Lancaster University Business Enterprises Ltd

Directors' report for the year ended 31 July 2018

The directors present their annual report and the audited financial statements of the company for the year ended 31 July 2018.

Principal activities

The company's principal activity is the exploitation of intellectual property for Lancaster University.

Business review and future developments

The company continued to invest in patent applications throughout the year and earned royalties in the year in respect of intellectual property. Turnover for the year fell to £82,492 (2017: £105,618) due to the reduction in royalty income from a number of patents. During the year, the directors undertook a review of the company's activities together with the University, thereby reducing the loss made in this financial year to £117 (2017: loss of £21,345).

The company is expected to continue at a similar level of operation for the foreseeable future.

Results and dividends

The company made a loss for the financial year of £117 (2017: £21,345 loss).

The directors do not recommend the payment of a dividend (2017: £nil).

Risks, uncertainties & key performance indicators

The company's directors believe that the analysis of KPIs and risks and uncertainties are consistent with those of its parent Lancaster University. These are adequately set out and described in the Lancaster University group financial statements, and as such, they have not made any further disclosure within these financial statements.

Directors

The directors who held office during the year and up to the date of signing the financial statements were as follows:

S Decent
S Randall-Paley
D Williams

Directors' indemnities

As permitted by the Articles of Association, the directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The company also purchased and maintained throughout the financial year Directors' and Officers' Liability Insurance in respect of itself and its directors.

Lancaster University Business Enterprises Ltd

Directors' report for the year ended 31 July 2018 (continued)

Going concern

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Lancaster University. The directors have received confirmation that Lancaster University intend to support the company for at least one year after these financial statements are signed.

Statement of disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with Section 418 of the Companies Act 2006.

Independent auditor

The independent auditor, Deloitte LLP, has indicated their willingness to continue in office and a resolution concerning their reappointment will be proposed at the Annual General Meeting.

Small companies provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Approved by the Board and signed by its order by

Lancaster University Business Enterprises Ltd

Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including "FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Lancaster University Business Enterprises Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Lancaster University Business Enterprises Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31st July 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of income and retained earnings;
- the statement of financial position;
- the related notes 1 to 10.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Lancaster University Business Enterprises Ltd

Notes to the financial statements for the year ended 31 July 2018

1 Company information

Lancaster University Business Enterprises Ltd is a private company limited by shares, registered in England & Wales under registration number 00968581. The registered office is University House, Bailrigg, Lancaster, LA1 4YW.

2 Accounting policies

Basis of preparation

These financial statements are prepared on the going concern basis, under the historic cost convention, and in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), and with the Companies Act 2006. The principal accounting policies which have been applied consistently throughout the year and the prior year are as follows.

Going concern

The company has net current liabilities of £158,682 (2017: £158,565). The parent company has confirmed its intention to continue to provide financial support to the company. The directors consider it appropriate therefore to prepare the financial statements on the going concern basis.

Significant accounting estimates and judgements

The Directors discuss accounting estimates and judgements in the context of the budget setting process and during its periodic review of the management accounts at Board meetings.

Management has not made any accounting estimates or judgements that would have a significant effect on the amounts recognised in the financial statements in the year.

Cash flow statement

Under FRS 102, the company is exempt from the requirement to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of Lancaster University, and its cash flows are included within the consolidated cash flow statement of that entity which are publicly available.

Related party transactions exemption

The directors have taken advantage of the exemption permitted by FRS 102 and have not disclosed related party transactions with parent and fellow subsidiary undertakings. There are no other related party transactions which require specific disclosure.

Current taxation

Corporation tax payable is provided on taxable profits at the current rate.

Turnover

Turnover represents the amounts (excluding value added tax) earned upon the provision of intellectual property as royalty receipts during the year, and all arises in the United Kingdom.

Lancaster University Business Enterprises Ltd

2 Accounting policies (continued)

Interest payable

Interest payable wholly comprises amounts payable to its parent, Lancaster University. Interest is paid on the inter-company balance at a rate of Base Rate plus 0.25% per annum.

Basic financial instruments

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Creditors and provisions are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Bad debt provision

Full provision is made where management considers the recoverability of debts to be low.
