances on tour.

In the Main Theatre we began the year by completing a run of *How to Hide a Lion*, which was revived and scaled-up from its previous run in the Adventure Theatre.

Productions, Touring and Professional Development (continued)

This was followed by an exciting new version of *The Emperor's New Clothes* – Polka's first coproduction with Derby Theatre. With a very timely script by Director Sarah Brigham, about 'the greatest fake news story ever told', the show cleverly wove captioning and BSL into the fabric of the production to make it a highly inclusive show. This has led to further conversations with Derby Theatre about an ongoing commitment to co-productions which are fully BSL, caption integrated and inclusive.

Our Main House production for the summer was the newly commissioned *The Pirate, the Princess and the Platypus* created by Olivier-nominated writers, Daniel Clarkson and Richard Hurst. This production was a witty fairytale adventure on the high seas, with a positive message about being who you want to be.

Following an autumn visitor season, our festive winter production was *Crackers*, a new farce by Charles Way. Over 15,000 children and adults enjoyed this new writing commission. In contrast to the previous year, the run was not interrupted by Covid-19 illnesses and every show went ahead.

To complete the year in the Main House, in the spring we opened *Jack V Giant* — a new twist on a classic fairytale, written by outgoing Artistic Director Peter Glanville along with celebrated singer and songwriter Barb Jungr. Our Associate Director, Roman Stefanski, stepped in to direct in Peter's absence. The production was hugely popular, exceeding box office targets, and transferred to Artsdepot for a week at the end of the run.

The Lost Spells, a new production by Goblin Theatre and co-produced with Polka, Watford Palace and Theatre by the Lake, opened at Watford in spring 2023, before transferring to Polka. This nature-themed new musical, based on the beautiful book by Robert Macfarlane and illustrated by Jackie Morris, received a fantastic reception.

In the Adventure Theatre we started the year with *Plastic, Drastic, Fantastic*, a co-production with South Asian dance specialists Akademi, choregraphed by Suba Subramaniam and first developed through our PolkaLAB programme. The show explored the positives and negatives of plastic, and was accompanied by a small 'plastic objects' exhibition outside the theatre. Pulsating cushions could be used by D/deaf children to access the rhythms of the music. The show also toured to Watermans Arts Centre following its Polka run.

For the summer, we revived the ever popular *The Paper Dolls*, a co-production with Little Angel Theatre for 3-6 year olds. This adaptation of the Julia Donaldson book was incredibly well received with very positive reviews, and had waiting lists in its final two weeks. For the festive season, we remade our 2014 production of *Grandad, Me and Teddy Too* with the original creative team led by Sarah Argent. This gentle, heart-warming tale of the relationship between a young girl and her grandfather, both online and in real life, was very appropriate as we came out of the pandemic.

Mapping, the Culture Europe funded project to explore Early Years theatre practice that Polka is part of, alongside 17 other EU countries, continued. Our Mapping co-production *Ready, Steady, Go!* visited Festival Pépites in Belgium and BRIK Festival in the Netherlands during May/June 2022, before returning to Polka for a short run as part of our own inaugural *Big Dreams Early Years Theatre Festival*. This festival was part of the *Mapping* programme and ran for five days at the end of August across the whole Polka venue, including making use of The Nest as a performance space for the first time. Just over 1,500 children and adults attended performances by five companies (including Branar from Ireland and Teater Tre from Sweden) and seven professional development events and workshops – all exploring the best in international Early Years theatre practice.

Across the year, audience feedback from post-show surveys of in-house productions showed that 93% of people think our artistic quality is good or excellent, and 94% would return to Polka.

Alongside the nine in-house productions we created, we had 15 Visiting Companies. This included in our Main House: *Rothar* by Branar as part of our Big Dreams Festival, and a world premiere adaptation of Michael Morpurgo's *Little Manfred* by the Soldiers' Arts Academy, involving serving and veteran military personnel and their family members. Other companies included NIE and Little Angel Theatre. In our Adventure Theatre we welcomed baby shows *Glisten* (Half Moon & Daniel Naddafy) and *Underwater* (Xenia Aidonopoulou and Georgia Tegou), as well as companies including Little Angel Theatre, Tangled Feet, English Touring Opera, Takeshi Matsumoto, Garlic Theatre and Page One Theatre. And for the first time we hosted performances in The Nest during the Big Dreams Festival: *We Touch, We Play, We Dance* (Second Hand Dance), and *Dreamy* (Teater Tre).

Our Associate Director Roman Stefanski, also oversaw a successful remount in Northampton of our co-production of *The Night Before Christmas* with Royal & Derngate, Northampton, which ran there from 4th-23rd December. Together with Unlimited we co-commissioned a new disabled-led production which will premiere during 2023/4.

Staff contributed to debate and learning in the sector through involvement at various events, including Peter Glanville sitting on the STAMP Connects panel for Theatre Deli, discussing programming children's theatre. We partnered with Chloe Stephens (Second Hand Dance) who delivered a course at Morley College in theatre performance for young audiences, inspired by the activity she delivered at the Big Dreams festival. We provided a bursary for one participant on the course who came from a Global Majority background. We hosted Wimbledon College of Arts as part of our growing collaboration with their design students, to create a production for 4-8 year olds, which told a global story and featured puppets that could fit into four suitcases. The puppets were displayed in our Diorama following the project.

We continued to expand our adapted shows programme, delivering 28 adapted performances. Adapted performances are BSL interpreted, Audio Described, Relaxed and Captioned.

"The AD show was amazing and all our families loved it. The touch tour was a wonderful addition and really helped the children get that bigger understanding and as my colleague mentioned the audio description is one of the best we've heard." Sight for Surrey

Creative Learning: Participation, Schools & Community

Our extensive and ambitious Creative Learning programme sits alongside our productions as a key part of our strategic delivery. In total, 21,016 individual children took part in Creative Learning Activities across 34,710 experiences. We delivered 1,328 events and estimate 68% of event participants were new to Polka. Over 35% of our Creative Learning activities were provided to beneficiaries for free, thanks to support from funders. Our Community Working Group continued to meet quarterly, and the Teacher's Advisory Group continues to ensure we have access to advice and feedback from our beneficiaries and the wider community, reflecting their real-time needs and demands.

Community

Our *Polka Invites* community membership scheme, set up in 2021, continued – this funded 'members' programme aims to increase access to creative experiences for marginalised families in our community. These families have been referred to us by Merton Children's Centre's and community groups such as Polish Families Associations, Merton SENDIS, Care4Calais, Merton Home-Start and Christian Care. Through their memberships, families are able to access free Polka production tickets, Saturday Club, Take Part holiday and termly workshops. By the end of the year we had 644 *Polka Invites* participants (161 families) taking up free tickets to shows, coming to drop-in workshops and attending Saturday Clubs. Over 500 free community tickets to shows were distributed, and 300 free places on workshops were taken up. We ran seven free creative community workshops at venues in our local area, and across our 10 Saturday Clubs (community story-telling and creative activities) 313 participants took part.

"We wouldn't be able to visit the theatre without Polka Invites ... it is a great thing you do."

Freefalling is our long-running flagship funded programme, working with referred children who are in challenging circumstances at home or at school. This year we worked with two *Freefalling* groups – Freefalling Foundation and Young Company – who both performed during the summer on the Polka main theatre stage. 100% of families said they had noticed a positive change in their child since they started at *Freefalling* – changes include 'more engaged', 'very happy', 'calmer' and 'willing to participate'.

"I can already tell the difference in my daughter. I knew she just needed the opportunity to express herself." Freefalling Foundation Parent.

Putting children's voices at the heart of our work is a core organisational value. Our *Younger Voices* (4-6yrs) and *Young Voices* (7-12 yrs) groups are our sounding board for projects, reviewing shows and activities, and giving us feedback and ideas to improve our building, ensuring children's voices remain at the heart of our work.

Re:Sound, our intergenerational community choir run in partnership with Merton Music Foundation, came to an end in December 2022, with a final curtain-raiser performance. This time-limited project launched during our 40th anniversary year, during our redevelopment closure period. It welcomed 107 members from age 6 months to 93 years, created their own song 'Gather and Sing' which went out on YouTube, and performed eight times at Polka and in the community.

Alongside our production of *Let's Build!* we ran a complementary community programme. Children from Abbey Pre-School, South Wimbledon and Acacia Pre-School, Mitcham, took part, inspired by the show. Using a map of Merton, we introduced them to the idea of going on a journey around the borough and stopping at various landmarks along the way. With the help of Polka practitioner, Salihah Agbaje and Sound Designer, Simon Beyer the staff and children at the pre-schools explored the different sounds they would hear. These were recorded and presented through a story on our website, and a co-designed map was printed and displayed in the foyer outside the Adventure Theatre.

Free community bookings on Thursday mornings in our Clore Learning Studio sensory suite continued, allowing us to strengthen existing relationships and build new ones with a number of community and SEND groups such as Merton SENDIS, Tram House School (a BeyondAutism school), Young Parents (Merton Children's Centres), Polish Families Association and Ukrainian refugee groups, Blossom House (SEND school), isensory (Wandsworth community interest company), and SEN Talk CIC (Wandsworth based community interest company that supports children with additional communication needs).

During the winter Polka was listed as an official 'Warm Welcome Space', open 6 days per week. Despite the challenge for the venue of hugely increased energy bills, Polka's importance as a community hub and open-access free play space was retained thanks to extra support from donors. Across the year we estimate there were nearly 10,000 visits by people making use of our free indoor and outdoor play areas.

"I think it's so important for the community. Somewhere free, safe area for them to play, for social interaction it's so important even from such a young age". Parent

Schools

We worked with 143 schools during the year, through both funded and paid-for programmes.

Write Here Write Now, our funded creative writing and literacy project that supports Year 3 children, expanded to work with 11 schools (including one SEND school). 120 children participated, writing stories together that were shared by authors and actors on our Main House stage with the children and their families invited to attend. Feedback from the programme showed 96% increase in creativity and imagination, 82% increase in use of language and vocabulary, 90% increase in confidence. The programme began its fourth year in spring 2023.

Our flagship *Curtain Up!* Programme continued, providing free tickets to school groups who otherwise would not be able to attend. We distributed 4,031 tickets across 31 schools, of which 53% were schools new to us. Following *Curtain Up!* performances children get the opportunity to meet the performing companies and ask them questions, adding to their quality of experience. Responding to the challenging financial circumstances that schools have continued to find themselves in, during the following academic year we are expanding this to give away 6,000 tickets.

"Each and every member of staff made us feel welcome and were so very helpful ...the whole experience for us was 10/10 thank you so very much" Roehampton Church School

We were approached by 28 schools, including from Sweden and North Macedonia, to access our free Mental Health and Wellbeing films, which have now been watched over 2,000 times. Helping teachers and parents navigate the impact that the pandemic has had on children's mental health remains a high priority for us.

We expanded our paid-for schools activities too, delivering a range of in-school day-long workshops, hosting schools at our venue for after show workshops, and delivering 11 termly after-school clubs at schools primarily in Merton.

We offered 20 young people aged 15-17 the opportunity to undertake a week of work experience, and plan to expand this in the future. The group spent time with all departments at Polka including production, marketing, fundraising, creative learning and visitor services, and presented their idea for a production at the end of the week. Four returned to us as volunteers in the Creative Learning programme.

"I have learnt there are endless options for work in theatre outside of acting, and the amount of time and work that goes into creating a show, and all the different aspects that are considered...

It was brilliant and so extremely useful for my future." Work Experience participant

Participation

Weekly workshops take place during at least five days each week, with additional school holiday programmes. During the year we expanded our Act 1 and Creative Explorers groups, increasing the offer for the most in-demand, younger age range.

We delivered the Discover Arts Award programme as part of our Act 2 club. This is the first time we have offered children who participate in our Take Part programme the opportunity to achieve their Arts Award. All Act 2 Club participants passed their Arts Awards and received certificates from Trinity College, London to celebrate their amazing achievements.

Children and families continue to feel the impact of the pandemic. The demand for increased support in all our activities was marked — with over 743 sessions requiring additional support for SEND or welfare needs (this is more than double what we expected). We continue to expand our inclusive theatre and creative learning work in response to this clear and growing need from our communities.

Awards and Recognition

We received some excellent recognition through the year. Our new building was nominated for a London Region RIBA Award in spring 2023. We won the Merton Best Business Award for Sustainable Impact, and were runners up in the Champion for Change category.

At the Offies Awards in February, we were delighted to win a People's Vote award for Programming Policy, and were also proud finalists for Online Info & Booking Award (People's Vote), TYA Design Award and TYA Production Award for *Ready, Steady, Go!*, and TYA Performance Award for *Crackers*.

We were also shortlisted for the Etties awards – Best Theatre for Young Audiences for *Ready, Steady, Go!*

In the local Time & Leisure Awards we won in the Most Innovative Arts/Community Project category, and received commendations for Sustainability, Family Attraction of the Year and Favourite Entertainment Venue.

Environmental Sustainability

Our new building continues to offer significantly improved sustainability through enhanced energy efficiency and use of new technology (we now have 46 solar panels on our roof which have saved over 6 tonnes of CO2 during the year). Our staff-led Green Team champions environmental sustainability across the organisation, with the aim of continuing improvements to our own environmental impact as well as finding ways to influence and inspire our community to be greener. We continue to work with local not-for-profit Crew Energy, who hosted an Energy Café at Polka in the autumn.

As a children's theatre, Polka is in a unique position to spark children's enthusiasm for their environment, and sustainability is regularly part of our theatre and creative workshops programming. *Plastic Drastic Fantastic*, a coproduction with Akademi, used Indian dance to highlight the benefits and dangers of plastic in our world.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

YEAR IN REVIEW (continued)

Environmental Sustainability (continued)

Jack V Giant carried a strong environmental message of greed destroying our landscape. Our outdoor areas continue to attract visitors, and family activities at our Saturday Clubs have included projects like bug hotel and plant pot making.

With support from the Wolfson Foundation, we were able to trade in our old Luton van for a new, fully electric, smaller van which better meets the needs of the company and has a lower environmental impact.

We participate in Love Wimbledon's business community and sustainability goals, helping to discover local ways to reduce, reuse and recycle in Wimbledon. We have a travel strategy that promotes sustainable transport amongst staff and visitors, and local and sustainable procurement policy for the café and shop. Where possible we source office furniture and equipment through recycling companies such as Reyooz. Our print brochure is certified 'Planet Positive', certified carbon neutral, and printed by an eco-accredited factory on a carbon neutral press. We stopped printing 'free sheets' for our shows and instead made them downloadable pdfs sent out to customers prior to performances, and ticketing is digital rather than printed. We have introduced food waste recycling in our café and office kitchens. Whenever possible, materials and costumes from previous shows are reused, and clothes no longer likely to be used are taken to charity shops.

We are continuing to work on improving the old parts of our building and have a 'phase two' capital project in development specifically to focus on this area. During 2022/23 we continued with the defects period for our capital redevelopment and final account settlement with main contractor ITC Solutions, which is ongoing.

Organisational Resilience

Strongly controlled expenditure and robust fundraising, particularly through developing individual giving following the capital project, has helped to ensure a strong reopening period. The continuing impact of Covid-19, increasing number of transport strikes, and a power-cut caused by the extremely hot weather in the summer, all put a strain on operations and impacted footfall, but overall our performance has been positive.

We employed over 200 staff, including over 110 freelancers. Of those paid workers 59% identified as female, 24% as male and 2% as non-binary; 15% identified as lesbian, gay, bisexual or queer; 49% identified as white British and 22% as non-white; and 11% identified as disabled, 14% as neurodivergent. We continued to support staff through training such as Trans Awareness training, Equality, Diversity and Inclusion training, and Mental Health training for managers.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

YEAR IN REVIEW (continued)

Organisational Resilience (continued)

We continue to drive earned income through ancillary sales wherever appropriate, including via our café, shop and private hires. During the year 1,140 people came to private hire events, we sold 29,758 hot drinks, and 3,415 'pocket money' toys.

Our Volunteering programme, launched in spring 2021, has brought over 140 volunteers to the theatre to support operations primarily in the Visitor Services team, ensuring the best possible welcome to Polka for our audiences and participants. Over 5,050 volunteer hours were contributed during the year through our formal volunteering programme, with many more contributed by informal volunteers. Our volunteers are a very diverse group, with 14% identifying as disabled, and 20% as neurodiverse. This continues to be an important programme in providing additional resource for the charity, but also to provide isolated members of the community with social activities, cementing Polka's position as a community hub.

Subsequent to the year end the theatre was victim to a scam attack resulting in loss of significant funds. Due to sufficient cash reserves, the impact of this event has not affected Polka's ability to deliver operationally and it remains a going concern. At the date of signing the accounts, we are working with our bank to recover in full the amounts taken – some funds have already been recovered – and we will continue to pursue this through all routes available to us. At this time, we are therefore not able to estimate the amount of the final loss of funds. A full internal review of the incident took place to identify areas where improvements could be made and actions taken to prevent similar future occurrences.

Fundraising Policy

We raise a limited percentage of our revenue funds from members of the public. We are registered with the Fundraising Regulator and all fundraising conducted on behalf of Polka, whether by committees, volunteers or staff, must comply with the Code of Fundraising Practice, Polka's policies and all relevant legislation. No complaints were received in the year about fundraising practices.

Statement of Trustees' Responsibilities

The Trustees (who are also directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of its surplus or deficit for that period. In doing so, the Trustees are required to:

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MARCH 2023

YEAR IN REVIEW (continued)

Statement of Trustees' Responsibilities (continued)

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enables them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with company law, as the company's directors, we certify that:

- so far as we are aware, there is no relevant audit information of which the company's auditors
 are unaware; and
- as the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITOR

A resolution will be proposed at the Annual General Meeting that Buzzacott LLP be re-appointed as auditor to the company for the ensuing year.

This report was approved by the Trustees on 25th January 2024

Dominic Proctor, Chair

TO THE MEMBERS OF

POLKA CHILDREN'S THEATRE LIMITED

Independent auditor's report to the members of Polka Children's Theatre Limited

Opinion

We have audited the financial statements of Polka Children's Theatre (the 'charitable company') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, statement of cash flows, the principal accounting policies and the notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

TO THE MEMBERS OF

POLKA CHILDREN'S THEATRE LIMITED

Other information

The other information comprises the information included in the annual report and financial statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report and financial statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which is also the directors' report for the purposes
 of company law, for the financial year for which the financial statements are prepared is
 consistent with the financial statements; and
- the trustees' report, which is also the directors' report for the purposes of company law, has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report. We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

TO THE MEMBERS OF

POLKA CHILDREN'S THEATRE LIMITED

Matters on which we are required to report by exception (continued)

• the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

 the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations; and

TO THE MEMBERS OF

POLKA CHILDREN'S THEATRE LIMITED

Auditor's responsibilities for the audit of the financial statements (continued)

• we obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and determined that the most significant frameworks which are directly relevant to specific assertions in the accounts are those that relate to the reporting framework (Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011), Companies Act 2006 and those that relate to data protection (General Data Protection Regulation).

We assessed the susceptibility of the charitable company's accounts to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to their knowledge of actual, suspected and alleged fraud;
 and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions; and
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Auditor's responsibilities for the audit of the financial statements (continued)

A further description of our responsibilities is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2023

1. ACCOUNTING POLICIES

Accounting Convention

The financial statements have been prepared in accordance with the Charities SORP (FRS102), with the Companies Act 2006, and with applicable Accounting Standards. They have been prepared under the historical cost convention and in accordance with FRS 102. The charity is a public entity as defined by FRS 102.

The financial statements are presented in sterling and are rounded to the nearest pound.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Going concern

The Trustees have considered the requirement that the financial statements should be prepared on a going concern basis. They have discussed at length the effects of Covid-19, rising inflation and the Cost of Living crisis and the potential impact on the charity's operations in 2023-24 and beyond. They have concluded that it is appropriate that the financial statements be prepared on a going concern basis.

In making this assessment, the Trustees have considered whether there is a material uncertainty that the charity can continue as a going concern and how this should be presented in the financial statements. They have concluded that whilst the degree of uncertainty described in the Report of the Trustees warrants transparent disclosure, it does not constitute a material uncertainty related to going concern.

Risks continue to be managed through risk assessments and scenario planning as new external and internal factors arise. The 2023-24 budget includes conservative estimates on box office income and use of the remaining designated legacy donation. The 2024-25 forecast is based on a very small deficit or break even, with strong focus on growing earned income. The charity has on-going support from its funders, with significant grants secured focused on supporting core operations, including Arts Council England NPO status to 2026. As at the end of September 2023, the charity has secured approximately 85% of its budgeted revenue target for voluntary income or donations in 2023-24.

Taking into account the above, as well as the charity's cost base and reserves position at 31st March 2023 and having looked at least 12 months from the date of signing these accounts, the Trustees have concluded that there are no material uncertainties about the charitable company's ability to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2023

1. ACCOUNTING POLICIES (continued)

Income

Income represents monies received from grants and donations, from the productions staged in the theatre, or on tour, from Creative Learning activities, miscellaneous items effected through the theatre's ancillary operations and net fees receivable from productions after deducting percentages withheld by theatres. Income is deferred when admission fees are received in advance of the performances to which they relate.

Income from donations and grants is accounted for when the charity is entitled to the income, the receipt is probable and the amount can be estimated with reasonable certainty.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Income from charitable activities represents the total value of box office income, royalties from transfers and tours and other ancillary income received by the group from customers during the year, excluding value added tax.

In accordance with the Charities SORP FRS 102 volunteer time is not recognised.

Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. The majority of costs are directly attributable to specific activities. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources and estimated amounts attributable to that activity in the year. The classification between activities is as follows:

Expenditure on raising funds includes all expenditure on fundraising events, corporate activities, and an allocation of staff costs.

Expenditure on charitable activities includes the production and administrative costs of the operation of the theatre and the production of plays, including depreciation on related assets.

Pre production costs are expended in the year they are incurred, tracked by production.

Allocation of support and governance costs

The majority of costs are directly attributable to specific activities. Office costs and property-related costs, which cannot be directly attributed to particular activities, are apportioned consistent with the use of resources. Governance costs are those incurred in connection with compliance with constitutional and statutory requirements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2023

1. ACCOUNTING POLICIES (continued)

Building Redevelopment Project

The Building Redevelopment Project costs included in note 3 comprises all expenditure relating to the redevelopment of the Theatre which began in spring 2019, which includes the costs of constructing the redeveloped theatre and related professional fees, as well as fundraising costs and any expenditure relating to the temporary closure of Polka Theatre. The costs which are directly attributable to the construction of the redeveloped theatre have been capitalised in accordance with FRS 102 in the year and all other project costs are written off when they are expended.

Tangible Fixed Assets

Tangible fixed assets with an economic life of more than one year are capitalised if their cost exceeds £1,000.

The freehold and leasehold buildings were revalued at £1,575,000 in the 2014 year, with the uplift in value being credited to the revaluation reserve. This was undertaken as allowed under the transition to FRS 102 with the revalued amount being treated as deemed cost from this point. The additional depreciation charge that results from this uplift in valuation is set against the revaluation fund each year.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset evenly over its expected useful life. The annual rates used, which are applied on a straight line basis, are currently as follows:

Freehold buildings and long term leasehold	50 years
Plant and machinery	10 years

Building redevelopment project:

Core building	50 years
Plant and machinery	15 – 20 years
Fixtures and fittings	5 – 10 years
Theatre Equipment	3 – 15 years
IT Equipment	3 years

Stocks

Stock is valued at the lower of cost and net realisable value.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2023

1. ACCOUNTING POLICIES (continued)

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and subsequently valued at their settlement value.

The charity only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties and loans to related parties.

Pensions

All eligible and entitled workers for the company are able to participate in its registered auto-enrolment pension scheme operated by NOW Pensions. This scheme is open to any employee over 16 who has been with the company for at least 3 months and earns above the relevant earnings threshold. The company currently offers an employer's contribution of 3% of the employee's gross earnings, rising to 4% after one year of employment.

Theatre Tax Relief

Theatre Tax Relief (TTR) is taken into account when the amount recoverable can be reasonably estimated and the receipt is probable.

Taxation

Polka Theatre is a registered charity and therefore not liable to income tax or corporation tax on income derive from its charitable activities, as it falls with the various exemptions available to registered charities.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged on a straight line basis over the period of the lease.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2023

1. ACCOUNTING POLICIES (continued)

Fund accounting

The reserves of the charity are as follows:

Restricted funds comprise monies set aside for particular projects or purposes in accordance with the instructions of the grantor.

Designated funds are monies set aside of unrestricted general funds and designated for specific purposes by the trustees.

General funds represent those monies which are freely available for application towards achieving any charitable purpose that falls within the charity's charitable objects.

Critical accounting estimates and areas of judgement

Preparation of the financial statements requires the members of the management committee to make significant judgements and estimates.

The items in the financial statements where these judgements and estimates have been made include:

- estimating the useful economic life of tangible fixed assets; and
- apportionment of expenditure across each activity.

15. REVALUATION RESERVE

The freehold and leasehold buildings were revalued at £1,575,000 in the 2014 year, with the uplift in value being credited to the revaluation reserve. This was undertaken as allowed under the transition to FRS102 with the revalued amount being treated as deemed cost from this point. The additional depreciation charge that results from this uplift in valuation is set against this fund each year.
