Notice of Meeting

NOTICE IS HEREBY GIVEN of the twentyseventh Annual General Meeting of the Company which will be held at The Hobby Horse Inn, Sea Front, Minehead on Saturday, 26th June 1999 at 2.30 p.m. to transact the following business:

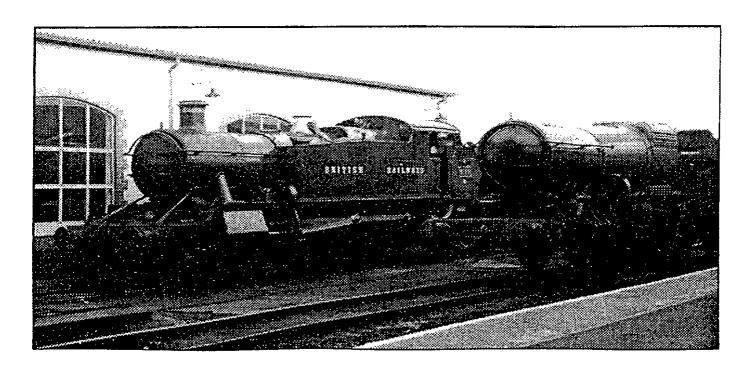

- 1. To consider the Company's financial statements and the Reports of the Directors and Auditors for the year ended 31st December 1998.
- To elect Directors (see Directors' Report).
- 3. To re-appoint Messrs. Deloitte & Touche as Auditors to the Company and to authorise the Directors to agree their remuneration.

4. To transact any other business which may be properly transacted at an Annual General Meeting.

By Order of the Board R. L. Lizars A.C.I.B. Secretary 27th March 1999

The Railway Station, Minehead, Somerset TA24 5BG

NOTE: Any member entitled to attend and vote is entitled to appoint a proxy to attend and, on a poll, vote on his behalf. A proxy need not be a member of the Company.

Chairman's Report

The first duty we have as a Board is to ensure that we run a financially successful Company, as well as a successful heritage steam railway, based as it is, on a former Great Western branch line.

On behalf of the Board I would again thank you, our shareholders, for your support together with all those, both the paid staff and volunteers who contribute so much to your Company's continued success, not only in 1998, but over many years. Success as a Company would not be achieved without such support. Indeed the increased input of our volunteers has done so much to ensure our development.

Whilst passenger numbers were slightly down in 1998, to 144,160 from 146, 883, this was due in part to our not being able to run trains so early in the season as a result of the building of our new engineering facility. Nevertheless a Nett Profit of £42,896 before taxation was achieved compared with £55,732 in 1997. Both years of course included a contribution from the stone traffic, now completed. Fares from service trains increased to £714,879 from £708,379. We now show a surplus on our Profit & Loss Account of £31,659 as opposed to carrying a Loss forward as we have for so many years. The Nett Worth of the Company is now £1,032,281.

Those of you who visit the line cannot fail to be impressed at the giant steps forward all along the line to ensure we present to the public a realistic reproduction of the former Great Western Railway days, both on the line and off. It is now well worth your seeing in its own right.

We identified in our last Share Prospectus the need for owning our own Steam Locomotive. After years of searching we have been successful in purchasing No. 5193, a Large Prairie, Class 5101, 2-6-2 tank engine at a cost of £50,000. The additional cost of restoring the engine will be some £115,000, and I ask for your support in this important development by purchasing further shares in your Company. A separate appeal letter and Share Application Form is enclosed with this report.

It has to be remembered that the Cash sums shown in the Balance Sheet will have diminshed sharply by the end of March 1999. So much of that figure is already committed. Some £160,000 will be spent on renovating 53808 and providing improved signalling at Bishops Lydeard, being in the latter case our contribution to the expected improved connection to the main line at Norton Fitzwarren. The coastal erosion at Doniford will result in a call on our finances, but as I write we do not know when the work will commence.

In 1998 we completely overhauled a rail over main road bridge at a cost of £12,000. There are another four bridges to be overhauled.

Chairman's Report (continued)

Repetition I accept, but I must again remind you just how much Government legislation affects your Company and its finances. We have complied, and will comply with all these requirements whether as a Company or as a railway and they will add to our costs. We cannot forecast what lies round the corner. It is incumbent on your Board to exercise financial prudence so as to be prepared to deal with any further unexpected happenings along the line.

Your Board looks forward with some confidence to 1999 and the years beyond and with your support we will continue to move your Company forward.

Dennis H. Taylor Chairman

27th March 1999

Directors' Report

The Directors present their report and the audited financial statements for the year ended 31st December 1998.

Activities

The principal activity of the Company is to operate the West Somerset Railway between Minehead and Bishops Lydeard in the County of Somerset.

Results and Dividends

The profit for the year is as stated in the profit and loss account. The Directors do not recommend the payment of a dividend.

Issue of Shares

The Company issued a further 251,250 10p ordinary shares at par for cash consideration in order to provide additional capital.

Review of Developments and Future Prospects

A review of activities for the year and likely future developments is included in the Chairman's report on page 3 which is deemed to form part of this report.

Directors

The Directors and their interests in the Share Capital of the Company on 1st January 1998 and 31st December 1998 were as follows:

	Ordinary Shares of 10p each			
	31st December 1998	1st January 1998		
D. H. Taylor	8,200	7,700		
D. T. Morgan	4,050	4,050		
C. W. J. Dowrick	17,750	16,750		
R. L. Lizars	21,800	21,800		
M. L. Smith	15,000	14,000		
Mrs. A. M. Short	12,000	12,000		
J. M. Donner	50,000	50,000		
C. A. Austin	7,500	7,500		
B. J. Crudge	50	50		
P. T. Swan	10,000	10,000		
N. I. Lowther	1,000	1,000		
H. R. Davies	1,000	1,000		
R. S. Savill	9,000	7,800		
	the second Asserting Days	ing and I outhor rat		

In accordance with the Articles of Association Messrs. Austin, Davies and Lowther retire from office and, being eligible, offer themselves for re-election.

Corporate Governance

The Cadbury Committee's report on the financial aspects of corporate governance contained a Code of Best Practice. Whilst there is no requirement on the Company to do so, the Directors have reviewed the Company's practices in respect of those recommendations contained in the Code which they believe to be most relevant to the Company. The following information is presented as voluntary disclosures for the benefit of the shareholders. The Company has not complied with, and has not attempted to comply with, the full requirements of the Code.

C

Directors' Report (continued)

Board of Directors:

The Company has a Board of Directors of five executive and eight non executive Directors which the Board believes is appropriate for the Company at the current time. The Board meets formally on a regular basis, normally each month. Written procedures have been approved by the Board covering matters which require specific Board approval. Similarly, there are written procedures enabling Board members to seek independent professional advice in furtherance of their duties.

Remuneration Committee:

The Remuneration Committee consists of one Non-Executive Director and one Executive Director. Apart from the Managing Director all directors are unpaid. The remuneration of the Managing Director is decided by the Remuneration Committee.

Audit Committee:

The Audit Committee consists of four Non-Executive Directors and the Company Secretary who is also secretary of the Audit Committee. Other Board members also have the right to attend. However, at least once each year, the Committee meets with the external auditors without Executive Board members being present, except by invitation.

Safety Audit Committee:

It is the Board's policy to oversee the safe operation of the railway, and it has appointed a committee of three Non-Executive Directors and the Managing Director to supervise all matters relating to safety concerns.

Payment Policy:

It is Company policy to comply with the terms of payment agreed with a supplier. Where terms are not negotiated the company endeavours to adhere to the supplier's standard terms. The company's year end trade creditors correspond to 22 days of credit purchases.

Year 2000:

The Company is actively reviewing areas where the advent of the year 2000 might affect its business and operations. No problems have been identified to date, and no substantial costs have been incurred or are envisaged.

Approved by the Board of Directors and signed on behalf of the Board R. L. Lizars A.C.I.B.

Secretary

27th March 1999

Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors' Report

to the members of the West Somerset Railway Public Limited Company

We have audited the financial statements on pages 8 to 13 which have been prepared under the accounting policies set out on page 10.

Respective responsibilities of directors and auditors

As described above the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the company's affairs as at 31st December 1998 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Financial Statements

for the year ended 31st December 1998

1. Accounting Policies

The financial statements have been prepared in accordance with applicable accounting standards. The particular accounting policies adopted are described below.

ACCOUNTING CONVENTION

The financial statements are prepared under the historical cost convention.

TANGIBLE FIXED ASSETS

Depreciation is provided on cost in equal annual instalments over the estimated lives of the assets. The rates of depreciation are as follows:

Long leasehold land & buildings	2% per annum
Rolling Stock	13-30% per annum
Plant and machinery	10-33% per annum
Fixtures and fittings	20-50% per annum
Motor vehicles	33-40% per annum
Track and pointwork	10-13% per annum
Leasehold improvements	4% per annum

No depreciation has been charged on the unrestored locomotive purchased in November 1998.

DEFERRED TAXATION

Deferred taxation is provided at the anticipated tax rates on differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements to the extent that it is probable that a liability or asset will crystalise in the future.

STOCKS

Stocks are valued at the lower of cost and net realisable value.

GOVERNMENT GRANTS

Government grants made as a contribution towards expenditure on fixed assets are recognised in the balance sheet as deferred income and amortised to the profit and loss account in equal annual instalments over the estimated lives of the assets to which they relate.

PENSION COSTS

Pension costs relating to the company's defined contribution pension scheme are charged against profits as they become payable.

2. Information Regarding Directors and Employees

	1998 £	1997 £
Directors' emoluments (as employees): Remuneration (including benefits in kind) Contributions to defined contribution pension scheme	26,610 2,661	26,330 2,583
	29,271	28,913
One director only received any remuneration and is a member of the pension scheme.		
Employee costs during the year: Wages and salaries Social security costs Pension costs	247,571 15,918 12,686 276,175	254,726 17,541 12,205 284,472
Average number of persons employed: Railway Shop	No. 23 3	No. 24 3
Total (full time equivalents)	26	27

Notes to the Financial Statements

(cont.) for the year ended 31st December 1998

3. Profit on Ordinary Activities Before Taxation		
	1998	1997
Profit on ordinary activities before taxation is after charging:	£	£
Rolling stock hire	131,317	136,569
Auditors' remuneration – audit fee	3,100	3,200
non audit work	1,000	1,075
Rentals under operating leases	7,833	7,833
4. Taxation		
	1998	1997
	£	£
United Kingdom Corporation Tax at 21%(1997 21.75%) based on the profit		
for the year	7,940	13,250
Deferred taxation	1,951	(203)
Adjustment in respect of prior years – Corporation tax	(1,887)	(245)
 Deferred tax 	1,596	(779)
	9,600	12,023

The tax charge is disappropriately high in relation to the profit for the year because of the incidence of depreciation on assets not qualifying for capital allowances.

5. Tangible Fixed Assets
