#### DIRECTORS' REPORT

For the year ended 31 May 2013

The directors present their report and financial statements for the year ended 31 May 2013

#### PRINCIPAL ACTIVITIES

The principal activity of the company continued to be that of property investment

#### DIRECTORS

The following directors have held office since 1 June 2012

DA Dangoor

MAJ Dangoor

**EBV Dangoor** 

**NE Dangoor CBE** 

#### **AUDITORS**

The auditors, Baker Tilly UK Audit LLP, Chartered Accountants, have indicated their willingness to continue in office

#### STATEMENT OF DISCLOSURE TO AUDITORS

The directors who are in office on the date of approval of these financial statements have confirmed that, as far as they are aware, there is no relevant audit information of which the auditor is unaware. Each of the directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption

On behalf of the board

Deengoor CBE

# DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF STANDARD SECURITIES LIMITED

We have audited the financial statements set out on pages 4 to 15 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

As more fully explained in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

A description of the scope of an audit of financial statements is provided on the APB's website at http://www.frc.org.uk/Our-Work/Codes-Standards/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Scope-of-audit/UK-Private-Sector-Entity-(issued-1-December-2010).aspx

#### OPINION ON THE FINANCIAL STATEMENTS

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 May 2013 and its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

#### OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors' report

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime

The financial statements on pages 4 to 15 were approved by the board of directors and authorised for issue on 5 feb 2014 and are signed on its behalf by

NE pangoor Brilling Ool

#### **ACCOUNTING POLICIES**

#### **BASIS OF ACCOUNTING**

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and leasehold properties

The accounts present information about the company as an individual undertaking and not about its group, as the company has taken advantage of the exemption provided by section 400 of the Companies Act 2006 not to prepare consolidated financial statements as it and its subsidiary undertaking are included in the consolidated financial statements of its parent, Monopro Limited, a company incorporated in the United Kingdom

#### GOING CONCERN

The accounts have been prepared on the going concern basis

#### COMPLIANCE WITH ACCOUNTING STANDARDS

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

#### **TURNOVER**

Turnover represents the net rental income for the year Rental income arises from operating leases granted to tenants and is recognised on a straight line basis over the term of the lease

#### TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows

Fixtures, fittings & equipment

15% reducing balance

#### LEASING

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

#### **INVESTMENTS**

Long term investments are classified as fixed assets and stated at cost

Provision is made for any impairment in the value of fixed asset investments

#### **DEFERRED TAXATION**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

#### FOREIGN CURRENCY TRANSLATION

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

Assets, liabilities, and results of overseas subsidiaries are translated at the rate ruling at the balance sheet date Exchange differences arising are dealt with through reserves

**ACCOUNTING POLICIES (CONTINUED)** 

#### **INVESTMENT PROPERTIES**

Investment properties are accounted for in accordance with SSAP 19 'Accounting for Investment Properties', which provides that these should not be subject to periodic depreciation charges (unless held on short lease), but should be shown at an open market value. This is contrary to the Companies Act 2006 which states that, subject to any provision for depreciation or diminution in value, fixed assets are normally to be stated at purchase price or production cost. Current cost accounting or the revaluation of specific assets to market value, as determined at the date of their last valuation, is also permitted.

The treatment of investment properties under the Companies Act does not give a true and fair view as these assets are not held for consumption in the business but as investments, the disposal of which would not materially affect any trading operations of the enterprise. In such a case it is the current value of these investments, and changes in that current value, which are of prime importance. Consequently, for the proper appreciation of the financial position, the accounting treatment required by SSAP 19 is considered appropriate for investment properties.

Investment properties are revalued annually by the directors and every third year by independent Chartered Surveyors on an open market basis. Changes in market value are recognised in reserves other than deficits expected to be permanent, which are charged to the profit and loss account for the period. No depreciation is provided on freehold investment properties or on leasehold investment properties where the unexpired lease term exceeds 20 years.

Lease extensions incurred in the year are treated as part disposals of the freehold, with any profit or loss on disposal taken to the profit and loss account in the year. Where the length of the lease extension is in excess of 50 years, the residual value is treated as nil where there is no ground rent receivable.

Details of the current value and historical cost information for investment properties are given in note 5

### NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 May 2013

#### 1 OTHER OPERATING INCOME

Other operating income relates to money received in relation to the sale of lease extensions

No provision for deferred taxation has been made in respect of the tax which would be payable if revalued properties were sold at their revalued amounts because there is no intention currently to dispose of the properties. If these properties were disposed of at their balance sheet amount it is estimated that the company tax liability would amount to approximately £2,790,000 (2012 £2,420,000)
