The A&S Leisure Group Limited

Strategic Report

Year ended 30 September 2020

The directors present their strategic report of the Group for the year ended 30th September 2020. Business review and key performance indicators Group turnover for the year decreased by £10,396,221 from the previous year to £16,320,091 (2019 - £26,716,312), with an operating loss of £2,239,295 (2019 - profit £2,079,923). Administrative costs for the year decreased from £6,189,030 to a figure for 2020 of £6,086,690. The result before tax was a loss of £2,225,137 (2019 - profit £2,101,487). Both the Company and the Group have substantial net assets of approximately £34.6 million and £37.9 million respectively. The Group's current assets/current liabilities ratio at the year end was 1.28 (2019 - 3.86). Whilst the directors are confident that an acceptable profit will be achieved in 2021, the current state of the UK economy and the impact of Covid-19 will put further pressure on business results. The current state of the economy with high levels of personal debt, lower wage settlements and increasing inflation and prices will result in customers having less disposable income available for leisure activities. However the Group has strong cash reserves to act as a cushion against any deterioration in in the trading position, and efforts continue to reduce costs wherever possible.

Principal risks and uncertainties The Company and its subsidiaries are subject to the normal risks of running commercial businesses. However, there are a number of more specific risks relating to the different activities of the Group companies. The Company and its main subsidiary Sheffield Sports Stadium Limited, as operators in the leisure industry, are subject to various risks, which include:- * Breach of regulatory rules regarding licences. * Failure to adhere to gambling regulations and/or internal controls. * The effect of additional gambling legislation and an increase in the casino population/other forms of betting and gambling. The directors of the Company and its subsidiaries seek to minimise the foregoing risks, where possible, by a system of strong internal controls and monitoring, complete with the use of independent advisers where appropriate.

This report was approved by the board of directors on 29 September 2021 and signed on behalf of the board by:

The A&S Leisure Group Limited

Directors' Report

Year ended 30 September 2020

The directors present their report and the financial statements of the group for the year ended 30 September 2020 .

Directors

The directors who served the company during the year were as follows:

Miss L Clark

Mr M Allen

Mr D E D Allen

Dividends

The directors do not recommend the payment of a dividend.

Future developments

As set out in the Strategic Report, the Directors are working to protect the company against the impact of the Covid-19 pandemic. Government support is being taken where available and efforts are being made to control costs wherever possible.

The group is developing a further casino, with work in progress at the financial year end. The development is due for completion in September 2020.

The group's events and conference facility opened in November 2019.

Employment of disabled persons

In recruiting, training, career development and promotion, no distinction is made between disabled and able-bodied persons, provided the disability does not make the particular employment impractical.

Employee involvement

The group recognises the importance of keeping employees informed of the progress of the business and involving them in the group's performance. Regular contact between the directors and individual employees ensures that there is an understanding of the purpose of the business and the commercial realities which determine its success.

Financial instruments

The group has a cautious approach to the use of financial instruments, with current accounts, deposit accounts and term deposits being the preferred approach. This ensures that there is minimal risk when considering cash flow and also means that funds are readily available to fund current capital developments including the new banqueting suite and additional casino which are both currently under development. No further financial instruments are held.

Events after the end of the reporting period

Particulars of events after the reporting date are detailed in note 29 to the financial statements.

Directors' responsibilities statement

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and the profit or loss of the group for that period. In preparing these financial statements, the directors are required to: - select suitable accounting policies and then apply them consistently; - make judgments and accounting estimates that are reasonable and prudent; - prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business. The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the group and the company's auditor is unaware; and - they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the group and the company's auditor is aware of that information.

This report was approved by the board of directors on 29 September 2021 and signed on behalf of the board by:

The A&S Leisure Group Limited

Independent Auditor's Report to the Members of The A&S Leisure Group Limited

Year ended 30 September 2020

Opinion

We have audited the financial statements of The A&S Leisure Group Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 30 September 2020 which comprise the consolidated statement of comprehensive income, consolidated statement of financial position, company statement of financial position, consolidated statement of changes in equity, company statement of changes in equity, consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice). In our opinion the financial statements: - give a true and fair view of the state of the group's and of the parent company's affairs as at 30 September 2020 and of the group's loss for the year then ended; - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; - have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report. We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion: - adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or - the parent company financial statements are not in agreement with the accounting records and returns; or - certain disclosures of directors' remuneration specified by law are not made; or - we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report. Use of our report

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The A&S Leisure Group Limited

Notes to the Financial Statements

Year ended 30 September 2020

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 15 Livesey Street, Sheffield, S6 2BL, S Yorkshire.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss. The financial statements are prepared in sterling, which is the functional currency of the entity. The financial statements are prepared to a date which corresponds to the end of the last trading week in an accounting period. In relation to the current accounting period this date was 27th September 2020 (2019: 29th September 2019).

Disclosure exemptions

The parent company satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following reduced disclosures available under FRS 102:

- (a) Disclosures in respect of each class of share capital have not been presented.
- (b) No cash flow statement has been presented for the company.
- (c) Disclosures in respect of financial instruments have not been presented.
- (d) No disclosure has been given for the aggregate remuneration of key management personnel.

Consolidation

The financial statements consolidate the financial statements of The A&S Leisure Group Limited and all of its subsidiary undertakings.

The results of subsidiaries acquired or disposed of during the year are included from or to the date that control passes.

The parent company has applied the exemption contained in section 408 of the Companies Act 2006 and has not presented its individual profit and loss account.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome.

Revenue recognition

Turnover represents casino gross gaming yield, being the aggregate of all gaming gains and losses for the year, and all other net sales to customers, excluding value added tax. Revenue from the rendering of services is measured by reference to the stage of completion of the service transaction at the end of the reporting period provided that the outcome can be reliably estimated. When the outcome cannot be reliably estimated, revenue is recognised only to the extent that it is probable the expenses recognised will be recovered.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

Lease income is recognised in profit or loss on a straight line basis over the lease term. The aggregate cost of lease incentives are recognised as a reduction to income over the lease term on a straight-line basis. Costs, including depreciation, incurred in earning the lease income are recognised as an expense. Any initial direct costs incurred in negotiating and arranging the operating lease are added to the carrying amount of the lease and recognised as an expense over the lease term on the same basis as the lease income.

Intangible assets

Intangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated amortisation and impairment losses. Any intangible assets carried at revalued amounts, are recorded at the fair value at the date of revaluation, as determined by reference to an active market, less any subsequent accumulated amortisation and subsequent accumulated impairment losses. The freehold and leasehold properties from which the company conducts its operations have previously been carried at open market value on an existing use and fully operational basis, including the benefit of licences. The 2015 financial statements reflected the valuation of the licences as a separate asset, and as such included the licences as an intangible asset. The directors review the valuation of intangible assets each year and if in their opinion, there is any permanent diminution in value, it is charged to the revaluation reserve or the profit and loss account as appropriate.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Casino licences	-	Over 50 years straight line basis
-----------------	---	-----------------------------------

If there is an indication that there has been a significant change in amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new estimates.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss. Property and licences The freehold and leasehold properties from which the company conducts its operations were previously carried at open market value on an existing use and fully operational basis, including the benefit of licences. As permitted by the transitional provisions of FRS15 "Tangible Fixed Assets" the company elected not to adopt a policy of revaluation of tangible fixed assets in the future. However it will retain the carrying value of property and licences, previously revalued, and will not update that valuation. The directors review fixed assets including properties and licences each year and if, in their opinion, there is any permanent diminution in value, it is charged to the revaluation reserve or the profit and loss account as appropriate.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	Over the remaining estimated useful life.
Long leasehold property	-	2% straight line.
Fixtures, fittings and equipment	-	5% to 25% straight line basis.
Motor vehicles	-	25% straight line basis.

Investments

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses. Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value recognised in other comprehensive income/profit or loss. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted. Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received. Government grants are recognised using the accrual model and the performance model. Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable. Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset. Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately. Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised. Financial liabilities are classified according to the substance of the contractual arrangements entered into. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund. When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as a finance cost in profit or loss in the period in which it arises.

4. Turnover

Turnover arises from:

	2020	2019
	£	£
Casino gross gaming yield	12,430,354	20,392,350
Other turnover	2,299,544	2,392,296
Racing income and associated revenues	1,590,193	3,931,666
	16,320,091	26,716,312

The whole of the turnover is attributable to the principal activity of the group wholly undertaken in the United Kingdom.

5. Other operating income

	2020	2019
	£	£
Rental income	173,334	195,641
Government grant income	2,797,090	—
Grant income received	31,378	106,299
Other operating income	16,076	32,547
	3,017,878	334,487

6. Operating profit

Operating profit or loss is stated after charging/crediting:

	2020	2019
	£	£
Amortisation of intangible assets	139,510	139,510
Depreciation of tangible assets	893,112	885,772
Gains on disposal of tangible assets	(9,202)	(39,484)
Impairment of trade debtors	5,000	—
Operating lease rentals	713,246	946,446

7. Auditor's remuneration

	2020	2019
	£	£
Fees payable for the audit of the financial statements	26,535	26,250
Fees payable to the company's auditor and its associates for other services:		
Other non-audit services	53,240	61,058

8. Staff costs

The average number of persons employed by the group during the year, including the directors, amounted to:

	2020	2019
	No.	No.
Administrative staff	20	20
Management staff	4	4
Casino staff	392	422
Operating staff	201	251
	617	697

The aggregate payroll costs incurred during the year, relating to the above, were:

	2020	2019
	£	£
Wages and salaries	10,459,758	10,404,786
Social security costs	758,826	793,679
Other pension costs	164,734	135,060
	11,383,318	11,333,525

9. Directors' remuneration

The directors' aggregate remuneration in respect of qualifying services was:

	2020	2019
	£	£
Remuneration	767,692	525,176

Remuneration of the highest paid director in respect of qualifying services:

	2020	2019
	£	£
Aggregate remuneration	270,810	180,540

10. Other interest receivable and similar income

	2020	2019
	£	£
Interest on cash and cash equivalents	10,222	23,457
Corporation tax interest received	3,936	1,500
	14,158	24,957

11. Interest payable and similar expenses

	2020	2019
	£	£
Other interest payable and similar charges	—	3,393

12. Tax on (loss)/profit

Major components of tax (income)/expense

	2020	2019
	£	£
Current tax:		
UK current tax expense	(178,944)	415,000
Adjustments in respect of prior periods	(110,998)	(45,581)
	-----	-----
Total current tax	(289,942)	369,419
	-----	-----
Deferred tax:		
Origination and reversal of timing differences	(135,335)	112,000
	-----	-----
Tax on (loss)/profit	(425,277)	481,419
	-----	-----

Reconciliation of tax (income)/expense

The tax assessed on the (loss)/profit on ordinary activities for the year is lower than (2019: higher than) the standard rate of corporation tax in the UK of 19 % (2019: 19 %).

	2020	2019
	£	£
(Loss)/profit on ordinary activities before taxation	(2,225,136)	2,101,487
	-----	-----
(Loss)/profit on ordinary activities by rate of tax	(422,163)	420,300
Adjustment to tax charge in respect of prior periods	(161,791)	(40,795)
Effect of expenses not deductible for tax purposes	60,797	(9,557)
Effect of capital allowances and depreciation	97,880	107,101
Utilisation of tax losses	—	4,370
	-----	-----
Tax on (loss)/profit	(425,277)	481,419
	-----	-----

13. Intangible assets

Group	Casino licences £

Four casino properties of the company together with their licences, fixtures and fittings, were valued on 28th September 1997 by the directors. The directors' valuations of the assets of each branch were on the basis of existing use on a going concern basis having regard to the branch's trading potential as a single entity. For this reason it was considered appropriate to combine the property and licence elements of the valuations until last year when they were divided as between intangible and tangible assets. The elements of the values placed on fixtures and fittings equalled the net book values at the date of valuation. In line with the provisions available within FRS102, the values upon conversion were considered as deemed cost and as such no revaluation is required on an annual basis. Following a review of the valuation the amount at which these assets are stated does not, in the opinion of the directors, exceed their market value as at 30th September 2020. The short leasehold property was reclassified as investment property during the financial year as it is now being leased to a third party and is held for the purpose of obtaining rental income. The property was valued at £2,100,000 at the date of this transfer.

	1,185,982	1,461,193	542,440	677,284

28. Other financial commitments

The company and group are party to group overdraft facilities at the balance sheet date of up to £250,000 which is repayable upon demand and subject to periodic reviews. At the balance sheet date there were no overdrafts for any of the group companies. In addition, there are two debentures held by the bank dated 1973 and 1988 by way of a fixed and floating charge over the whole undertaking and all of its assets.

The A&S Leisure Group Limited

Notes to the Financial Statements *(continued)*

Year ended 30 September 2020

29. Events after the end of the reporting period

Since the balance sheet date, the worldwide Covid-19 pandemic has impacted on this business and many others in this sector. It will have a significant effect on the 2021 results although the company is making use of Government support where available. The company has strong cash reserves to act as a cushion against any deterioration in the trading position, and efforts continue to reduce costs wherever possible. This is a non-adjusting event and an estimate of the financial impact on the company cannot be made.

30. Related party transactions

Company

At the financial year end, an amount of £7,268,000 (2019: £903,551) was owed by The Players Club UK Limited, a wholly owned subsidiary. In addition £6,843,334 was owed by Sheffield Sports Stadium Limited, a wholly owned subsidiary. At 30th September 2019, £2,600,000 was owed to Sheffield Sports Stadium Limited. There are no formal repayment terms and no interest is being charged on either loan. At the financial year end, an amount of £1,000,000 (2019: £NIL) was owed by the company to a director. There are no formal repayment terms and no interest is being charged on the loan.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
