1 Accounting policies

Future changes to accounting policies

The Financial Reporting Council recently issued *FRS 100 - Application of Financial Reporting Requirements*, *FRS 101 - Reduced Disclosure Framework* and *FRS 102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland* which will be first effective for the company for the year ending 30 June 2016. FRS 100 sets out the overall financial reporting framework whereas FRS 101 applies to the company financial statements allowing them to apply the same accounting policies as the IFRS group accounts but with less disclosure. FRS 102 will replace the current UK GAAP standards with an IFRS based new standard and include a set of disclosure exemptions for qualifying entities formerly preparing UK GAAP financial standards. The company will adopt FRS 101, for its financial statements, for the year ending 30 June 2016. Based on a preliminary assessment the company believes the change will have no significant impact on its results or financial position.
