Dear Sirs

Contractors Facilities Limited - In Creditors' Voluntary Liquidation ("the Company") Registered number: 01005098

In accordance with Section 104A of the Insolvency Act 1986 and Rule 18.4 of the Insolvency (England and Wales) Rules 2016 ('the Rules'), we provide our annual progress report for the period 29 July 2016 to 28 July 2017 ("the Reporting Period").

Please note that we do not intend to report in detail on matters previously disclosed. This report should therefore be read in conjunction with our previous reports.

Professional information regarding the Liquidators

The Joint Liquidators are Francis Graham Newton (officeholder No: 9310) and Edward Terence Kerr (officeholder No: 9021) of BDO LLP, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

We were appointed on 29 July 2013 and 17 December 2015 respectively and carry out our functions jointly and severally meaning any action can be done by one or both of us.

Joint Liquidators' receipts & payments account

Please find enclosed our receipts and payments account for the Reporting Period and the cumulative period as at 28 July 2017 which analyses account activity in the last year and the whole of the Liquidation.

Although our receipts and payments are largely self-explanatory, we comment specifically on the following matters:

Receipts

In accordance with our previous report, the Company is owed £236,976 from an associated company, Ocanti Opco Limited - In Liquidation ("Opco"). Opco is being administered by PwC LLP.

A first and final dividend of £18,576 has been received from the Liquidation of Opco.

Payments

There have been no payments made since the commencement of the Liquidation.

Remaining assets

Following receipt of the dividend from Opco all outstanding assets have been realised.

We can confirm that there are no assets of a peculiar or special nature which cannot be sold. Consequently, there has been no distribution of unsold assets to creditors as mentioned in Rules 14.13 and 18.10 of the Rules 2016.

Progress of the Liquidation

Given the level of asset realisations in the Liquidation there is no prospect of a dividend to the Company's non-preferential creditors.

Therefore, once all outstanding matters in connection with the Liquidation have been resolved we will seek our release from office. The Company will ordinarily be dissolved three months after we cease to act as Joint Liquidators.

Future prospects for creditors

Secured

There are no secured creditors in the Liquidation.

Preferential creditors

There are no preferential creditors in the Liquidation.

Prescribed Part

In accordance with our previous reports, as there are no qualifying floating charges created on or after 15 September 2003 the Prescribed Part calculation will not apply in this matter.

Non-preferential creditors

We have received claims from non-preferential creditors of £6,941,778.

Given that there are no funds available to pay a dividend to non-preferential creditors these claims have not been verified and agreed for dividend purposes.

Investigations

We have a duty to investigate the affairs of the Company and also the conduct of the directors and in respect of the latter, to submit a confidential statutory report to the Secretary of State. We can confirm that a report has been submitted following the conclusion of our investigations.

We have completed our review of the Company's affairs and assets to establish whether there are any actions that can be investigated for the benefit of the creditors and concluded there are no causes of action to be pursued.

Joint Liquidators' remuneration

Joint Liquidators' time costs for the period 29 July 2013 to 28 July 2017

We have incurred total time costs of £16,076 in dealing with matters arising in the Liquidation. This represents 68 hours at an average hourly rate of £237.

Joint Liquidators' time costs for the period 29 July 2016 to 28 July 2017

The Joint Liquidators have incurred time costs in the Reporting Period of £3,724. This represents 14 hours at an average hourly rate of £264.

Please find attached our detailed time cost summaries for the above periods.

As previously advised, at a meeting of creditors held on 29 July 2013, creditors gave their approval to our remuneration being fixed by reference to BDO LLP's normal time costs for the time properly incurred by us and our staff in attending to matters arising in the Liquidation.

For your guidance, creditors may access information setting out creditors' rights in respect of the approval of Liquidator(s) remuneration at:

Contractors Facilities Limited - In Liquidation

In accordance with best practice we provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above insolvency.

The current charge out rates per hour of staff within our firm who may be involved in working on the insolvency, follows:

GRADE	£
Partner	520
Manager	229-401
Assistant Manager	207
Senior Administrator	195
Administrator	72-176
Other staff	69-71

This in no way implies that staff at all such grades will work on the case. The rates charged by BDO LLP, Central Square, 29 Wellington Street, Leeds, LS1 4DL are reviewed in December and July each year and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories:-

Pre Appointment
Steps upon Appointment
Planning and Strategy
General Administration
Asset Realisation/Management
Trading Related Matters
Employee Matters
Creditor Claims
Reporting
Distribution and Closure
Other Issues

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

1) Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories.

2) Category 1

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

3) Category 2

Insolvency practice additionally provides for the recharge of expenses such as printing, stationery, photocopying charges, telephone, email and other electronic communications eg webhosting, which cannot be economically recorded in respect of each specific case. Such expenses, which are apportioned to cases, must be approved by the creditors in accordance with the Insolvency (England and Wales) Rules 2016, before they can be drawn, and these are known as category 2 disbursements. The policy of BDO LLP, in respect of this appointment is not to recharge any expense which is not a specific cost to the case, therefore there will be no category 2 disbursements charged.

A further disbursement under this heading is the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the HM Revenue & Customs Approved Mileage Rates (median - less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the insolvency (England and Wales) Rules 2016 to recover this disbursement.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.
