Lancaster University Consultancy Services Limited

Directors' report for the year ended 31 July 2020

The directors present their annual report and the audited financial statements of the company for the year ended 31 July 2020.

Principal activities

The company was established to facilitate consultancy services arising from expertise within Lancaster University. However, following the decision by the University's Council in November 2018 to manage this activity directly through the University, the activity of this Company will cease within the following 12 months.

Business review and future developments

Following the decision by Lancaster University to manage consultancy contracts directly through the University, the activity of this Company during the year has been to manage down existing contracts and not to enter any new contracts. Managing down the existing contracts has resulted in turnover falling to £2,277 (2019: £44,696) and it is anticipated that all the remaining contract contracts will be completed during 2020/21.

As required by UK accounting standards, the directors have therefore prepared the financial statements on the basis that the company is no longer a going concern. No adjustments arose as a result of ceasing to apply the going concern basis.

Proposed dividend

The directors do not recommend the payment of a dividend (2019: £nil).

Risks, uncertainties & key performance indicators

The directors consider that the key risks relate to the satisfactory completion of the remaining contracts and having made enquiries are satisfied that no material risks exist and that the contracts will be completed during 2020/21.

The board have considered the impact of the global pandemic of covid-19 and Brexit and are satisfied that there is no impact to the remaining contracts that will complete during 2020/21.

As a consequence of the decision to cease activity there are no key performance indicators that continue to be monitored.

Directors

The directors who held office during the year and up to the date of signing the financial statements were as follows:

M Nolan
S Randall-Paley

Lancaster University Consultancy Services Limited

Directors' report for the year ended 31 July 2020 (continued)

Directors' indemnities

As permitted by the Articles of Association, the directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The company also purchased and maintained throughout the financial year Directors' and Officers' Liability Insurance in respect of itself and its directors.

Going concern

As described above, these financial statements have been prepared on the basis that the company is no longer a going concern although the company still receives support from the ultimate parent company Lancaster University. The directors have received confirmation that Lancaster University intend to support the company for at least one year after these financial statements are signed.

Statement of disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with Section 418 of the Companies Act 2006.

Independent auditor

In early 2020, Lancaster University's Audit Committee led a procurement exercise for the tendering of external audit services for the University and all of its subsidiary companies. The Council at its meeting of 13 March 2020, appointed Binder Dijker Otte (BDO) to be the University's independent external auditors for three years starting with the accounts for 2020/21 (replacing Deloitte).

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. Accordingly, no separate strategic report is required or presented.

Approved by the Board and signed by its order by:

G P Fielding
Company Secretary

7 April 2021

Lancaster University Consultancy Services Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditor's report to the members of Lancaster University Consultancy Services Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Lancaster University Consultancy Services Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 July 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of income and retained earnings;
- the statement of financial position; and
- the related notes 1 to 10.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Financial statements prepared other than on a going concern basis

We draw attention to note 2 in the financial statements, which indicates that the financial statements have been prepared on a basis other than that of going concern. Our opinion is not modified in respect of this matter.

Other information

The directors are responsible for the other information. The other information comprises the information included in the directors report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are

required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Lancaster University Consultancy Services Limited

Notes to the financial statements for the year ended 31 July 2020

1 Company information

Lancaster University Consultancy Services Limited is a private company limited by shares, registered in England & Wales under registration number 00973030. The registered office is University House, University of Lancaster, Lancaster, Lancashire, LA1 4YW.

2 Accounting policies

Basis of preparation

These financial statements are presented in the company's functional currency, Pound Sterling (GBP).

These financial statements are prepared on the basis that the company is no longer a going concern, under the historic cost convention, and in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), and with the Companies Act 2006. The principal accounting policies which have been applied consistently throughout the year and the prior year are as follows.

Going concern

In light of the decision taken to transfer all future consultancy business through the parent company, Lancaster University, the directors have prepared the financial statements on the basis that the company is no longer a going concern.

Significant accounting estimates and judgements

The Directors discuss accounting estimates and judgements in the context of the budget setting process and during its periodic review of the management accounts at Board meetings.

Management has not made any accounting estimates or judgements that would have a significant effect on the amounts recognised in the financial statements in the year.

Cash flow statement

Under FRS 102, the company is exempt from the requirement to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of Lancaster University, and its cash flows are included within the consolidated cash flow statement of that entity which are publicly available.

Related party transactions exemption

The directors have taken advantage of the exemption permitted by FRS 102 and have not disclosed related party transactions with parent and fellow subsidiary undertakings. There are no other related party transactions which require specific disclosure.

Current taxation

Corporation tax payable is provided on taxable profits at the current rate.

Lancaster University Consultancy Services Limited

Notes to the financial statements for the year ended 31 July 2020 (continued)

2 Accounting policies (continued)

Turnover

Turnover consists of income receivable, excluding VAT, and consists of sales made in the United Kingdom. Revenue is recognised when the consultancy is provided, being the point at which the sales invoice is issued.

Interest payable

Interest payable wholly comprises amounts payable to its parent, Lancaster University. Interest is paid on the inter-company balance at a rate of Base Rate plus 0.25%.

Basic financial instruments

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Creditors and provisions are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

3 Loss before taxation	2020 £	2019 £
<i>Loss is stated after charging:</i>		
Auditor's remuneration for the auditing of the financial statements	2,180	2,120

4 Remuneration of directors

In the current and prior period, no remuneration was paid to the directors in respect of services to the company. The directors of the company are employed by Lancaster University, which pays them for services they provide to the University. The services they provide for the company are incidental to this role, and as such the remuneration receivable by the directors in respect of qualifying services to the company is £nil (2019: £nil)

5 Staff numbers and costs

The number of staff excluding directors employed during the year was nil (2019: nil). Total staff costs amounted to £nil (2019: £nil).

6 Tax result for the year	2020 £	2019 £
Loss before taxation	(5,415)	(5,140)
Tax on loss at the standard rate of 19% (2018: 19%)	(1,029)	(977)
Group loss surrender	1,029	977
Tax charge for the year	-	-

Lancaster University Consultancy Services Limited

Notes to the financial statements for the year ended 31 July 2020 (continued)

6 Tax result for the year (continued)

Finance Act 2020, which received Royal Assent on 22 July 2020, set the corporation tax rate to remain at 19% from 1st April 2020. Accordingly these rates have been applied when calculating deferred tax assets and liabilities as at 31 July 2020.

There is no expiry date on timing differences, unused tax losses or tax credits.
