Financial Review

Details of the financial aspect of the year are set out in the accounts. The net movement of funds was a £3,705 decrease (2020 £7,914 decrease). This was after an unrealised increase in the valuation of the Society's investments during the year of £9,29ô (2020 unrealised decrease £5,093)

The total reserves at the year-end after revaluing investments stood at £485,028 (2020 £488,733) Reserves policy and going concern

The Executive Committee has set a policy which requires reserves be maintained at a level which ensures that the Society's core activity could continue during a period of unforeseen difficulty. The society continues to ensure that reserves this year are maintained at an adequate level and hence the society has no going concern issues.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

- · provides reasonable assurance of the safeguarding of assets.

Report of the Trustees for the Year Ended 31 December 2021

REFERENCE AND ADMINISTRATIVE DETAILS (continued)

The executive committee is also responsible for reviewing the effectiveness of the system of internal control.

The internal control system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss.

The process for identifying, evaluating and managing the significant risks faced by the society is ongoing. This process has been in place for the year ended 31 December 2021 and up to the date of approval of the annual report and financial statements and is regularly reviewed by the executive committee.

STATEMENT OF DIRECTORS' AND TRUSTEES' RESPONSIBILITIES

The Charities Act and the Companies Act require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Approved by order of the board of trustees on 11 + 8 + 2022 and signed on its behalf by:

Reverend R Wilson (Chairman) - Trustee

<u>Independent Examiner's Report to the Trustees</u> for the Year Ended 31 December 2021

I report on the accounts for the year ended 31 December 2021 set out on pages seven to fifteen.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006;
 and
- to prepare accounts which accord with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

All costs are allocated between the expenditure categories of the Statement Of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned based on the number of employees in each function.

The value of volunteer help received is not included in the accounts but is described in the trustees report.
